"How to Participate"

How to Be a Student

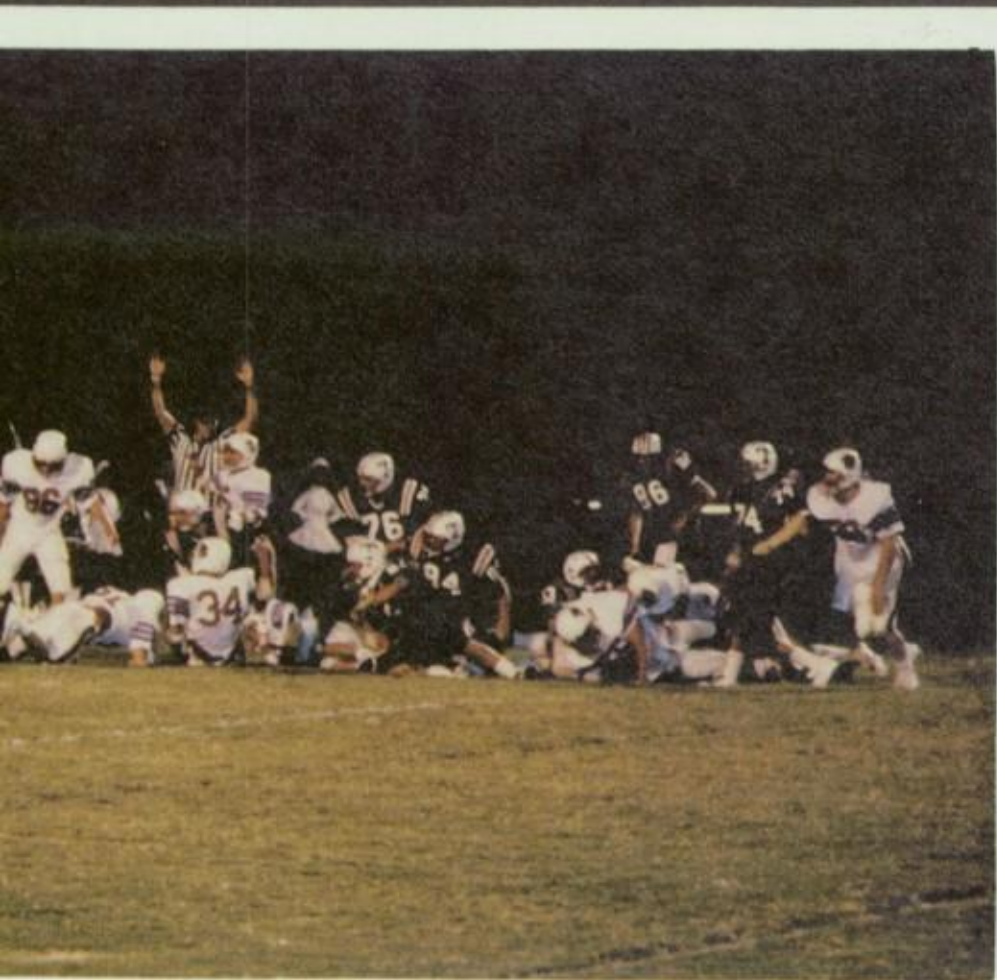

Are you a student just because
you attend a school?

Are you a student just because
you attend classes? Or are you a
student just because you are
registered in a school district?
Does one of the above make you
a student or could it be a combi-
nation of all three? Just what
does a person have to do to be a
student?

Below: Steve Brown participates in the building of the Senior Class Float. Right: Senior David Story engages in the chores of a Yellman.

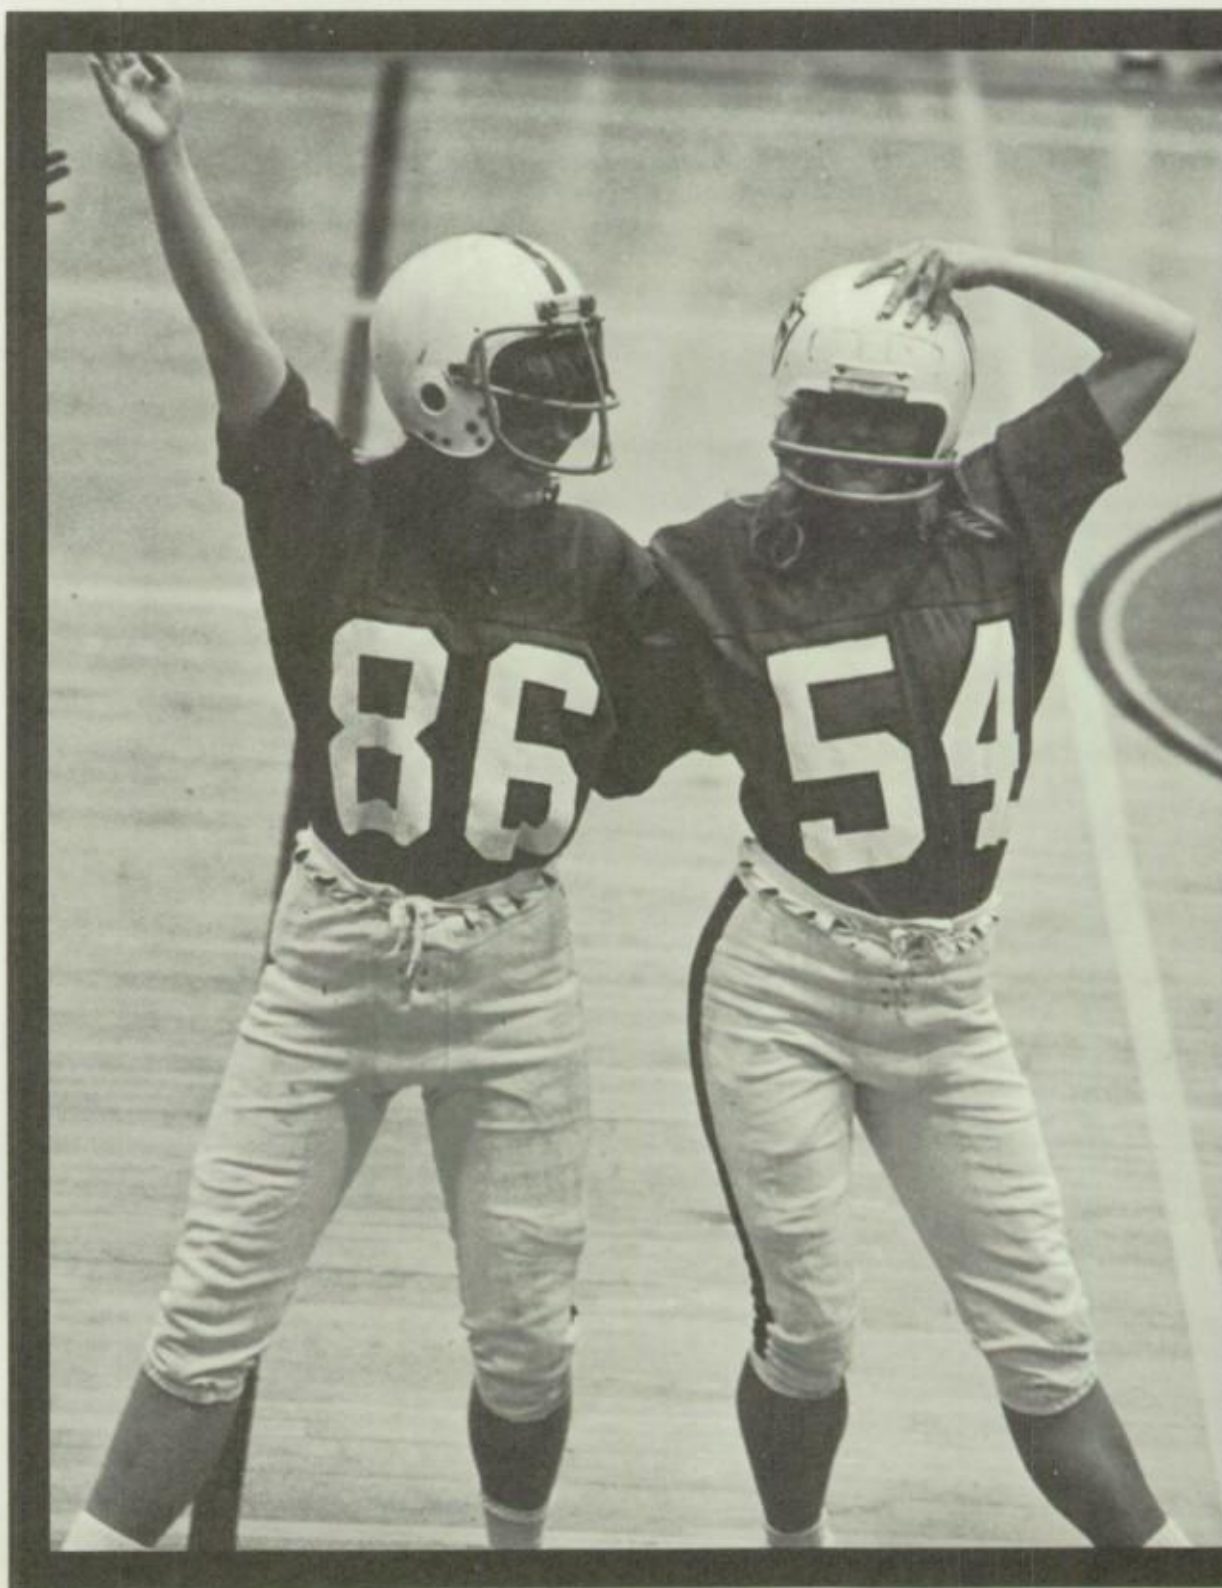

To be a student, one must first know what a student is. According to Webster's dictionary, a student is, a learner; scholar; one who attends a school. Although this is true, seldom one finds a student who does not go beyond this definition.

A student today is more than a learner, he is a participator who exerts an extra effort into his responsibilities and into his life. Whether this means working late at night for a class project, selling candy as a fund raiser for your club, staying late after school to perfect that routine, athletic ability, or to rehearse a script one more time, it all proves that to be a student, one does not merely learn, one participates.

Top Left: The extra effort put into practices results in another six points. Top Right: Drill team member Linda Miller tries to stay warm during an early morning drill team practice. Above: Trojan majorettes Karen Jackson, Dawn Godwin, and Connie Wallace participate in a pep rally.

If a person wishes to become a participant, they should follow the example set by most Trinity students. Because when it comes to participating, Trinity students show how it is done through organizations, clubs and athletics.

Participation in organizations such as Band, Choir, Drill Team, and Drama all require an extra effort to be exerted by the student. Early morning or late after school rehearsals are not uncommon to these organizations. Participation in athletics also requires an extra effort. With athletic teams of basketball, baseball, football, rodeo, gymnastics, and many others, a large number of students are active in the THS athletic department. Finally, participation in clubs such as the Spirit Club, language clubs, one of the many vocational clubs, or any other club that a student is a member of, is often as time consuming as their academic work. These are some of the ways a THS student shows how to be a student.

Far Left: Adrian Wynn takes part in an after the game dance. *Opposite Top:* A THS art class works on their creativity. *Opposite Bottom:* Troy-Anns participate in a dance routine at a pep-rally. *Left:* Melinda Wirth sings at the "Wild World of Sports" Talent Show. *Above:* Jeff Hill puts extra effort into the building of a house in his building trades class.

With all this extra effort put into participating, you might think that the academic studies at school take second place in priority. This is not true. With advanced classes, students try as hard as any other student would for his club organization. Proof of this exists in the fact that the student is not required to take the class in the first place. Whatever class it may be, Chemistry, Elementary Analysis, Honors English, or any other course not required, the student takes it because he wants to, not because it is necessary.

Participation is as much a part of being a student as learning. Whether this means learning in an advanced class or participating in a club, it all states the fact that a student is more than a learner, a student is a learner and participator.

Opposite Page Top: Jeff Wichman shows that participation on the Rodeo Team can mean attempting to bring down a bull. *Opposite Page Bottom:* Participation in early morning rehearsals by Drill team members requires waking up early and practicing a routine over and over. *Above:* The THS varsity basketball team holds an intersquad scrimmage late after school to improve their game. *Left:* Ricky Quesenberry and Dianne Johnson devote many hours rehearsing scripts to prepare themselves for "Barefoot in the Park."

Summer Practice

Start Season

For many students, the school year started several weeks before the first day of school. The band, drill team, football team and cheerleaders all started summer practices in August.

Registration was another event that served a significant part in the opening of a new school year. The teachers were present to aid the students in signing up for their classes. For most seniors and juniors, registration was a familiar experience. The sophomores, on the other hand, found themselves standing in the midst of crowds and confusion. Eventually, the schedules were worked out and everyone was ready for a great year.

Opposite Page, Above Left: A band member's individual execution was the key to the group's success. *Above Right:* The football team started practices two weeks before school began. *Below Left:* Juniors Ronda Allen, Becki Robb, and Vickie Bateman signed up for the classes they needed. *Below Right:* Senior Sherie Railsback practiced with the TroyAnnes at one of their many early morning summer rehearsals. *Below:* The band gathered around Mr. Neugent for a "prayer meeting" during a long and hot summer rehearsal.

Summer Sizzles Out . . .

Students Settle In

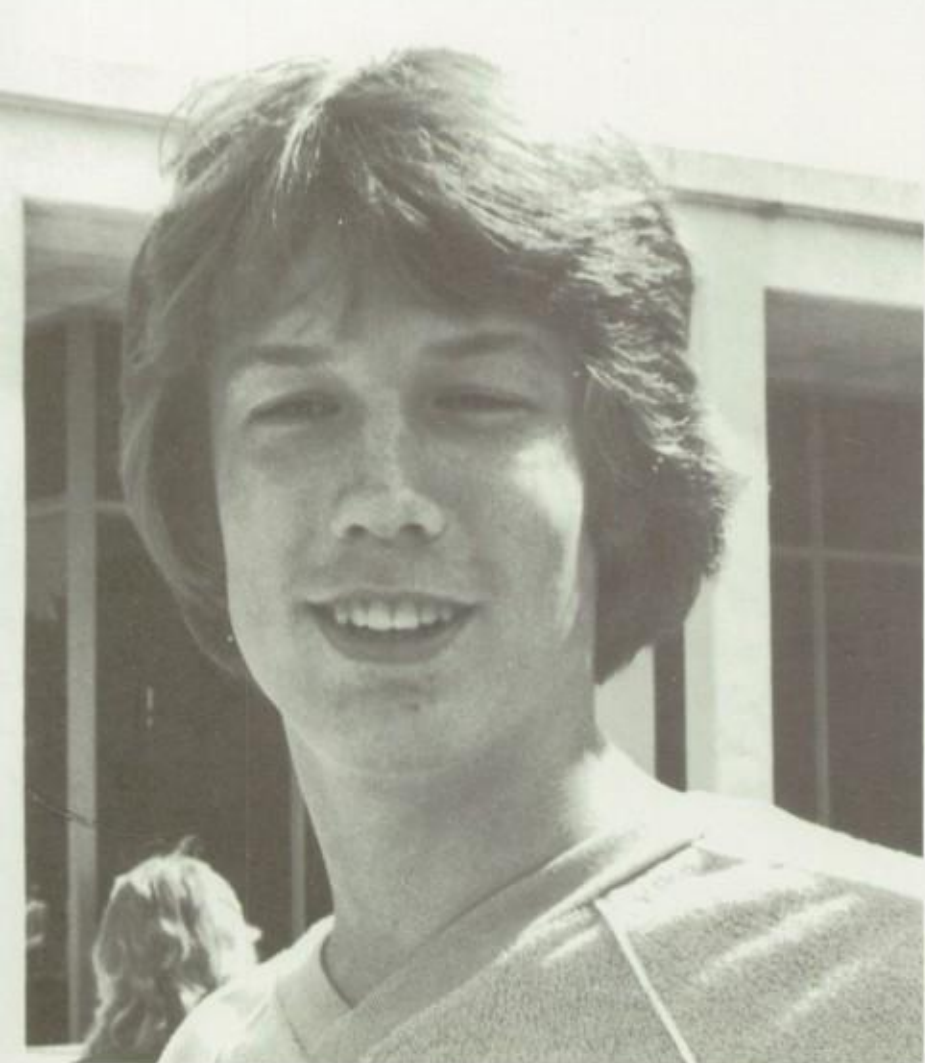

New styles, new smiles, new faces, and places brought back a new year at Trinity. The seniors were laughing, the juniors worried about their junior theme and the sophomores were wandering around the halls lost. These were the characteristics of how the Trinity Trojans started a new year.

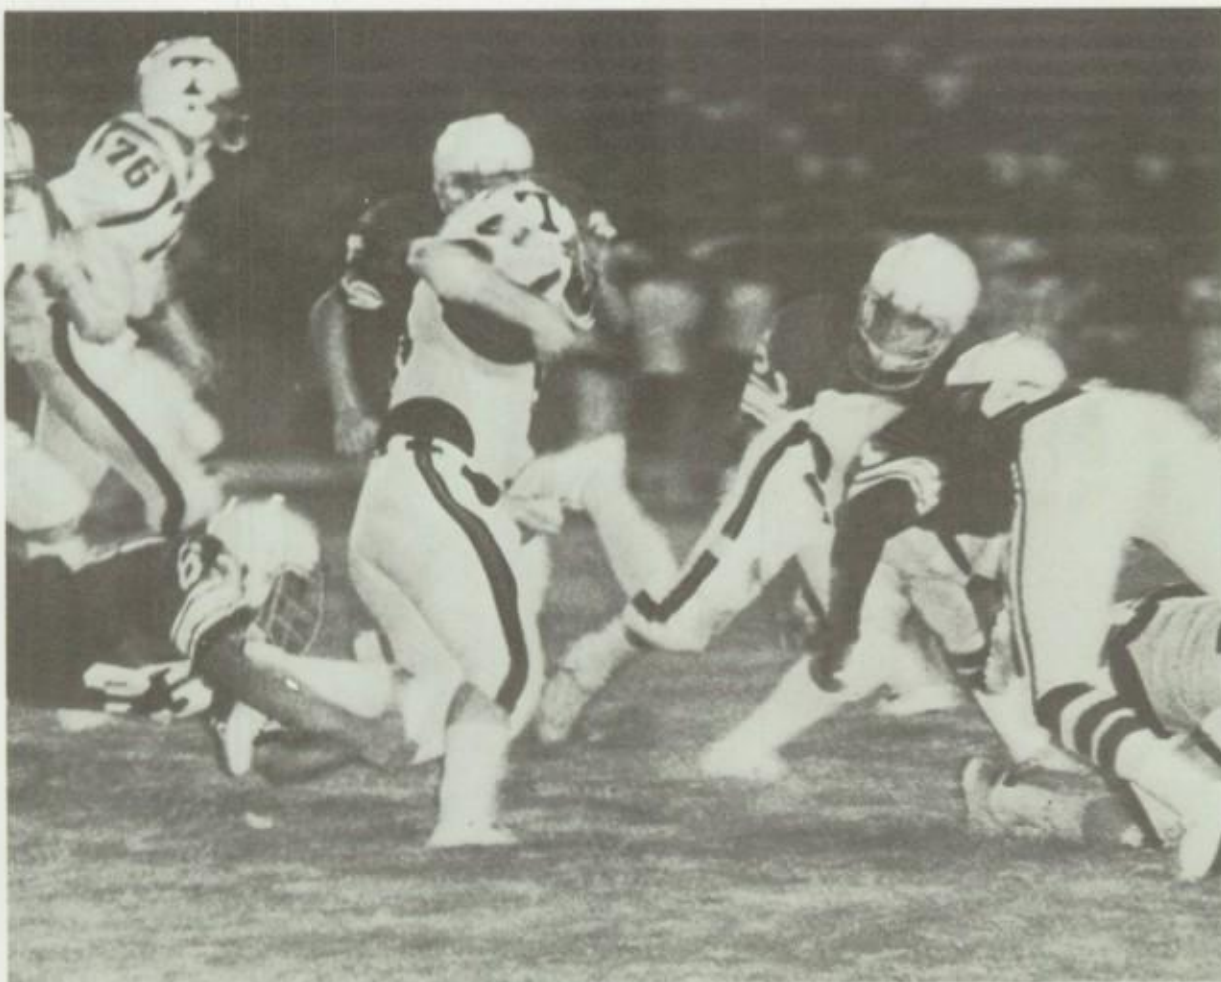

Right: Margaret Britton, right, related secret experiences of the summer to Deirdre Earls. *Below:* Sophomore Wade Yessick picked up information about the up and coming events from senior Lisa Wilcox.

On Friday afternoon, when everyone was supposed to be winding down for the quiet weekend ahead, it was found that the student body of Trinity High School was in the gym, yelling away for the football team to win the game that night. What did they yell? They yelled their class motto, yelled for the Spirit stick, and yelled for the football team. All of that was a part of Trojan spirit.

That night, September 7, 1979, the super crunch bunch of T.H.S. went to Paschal and defeated their team in a shutout victory. Larry Mayfield was the leading ballcarrier with 48 yards rushing. David Pogue and Eddie Monk helped in rushing with Pogue gaining a touchdown with a seven-yard run. With the total combined effort of everyone, the Trojans won a 14-0 victory.

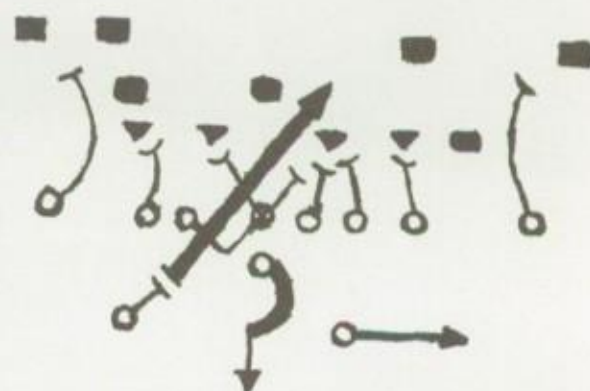

The Junior varsity of Trinity overcame the Panthers in a 26-0 wipe-out the night before. Jay Racz, Danny Hall, Steve Pace, and Danny Salazar led the offense, while Ken Trussell, Mark Long, and Kurt Specht led the defense.

Top left: While Scott Finch is tearing up the turf, Mike Sawin and the rest of the Trojan offense cleared the way for him. *Top right:* Scott Finch, halfback for the Trojans, took advantage of any open space there was. *Bottom right:* David Story showed his Trojan spirit in the pep rally by displaying the Trojan flag.

Victory Shows How Trojan Spirit Works

Top: The dynamic defense, including Steve Fazend, Brad Boring, and Larry Epperson, can keep the other guy down. *Bottom:* The Sophomore

class was a little wary about yelling, but they soon got the hang of it.

Throughout the year, Trinity students expressed their enthusiasm by showing off Trinity's school spirit. Fans were very supportive at all school functions at home as well as out of town. Excited Trojan fans do not just sit in the bleachers and watch the game, they get up and show the other team how it's done. Making run-through signs is just as important as cheering.

Audrey Incites School Spirit

The Trojan mascot for 1979-80 was junior Audrey Woodard. Audrey auditioned for mascot with six other competitors. They performed a cheer in front of a panel of eleven judges. The Trojan mascot helped to promote spirit throughout the year by aiding the cheerleaders at pep rallies and games.

Above: Audrey participates in the fight song at the beginning of a pep rally. *Right:* Getting the sophomores fired up at a pep rally was only one of Audrey's duties.

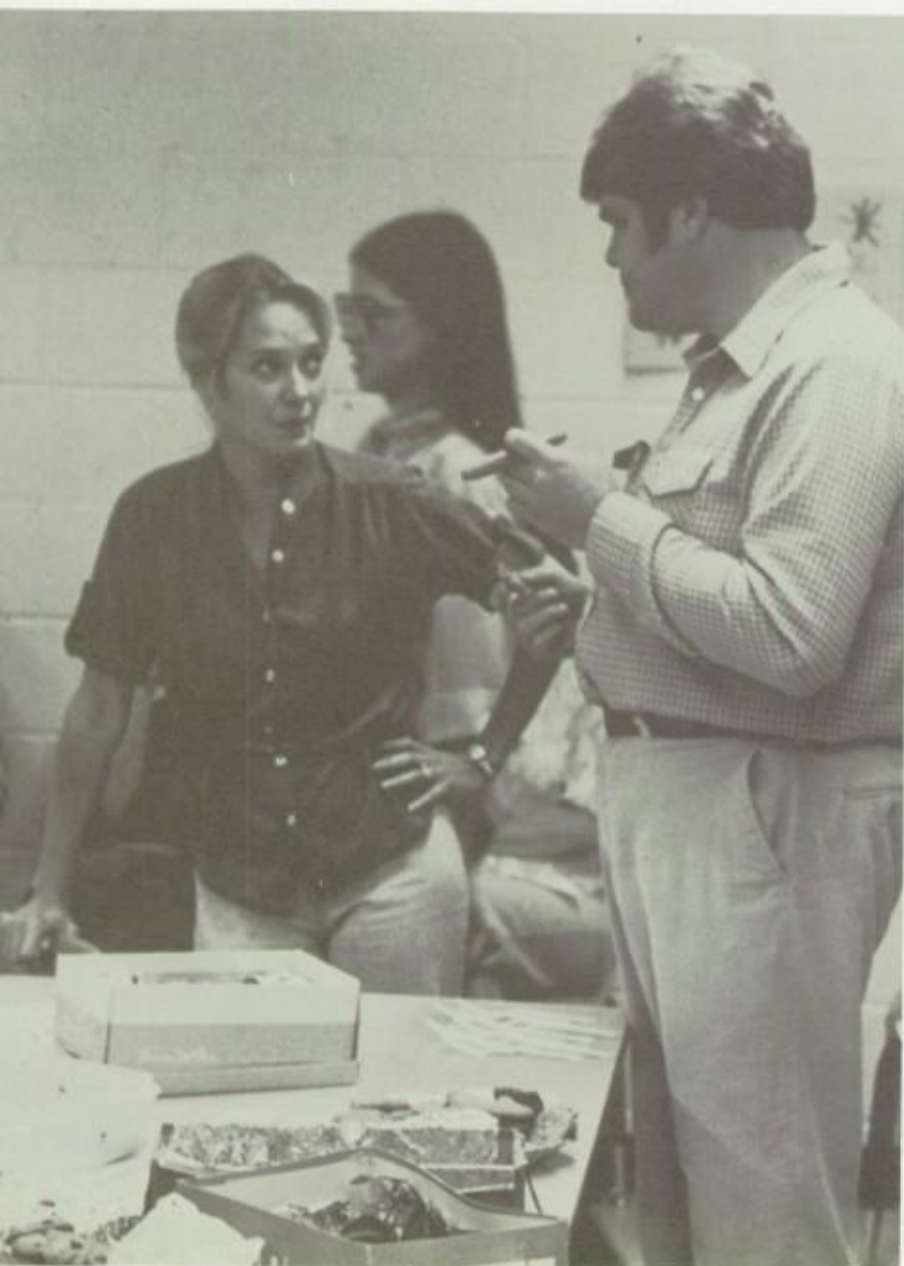

Parties: The Trojan Way of Life.

To show the new students how to make new friends at Trinity, the Student Council sponsored a new students party. All students new to the Hurst-Euleless-Bedford area were invited to come and participate, and meet the other students.

The ice cream social was another activity sponsored by Student Council. Council members made dozens of different flavors of homemade ice cream for the teachers to come and enjoy. Since it was held at the beginning of the school year, it gave many of the teachers and administrators a chance to get reacquainted after the long summer.

Vocationals Show Early

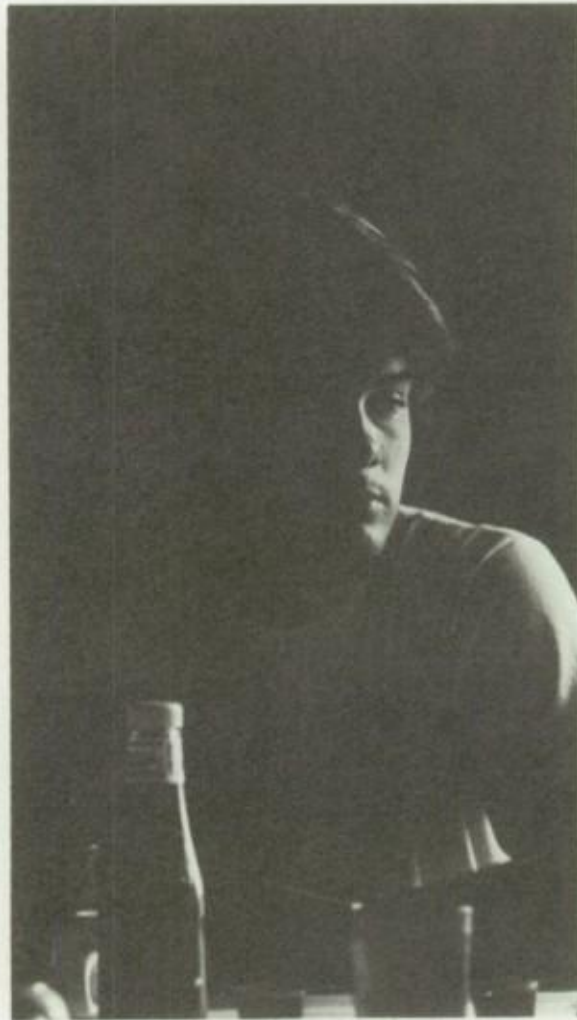

On September 11 and 12 the vocational clubs had their annual breakfasts. The three breakfasts were held at McDonalds, Bonanza and Janard's.

On September 11, H.O.C.E. had their breakfast at McDonalds to install new officers and discuss plans for the upcoming year.

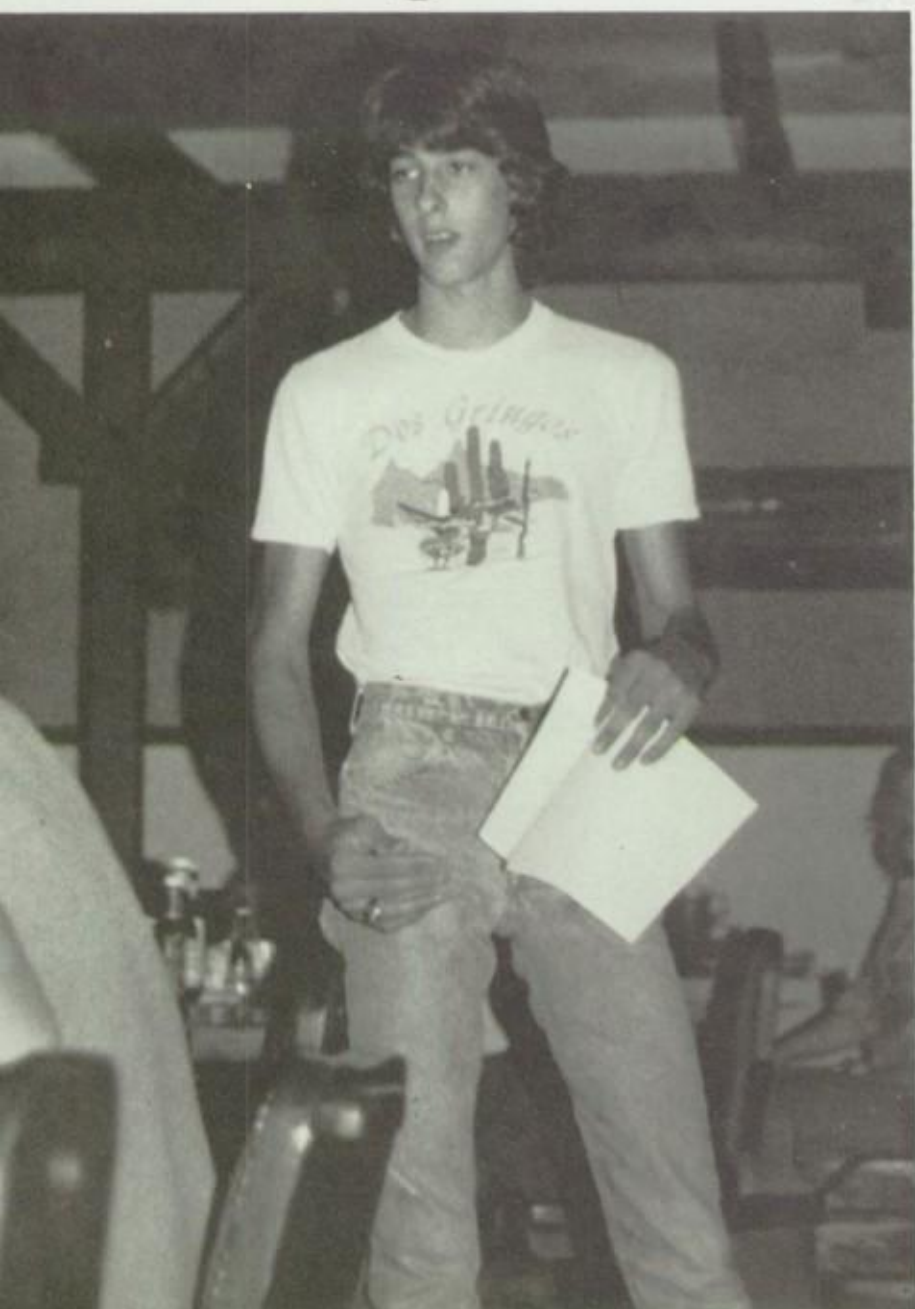

Also on September 11, Bonanza hosted the H.E.C.E. breakfast. The breakfast allowed the club to discuss money making and service projects for the year.

On September 12, V.I.C.A. sponsored their breakfast at Janard's. At the meeting new officers were elected. The budget plan for the year was also discussed.

Trojans Disco Down

The Trojan Junior Varsity had a disappointing loss against Highland Park Thursday night. This was a sad time for Trinity, since the B team hadn't lost a game in several years. Brian Michelson, quarterback, passed to John Alcedo for the Trojan touchdown early in the game. Brian then went to Steve Priddy for the 2 point conversion which put Trinity ahead 8 to 7. The Trojans played an outstanding game. The defense held the Scots scoreless until the 4th quarter when Highland Park threw a long pass for a touchdown. The final score was Trinity 8, Highland Park 13.

Above: Brian Michelson aided the tough B Team offense with his speed and power against the Scots. Opposite, Top: Larry Epperson and Steve Fazende, leading the Trojans, proved their strength through the second half of the game. Opposite, Bottom: Trinity's offense put pressure on Highland Park with the touchdown by David Pogue.

After Highland Park Defeat

Friday, September 14, Trinity played one of the toughest games against Highland Park. David Pogue, diving from the 2 yard line, scored the first Trojan touchdown of the game. A snap misconnection prevented the point after. Larry Mayfield, who had an excellent night, scored the second Trojan touchdown, then ran around the end for the 2 point conversion. This put Trinity ahead 14 to 13. The Trojan defense went to work until late in the 4th quarter when, with the help of a field goal, Highland Park came back with a heartbreaking 16 to 14 win over Trinity. After the game, Trinity had its first Trojan dance of the year. Sponsored by the cheerleaders, the traditional Howdy Dance was on its way. This dance honored all the new students to Trojan Land showing them the unique pride and spirit the student body has for their school.

TFL Speaks Out

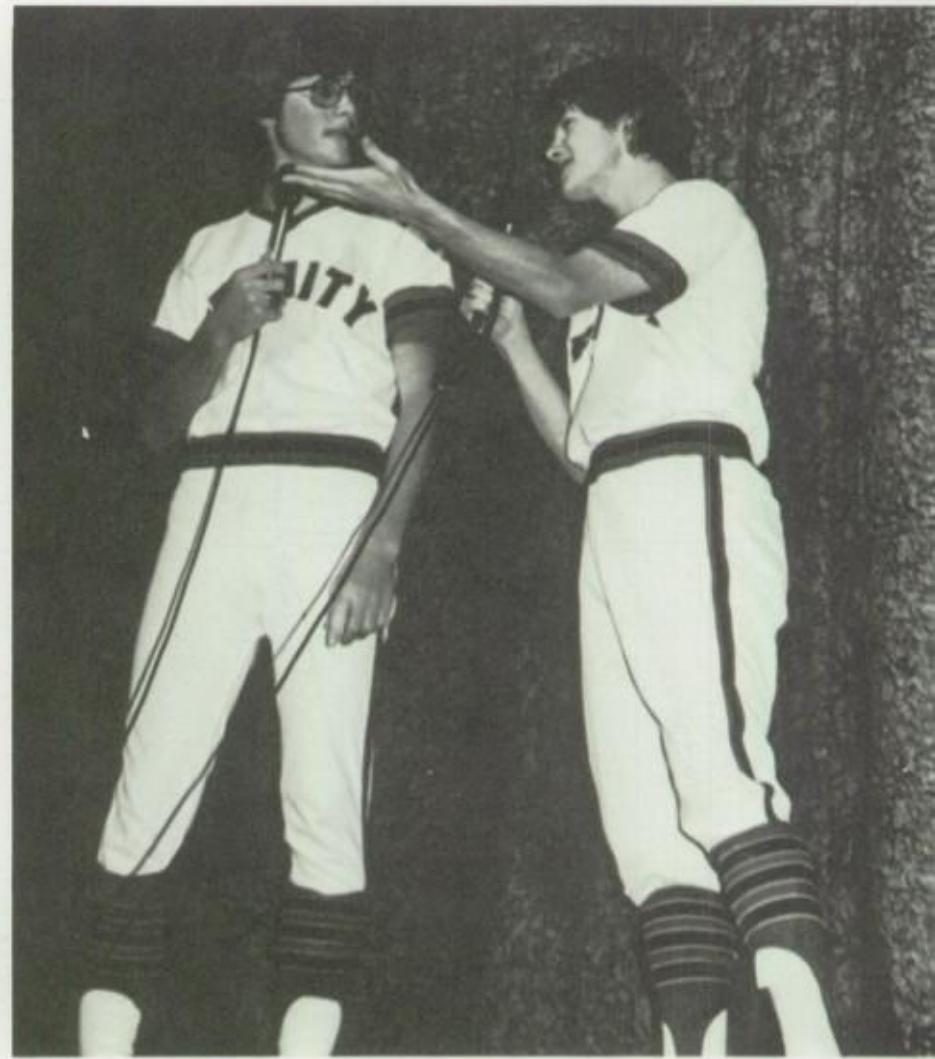

On November 16 and 17, the Trinity chapter of the Texas Forensics League hosted their annual speech tournament. The tournament had schools from the Dallas/Fort Worth area competing for a chance to go to the state T.F.L. tournament. Tournament directors were Melinda Wirth and Helen Murray.

Talented Trojans

"The Wild World of Sports" was the theme of the 1979-80 Talent Show at Trinity High School. Many students "showed their stuff" with their own unique talents. The show contained wild talents as well as perfectly performed acts ranging from music to magic. The Talent Show was sponsored by the Drama Department, and all proceeds from the show went to the Drama Department Fund for future productions. The Talent Show was coordinated by Mrs. Jan Schronk.

Volleyball Spikes Again!

Volleyball has had a very successful season. With Jari Napier's fine playing, Shelley Davis' spikes, the all around outstanding performance of the whole team has shown in their many accomplishments. Three trophies were given for All Tourney.

Two were presented to Jari Napier and one to Janet Ault. The team went to three tournaments and won trophies for all three placing second, third, and consolation. This is the first time Trinity has won three trophies for three tournaments.

Footwork Proves Superior

Both the Red and White Soccer teams undoubtedly did excellent footwork this year. The Red team qualified for the playoffs held in Ft. Worth, but lost the first game. Although they lost, they did not get discouraged, nor give up. With the intent work of the team, and the help of a great coach, Hal Shelley, they came back and placed first in the Grand Prairie Soccer Association. The G.P.S.A. required nineteen players on the team for both the Red and the White teams and the White team had under sixteen, but surprisingly placed second! Trinity has had accomplishments this year and both Soccer teams have contributed greatly.

New Year Brings New Changes

Along with the new year at Trinity High School came many changes. Besides a few new faces in personnel, several policies on attendance, discipline, and fees have made changes. Some changes are readily accepted by students and teachers and some were not.

Some of these changes included an eleven absence-no credit policy, lunchroom prices at one dollar, and no hats in the building. These changes were brought about by the school administration in the best interest of the students and school.

Above Right: An example of the form a student must fill out to appeal credit for a course after eleven absences. *Right:* The New guard at the gate prevents all but seniors from going out to lunch.

Choir: A Trinity Treasure

The Fall Choir Concert was held in the Trinity auditorium with the title of "Say it With Music." A Cappella I and A Cappella II participated in the show. They performed songs with a fall theme. Amy Hickfang, Natalie Warren, and Rachel Wilson sang a Trio which was a rocking success. Solos were performed by Cheryl Blocker, Layne Golden, Kyle Rivers, and Donna Burleson. The concert was professionally arranged and directed by Mrs. Cherrie Townsend.

Yearbook Doubles Pleasure

The Triune Staff started early in the year working on many activities as well as producing the yearbook. College/Career Day Illustrates How to Plan Your Future

On September 25, 1979, representatives from more than 70 colleges and business professions visited the Trinity High School campus to give THS students information regarding their college or career. All the information that these representatives gave was too much for anybody to digest in one sitting; therefore, pamphlets and booklets describing a smattering of college, business, and military related activities and opportunities were distributed for the interested student to read at his or her leisure.

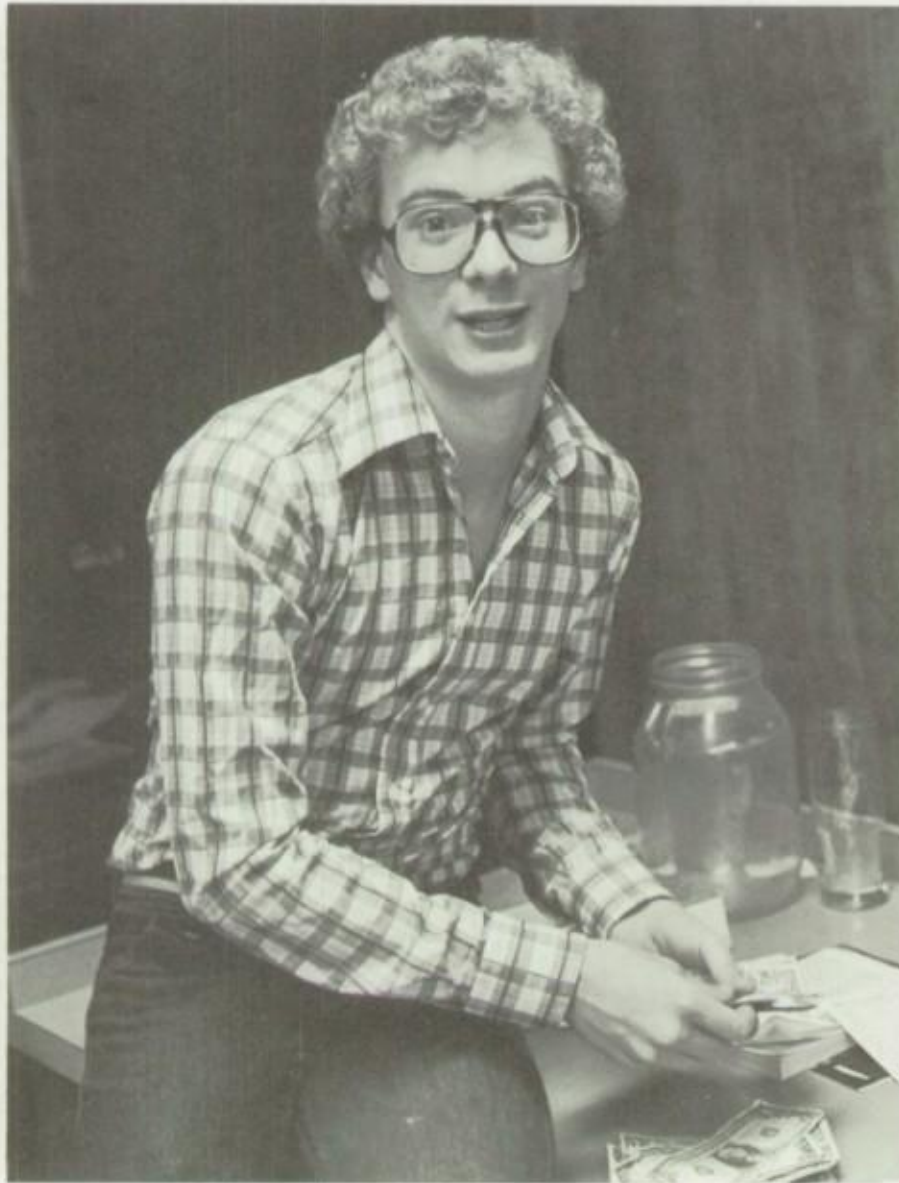

The time period allotted for College/Career Day was divided into three 15-minute periods. Students were given schedules of where particular colleges and professions could be found. Some representatives presented slide shows to kindle interest in their college or profession; others just told a little about their college or profession and awaited the questions posed by the THS students.

The THS campus was the site of a multitude of sales this year sponsored by the various clubs and organizations. There were candy sales, beef jerky sales, glass sales, bumper sticker sales, mini-megaphone sales, Annual sales, fuzzy sales, coloring book sales, and many others. One of the most common sites for these transactions

was inside and around the cafeteria during the lunch periods. Other favorite spots to make sales were the classrooms and the halls. The money raised from these sales provided the clubs and organizations with the necessary capital to further their respective interests.

Trojans Victimize Foes

Richland

In their last non-district game the Trojans upset the Richland Rebels 21-14. The game was well played by both teams, but Trinity came out on top with a last minute touchdown drive aided by two David Pogue to Ricky Askew passes. The Trojan defense performed excellently allowing the Rebels only 198 total yards for the night.

Top Right: Larry Mayfield traverses up the field for yardage while Ricky Askew, *Right*, gets tackled after catching a pass in the final minutes of the game.

Grand Prairie

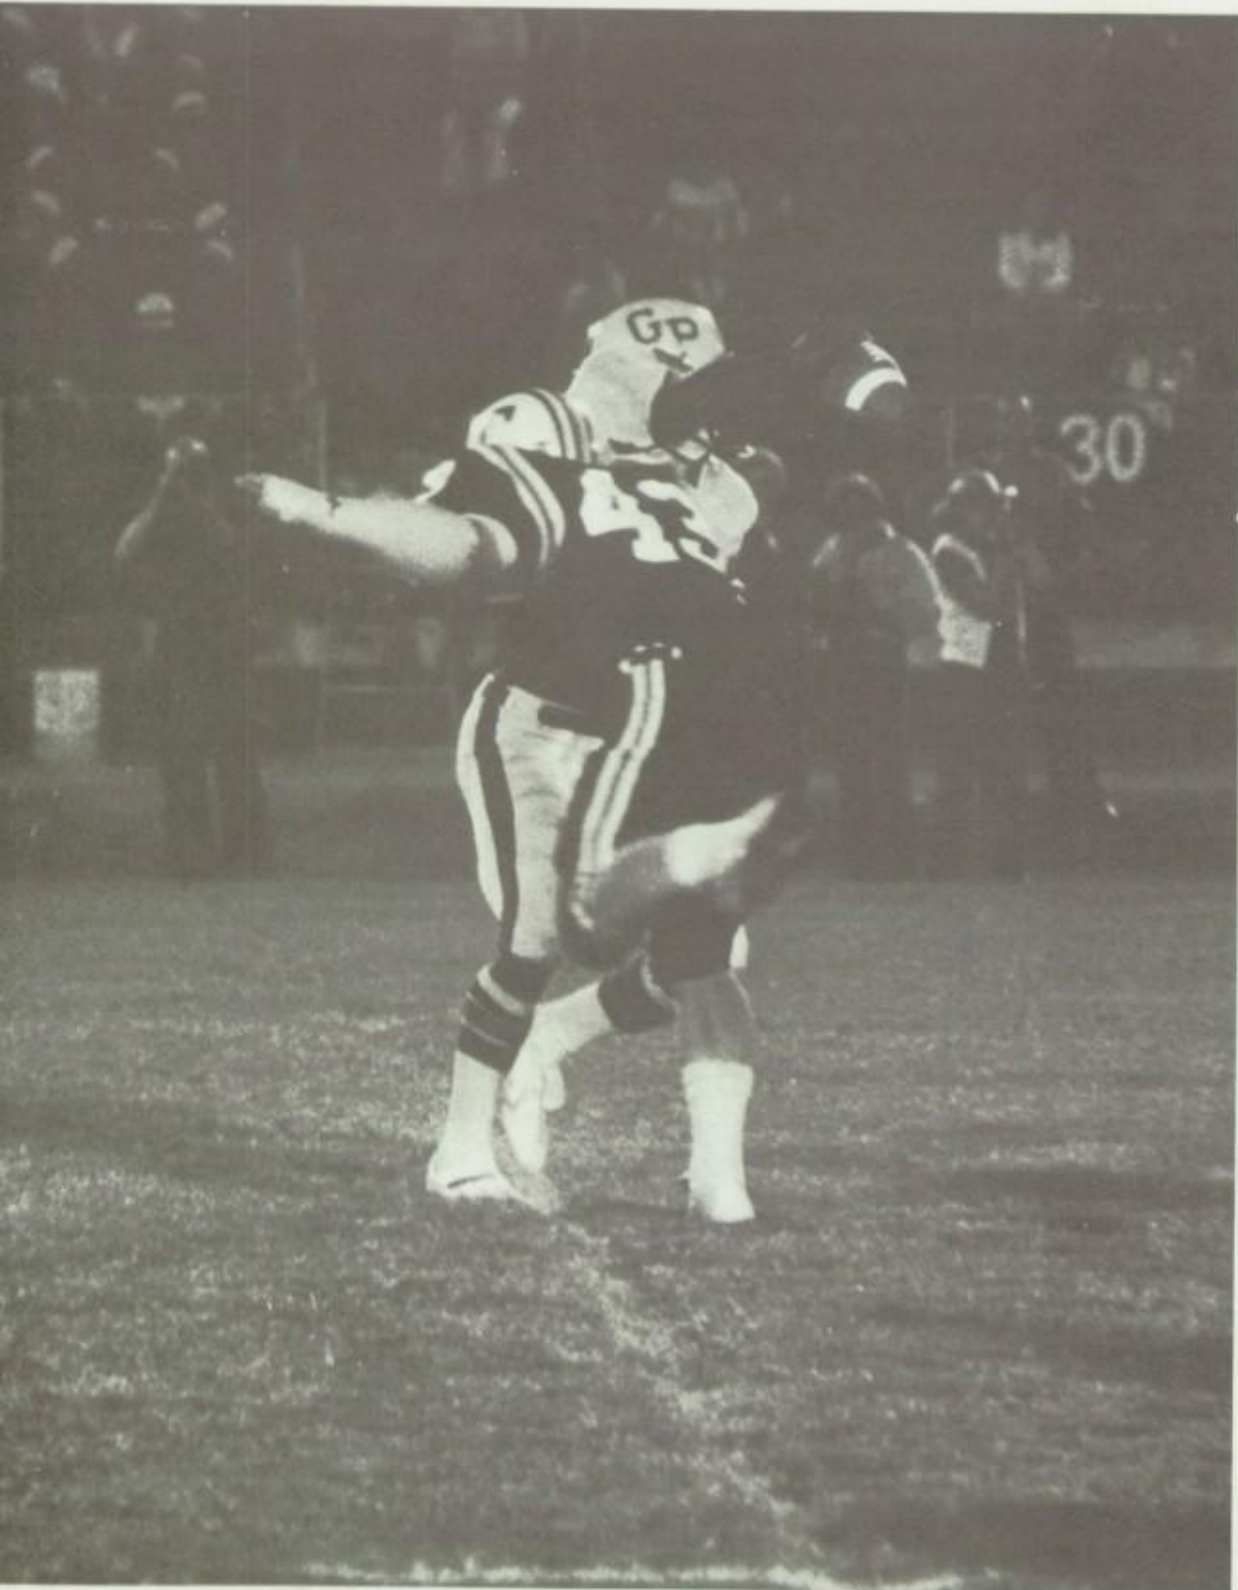

Trinity's 4A-9 district opener was a joyous occasion for Trojan fans who appreciated the 17-7 victory over the Grand Prairie Gophers. The first half was scoreless with the exception of Trinity's three pointer off the toe of Ricky Askew. In the second half, it was the Gophers who scored first to take the lead in the game 7-3. However, the Trojans came back scoring two touchdowns, the second one set up by a defensive fumble recovery courtesy of Phil Washka.

Irving Loss Upsetting

Irving

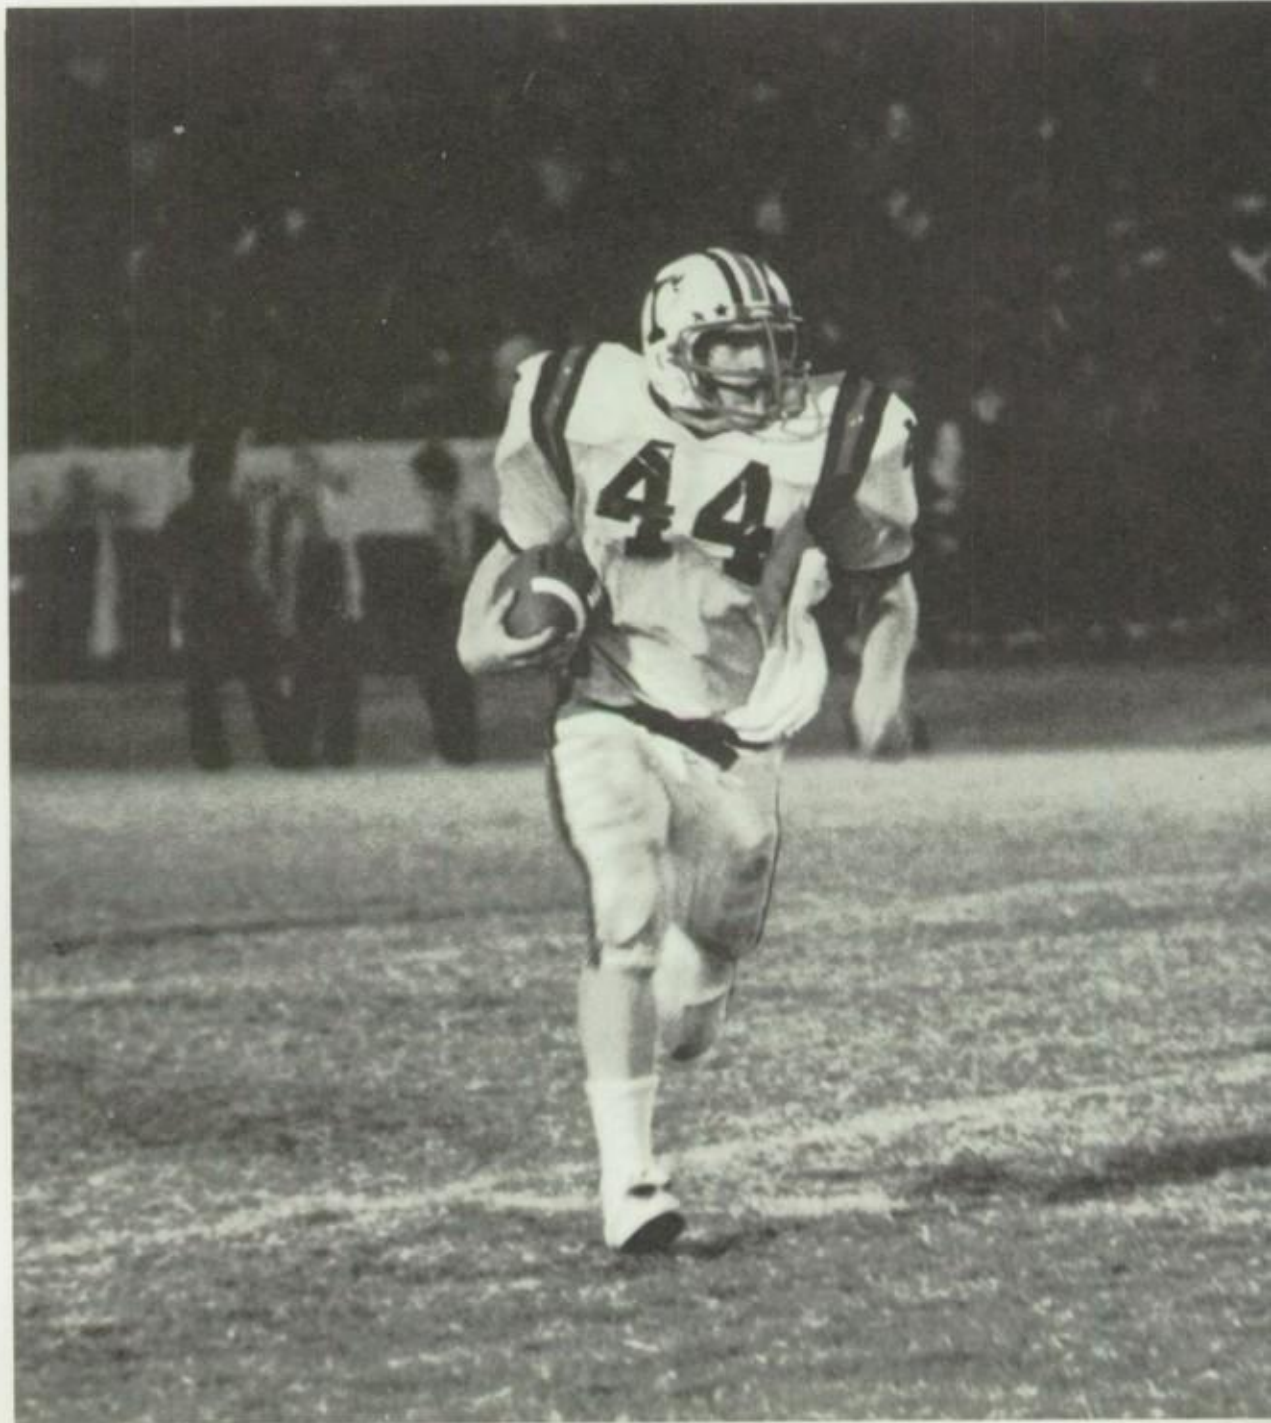

The Trinity Trojan's district record fell 1-1 after being defeated by the Irving Tigers 17-15. Trailing 14-7 late in the third quarter, the Trojan offense scored their final touchdown of the night to take the lead 15-14. However, the Tigers were not through, and after a bruising fourth quarter, the Tigers booted a field goal to win the game 17-15 and drop the Trojan's district record to 1-1.

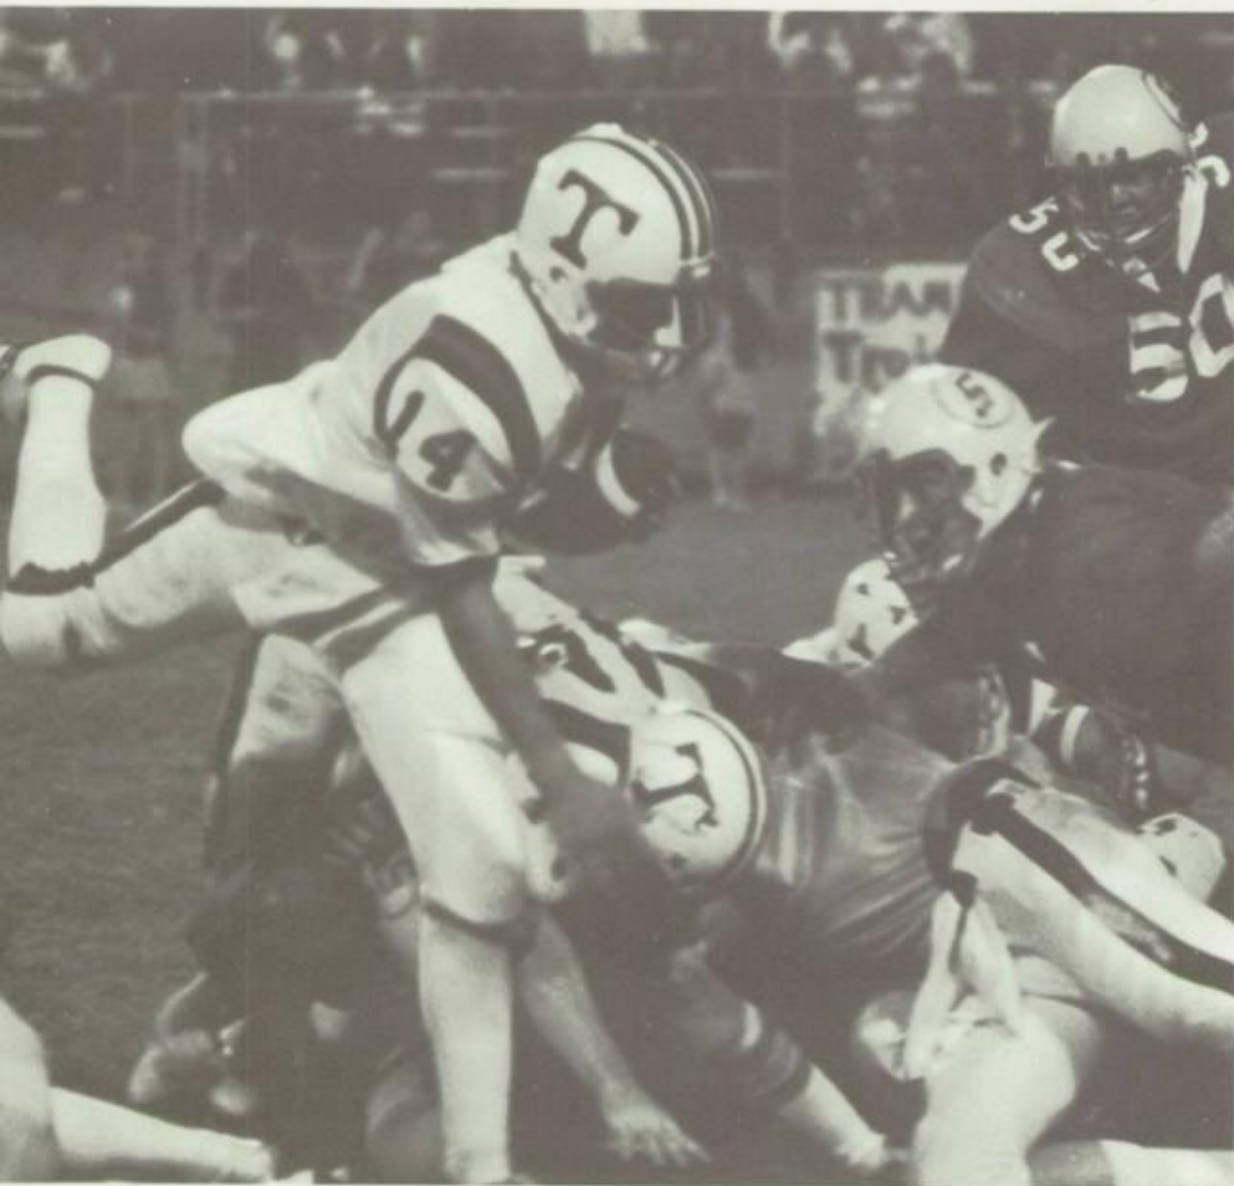

Ball carriers in the Irving game David Pogue, Above, and Larry Mayfield, Right, improve the Trojan's field position on a drive.

South Grand Prairie

A 48 to 7 victory over the South Grand Prairie Warriors gave the Trojans a 2-1 district record and put them in a tie for first place in the district race with four other teams. Offensively the Trojans could do nothing wrong gaining over 455 total yards and scoring seven touchdowns. Not to be outdone, Trinity's defense continually shut down the Warrior's offense and allowed only 163 total yards. The first string defense also held the Warriors scoreless and took a well-deserved rest after the third quarter.

Many groups participated in displaying the Trojan spirit. The cheerleaders and yellmen were very dedicated, being at every pep rally and every game. Without them, the spirit of Trinity would not have been as great as it was.

The drill team was one of the highlights of halftime. The entire group had practice every day, before school, after school, and during first period. Hard work and determination proved the dedication and spirit the girls had for T.H.S.

The spirit club proudly displayed their spirit also. Composed mostly of sophomores, this group was combined for one thing, the Trojans. They, the drill team, and the cheerleaders were what helped the pep rallies to have spirit.

T.H.R., rather known as the Trinity He*! Raisers, formed in the early part of the year, has had a great impact for the Trojan spirit. Always gathered for pep rallies and halftime, they yelled with the cheerleaders, and even made a few cheers of their own. The spirit of these groups was greatly appreciated and helped to pep up the Trojan way of life.

PEP RALLIES: A Spirited Turn Out

Organizations and classes really got involved as they waved giant numbers and banners around the gym. Everyone attended to bring out the Trojan spirit which was evident at all pep rallies. From sophomore airplanes and junior pom poms to senior megaphones. The unity of the student body at Trinity resulted in the excitement aroused at the pep rallies.

Rodeo Rides On

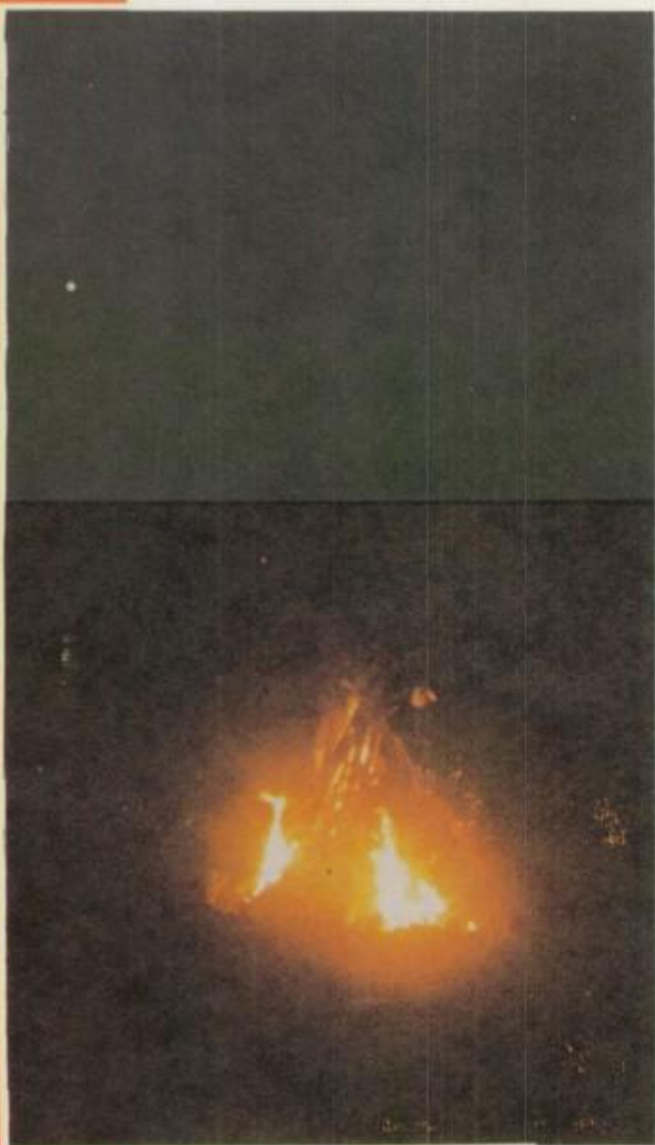

Rodeo is not just another easily acquired talent one could be born with. It takes many hours of practicing and it may be filled with disappointments and frustrations as well. It's not only an exhibition and contest in steer wrestling and bronco busting; it includes barrel racing and bull riding and the T.H.S. Rodeo team has done a great job in each of these events. They represent Trinity as well as any other organization that goes to compete.

Rodeo is a dangerous if not the most dangerous sport Trinity could ever support. Even though they had a difficult time locating a sponsor, they continued to compete with the help of their parents and concerned friends. They stuck together and set out to prove that Rodeo is America's #1 sport.

Above Left: It is very tempting for a bull rider to grab that rope with the other hand, but Craig Huff easily keeps his hand in the air. *Above:* Simply staying on the bull is not the only factor. During the week of October 22-26, the students at Trinity took part in the Homecoming Spirit Week. For each day there was a different event. Monday everyone wore decorated socks. Tuesday was Fifties Day. Wednesday the students wore numerous types of overalls. Thursday was Western Day, and Friday was Mum Day and Red-Black Day.

To top off the Spirit Week, our varsity football team played a victorious game against the Duncanville Panthers. The final score was Trinity 14 and Duncanville 0.

Homecoming Spirit Soars

Many activities took place during the week of Homecoming. Included in these were the parade, and a special pep rally.

The parade took place Thursday evening down Midway Drive. It was held not only to display floats, but to give every organization a chance to show its spirit.

The Homecoming Pep Rally was the climax of spirit initiated by Trinity students. This was a special pep rally; it was a Homecoming Pep Rally. Everyone participated in the pep rally, even ex's from years back.

There were many people who worked hard to prove this year's Homecoming to be a real success.

Dare To Dream

Traditionally the Student Council sponsors the construction of the floats to bring out class unity. For two weeks members of each class gathered at designated areas to work on the float. The first week was spent gathering supplies and preparing for the final project. The last week was used for putting detail to the overall finish.

As the construction came to an end, each class showed their floats for the first time on the mall area of the campus. The winners of the float competition were announced at the pep rally. The Gymnastics Team won among the organizations and the seniors triumphed over the classes.

Trojans Crown

The Panthers And Dawn

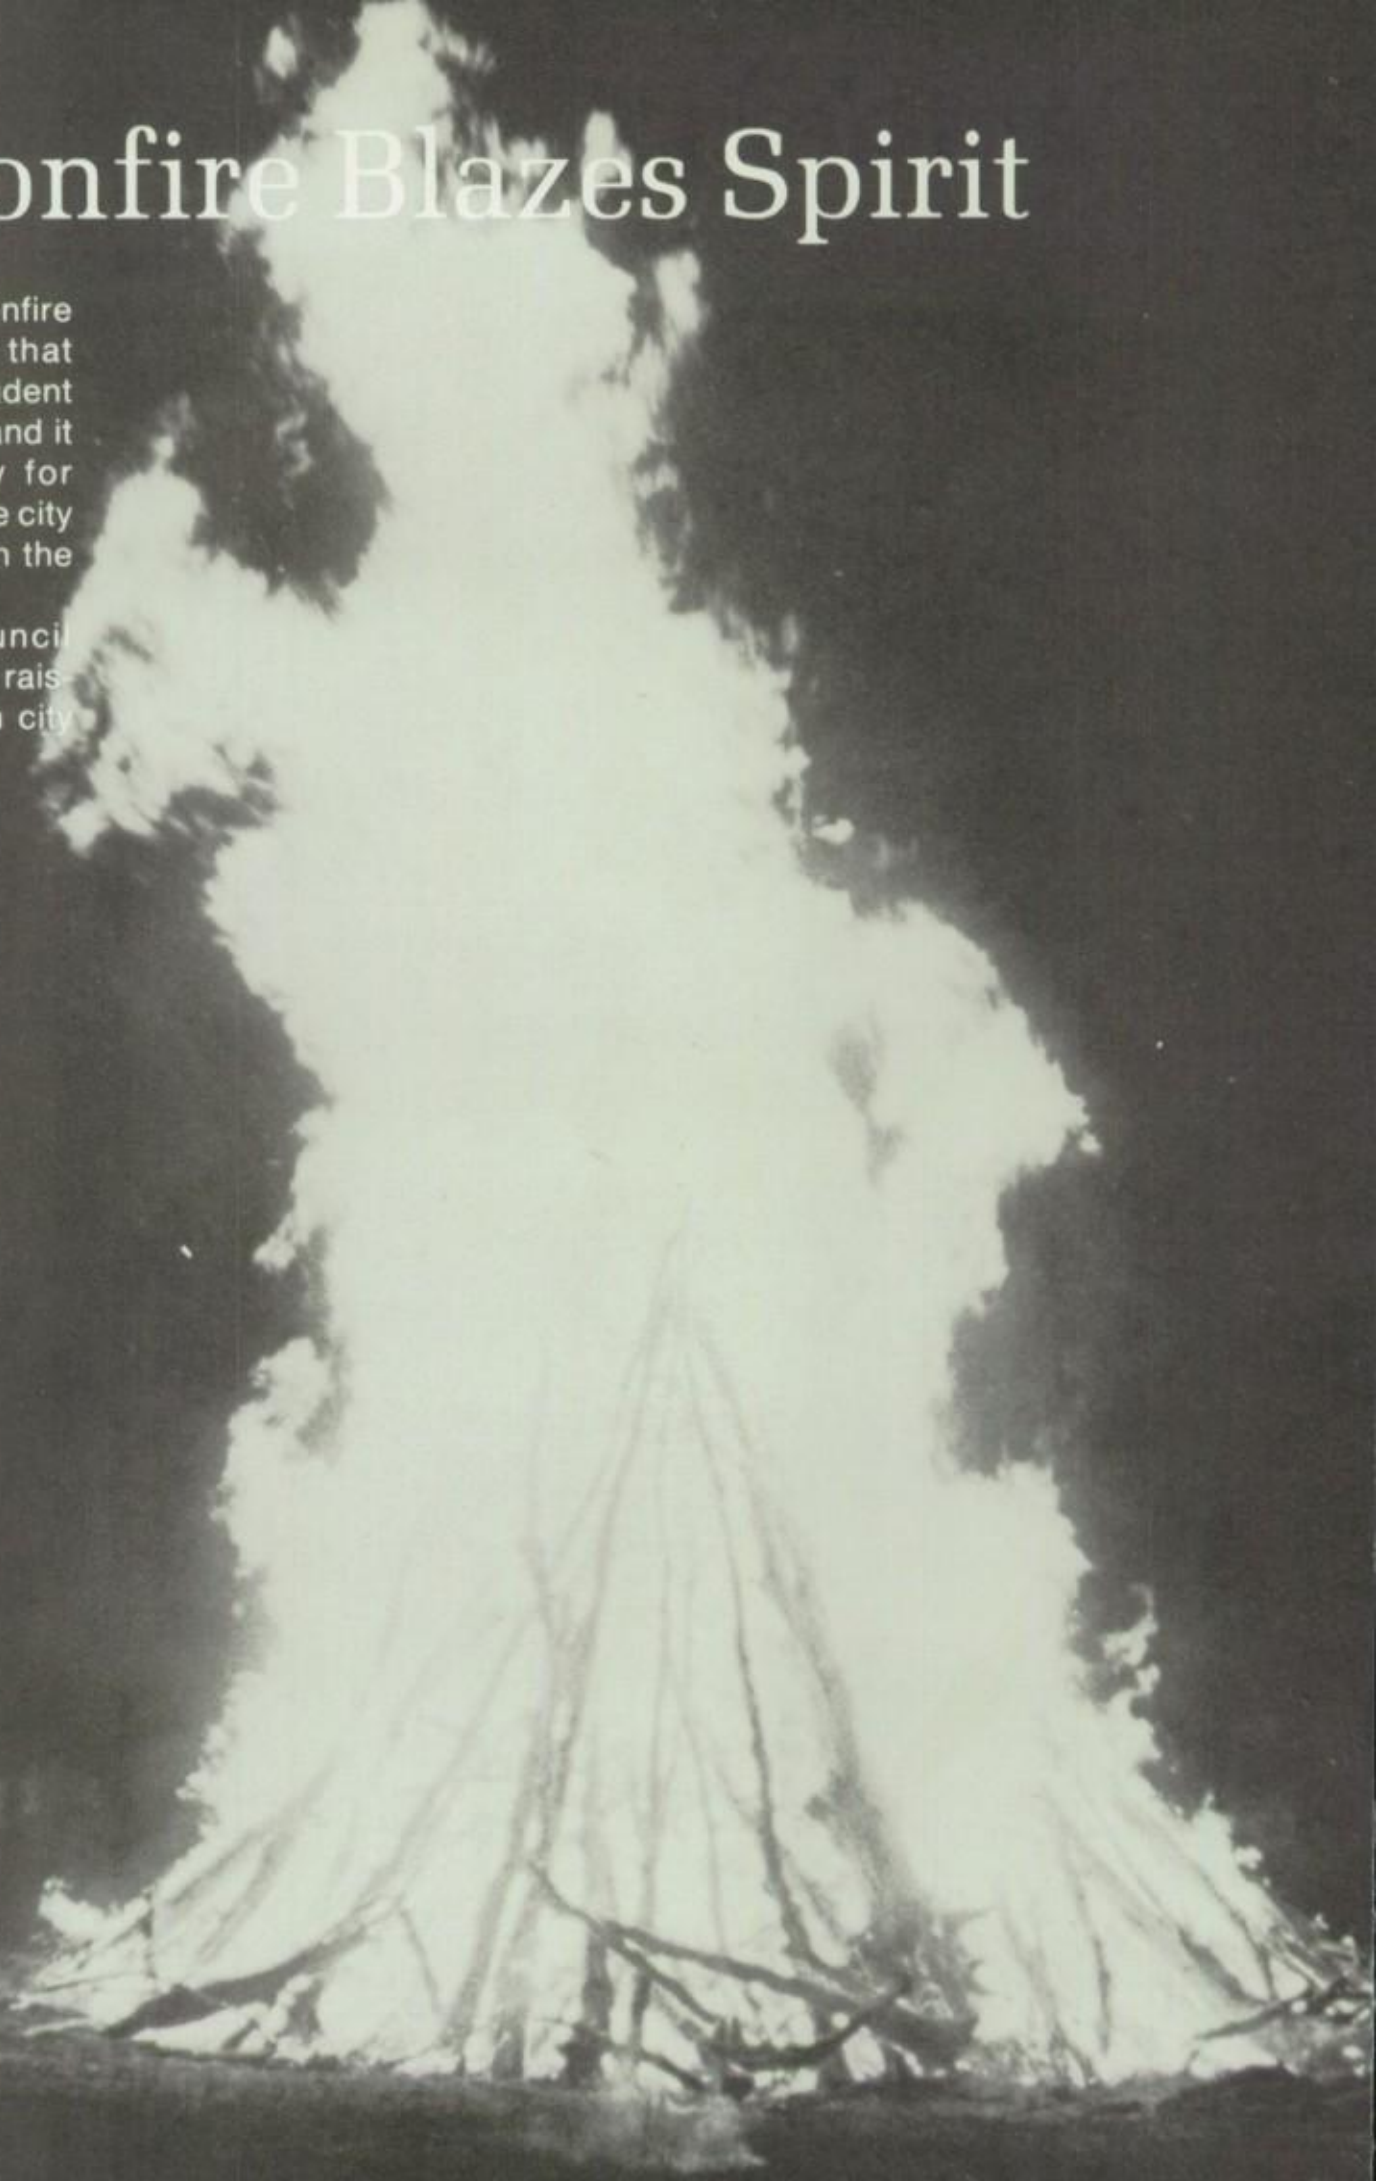

When the Trojans took the field against Duncanville, the air was filled with anticipation and excitement. The stands were overflowed with students, parents, friends, and exes. The Trojan football team proved dominant once again as they rolled past the Panthers to a 14-0 Homecoming victory. At halftime, the band played as the drill team circled around the queen nominees for the crowning. Dawn Monroe was chosen by the student body as the 1979-80 Homecoming Queen.

Bonfire Blazes Spirit

The Trinity Homecoming bonfire was originated the first year that Trinity opened in 1968. The Student Council sponsored this event, and it was carried on traditionally for seven years, until 1975 when the city of Euless prohibited any fires in the city limits.

This year the Student Council reincarnated the Trojan fire by raising the blaze in the Fort Worth city limits.

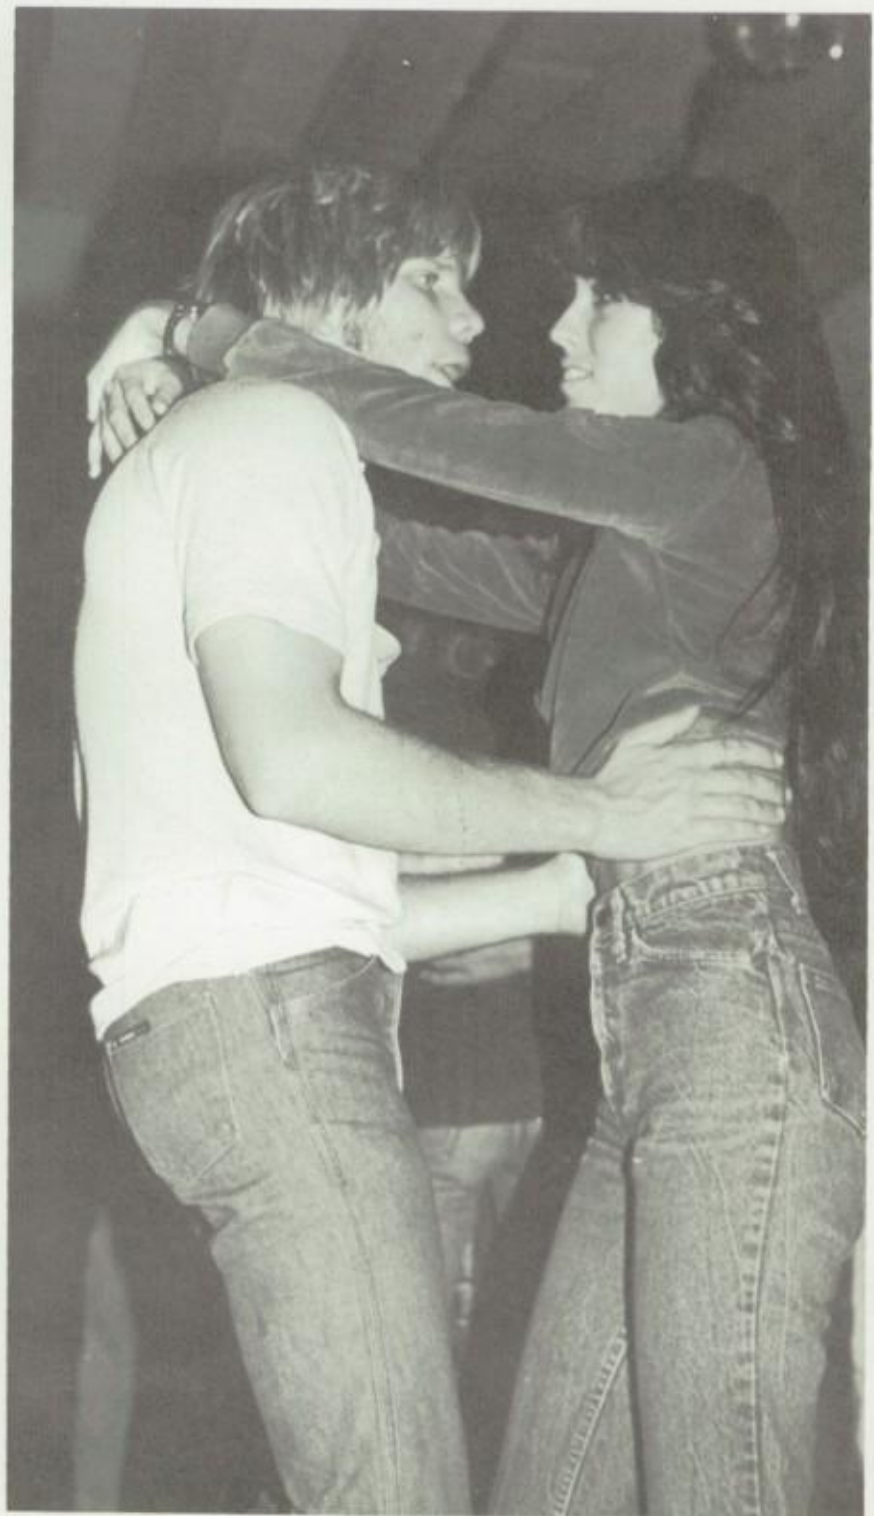

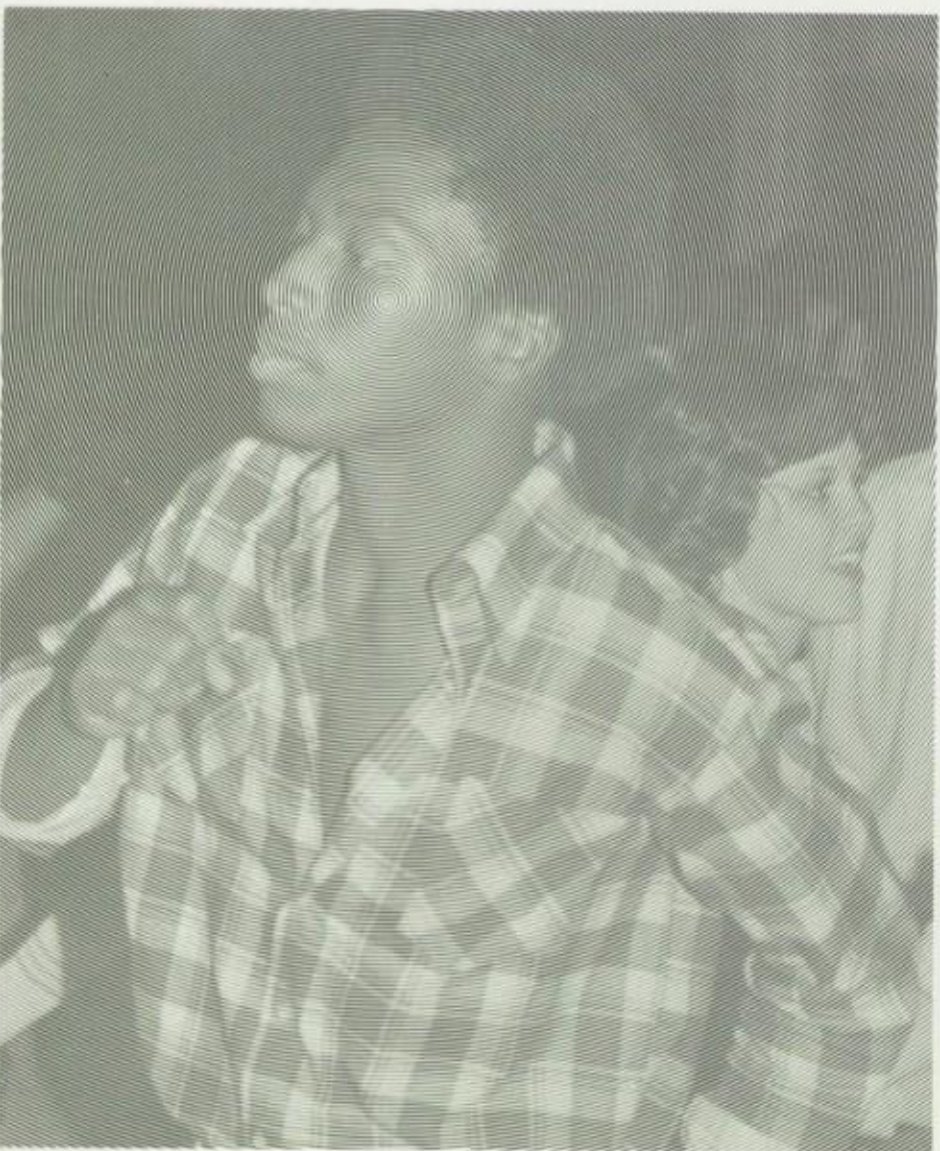

Homecoming Dance Really Smokes

The '79 Homecoming Dance was sponsored by the Student Council and held in the school cafeteria. The Homecoming theme, "Dare To Dream," was effectively displayed through the use of a fog machine. Disc jockey, Craig Bandy, provided the entertainment with all of the popular disco hits.

Clubs and organizations, a part of Trinity, have been around for a long time. Many people joined each year and each club did their own thing. To be in a club was to be a Trojan. Some examples were F.B.L.A., Spanish, French, and Chess.

F.B.L.A., Future Business Leaders of America, really knew their business. They helped raise money for their club through such things as an extensive candy sale, and by sponsoring a dance, during football season, with the theme of "Love Boat." Also, they went to a district business convention in the latter part of the year.

Spanish, one of several different foreign languages offered at Trinity this past year, was very useful to everyone, especially seniors who planned ahead for college. This club, along with French and German, got together for their annual tri-language dinner which was a big success. The Spanish Club also had a candy sale, as did most of the other groups.

French, another one of Trinity's languages, had the same common interests as Spanish. Besides their tri-language dinner and candy sales, they, along with Spanish, sold T-shirts that represented their club as being a great club. Also, both clubs went to a language festival which was a major event in the year.

Chess, a newly formed club, was going strong through the major part of the year. Meetings were held on one Friday a month. The members played as if in tournaments. Not having school chess sets, the students had to bring their own to play. These matches were to determine the better players in the club. All of these clubs and organizations helped to make Trinity what it is.

Band Marches Superior

This year U.I.L. Marching Band Contest was held at Birdville Stadium where the Trojan Band received their tenth consecutive superior rating of I. The band started rehearsing early in August from 7:00 to 11:00 a.m. every morning. When school began, they rehearsed every day first period and from 2:45 to 5:00 on Tuesday and Thursday afternoons.

The long hours of rehearsing and a lot of dedication made the THS Marching Band fantastic in every respect.

THS Places Highest in Orchestra

All Region Orchestra was held this year at Southwest High School in Ft. Worth. Trinity placed the most students in the Orchestra with 15. Tryouts were based on the preparation of three pieces of music played in front of three judges. Those chosen taped their music for state orchestra tryouts.

Cross Country Takes

The girls cross country team, although small in number, packed a powerful punch in competition. Running at such places as Trinity Park in Fort Worth and S.M.U. in Dallas the girls had many high finishes. With three returning sophomores and two returning Juniors the girls should have an excellent team for next year.

Long Way Home

The 1979-80 boys cross country team had a very successful season for only their second year to compete in district 4A9. Led by seniors Scott Alvord, John Gagan, and David Baurle, the team placed second in District and earned a chance to run in the regional cross country meet. Hard summer workouts aided the runners who competed in late September and October.

Trojans Tromp Nimitz

The field day against the Nimitz Vikings kept Trinity's hopes alive for the 4A-9 District crown. Larry Mayfield out with a sprained ankle was replaced by Hans Dube who added sixteen yards to the rushing effort as well as many key blocks.

The Trojans drove fifty-five yards for the first touchdown with David Pogue taking it in. Ricky Askew kicked the point after to make it 7-0 with seven minutes left in the first quarter. The rest of the game was downhill for the Trojans.

Matt Skinner led the rushing with sixty-six yards and two touchdowns. Eddie Monk added forty-two yards and one touchdown and Pogue added another touchdown. A fine defensive effort gave the Trojans a two-point safety after a blocked punt by Brad Boring. The tireless effort by the Trojans led to a 36-0 victory over the Nimitz Vikings.

Right: David Pogue goes in for the score untouched. Below Right: Ricky Askew catches a touchdown pass. Below: Scott Schrang prepares to stop a Nimitz ball carrier.

Trojans Trim McArthur

The Trinity Trojans rallied from an early 12-0 McArthur lead to claim a 21-8 win over the Cardinals. The Cardinals cashed in on two early Trinity fumbles and were driving for a third when stopped at the Trinity ten by a Steve Fazende interception. Trinity's David Pogue took the Trojans seventy-six yards downfield for the Trojans' first score. With 3:13 left in the half, a blocked punt by Steve Fazende with Randy Swain picking it up and going in the end zone for a score gave the Trojans a 13-12 lead at the half.

Trinity's first possession of the second half gave them another six with Pogue taking it around right end for the two point conversion. Trojan defender Larry Epperson recovered a fumble in the Trinity endzone stopping a Cardinal drive. Pogue fumbled it right on the next play with the Cardinals taking an easy six. However the Trojans defense dug in and held the score to give Trinity a 21-18 win over the McArthur Cardinals.

Disco Fever

While "dancing fever" is cooling in other parts of the country, the temperatures have just begun to rise on the T.H.S. campus. The cafeteria was the site of many disco-filled nights as students gathered to celebrate a glorious victory or accept a gracious defeat.

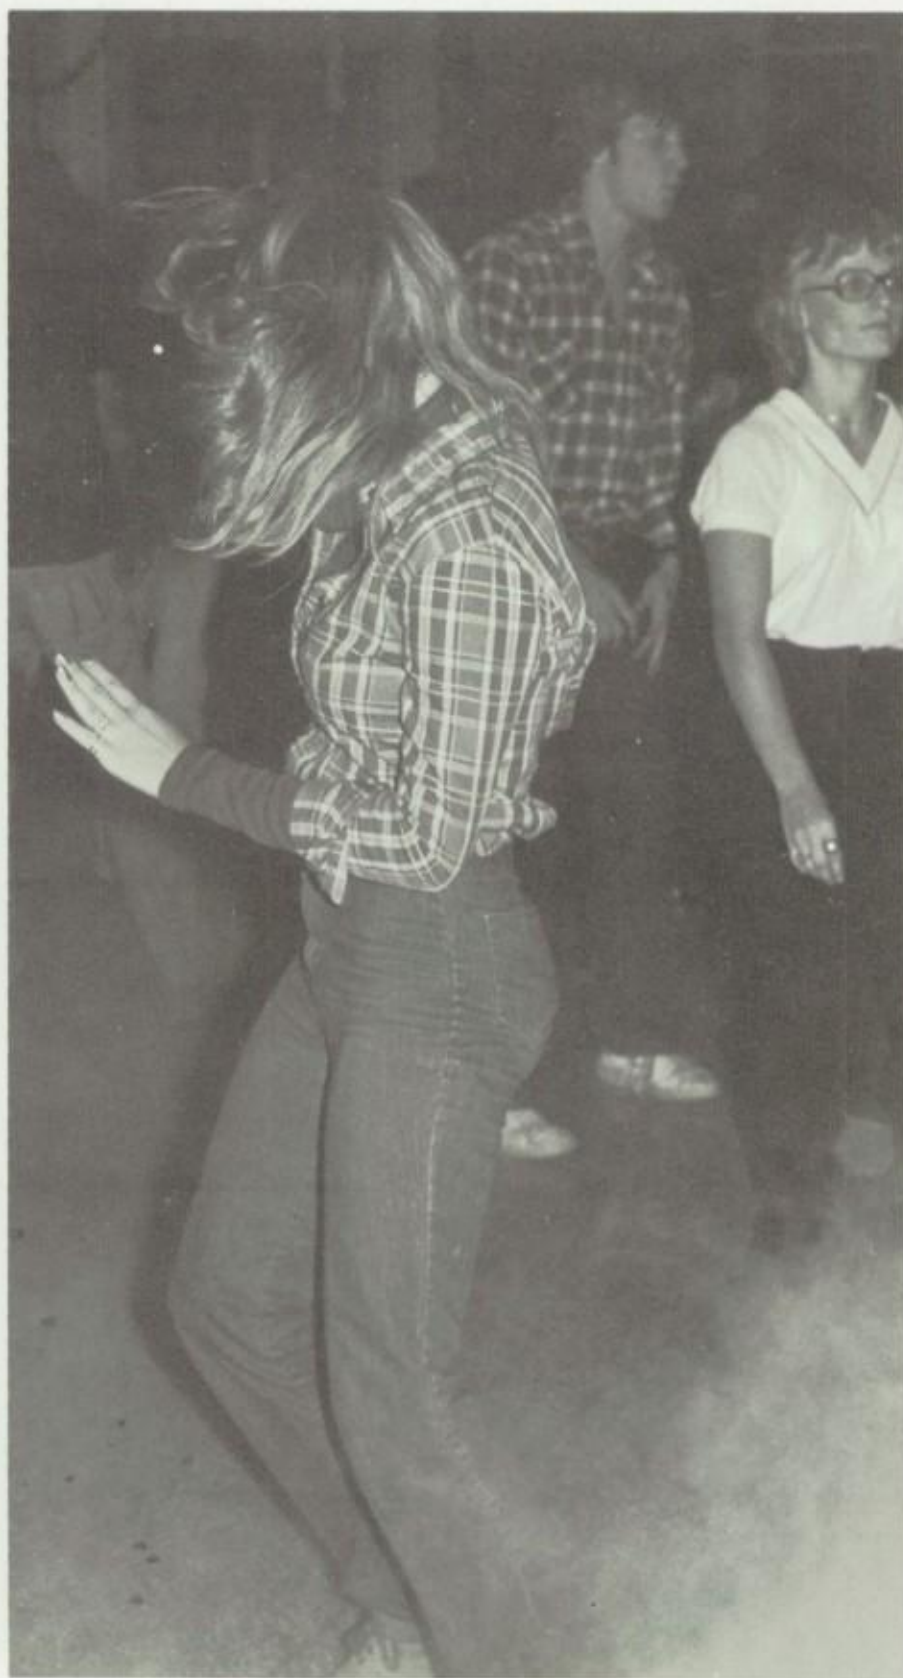

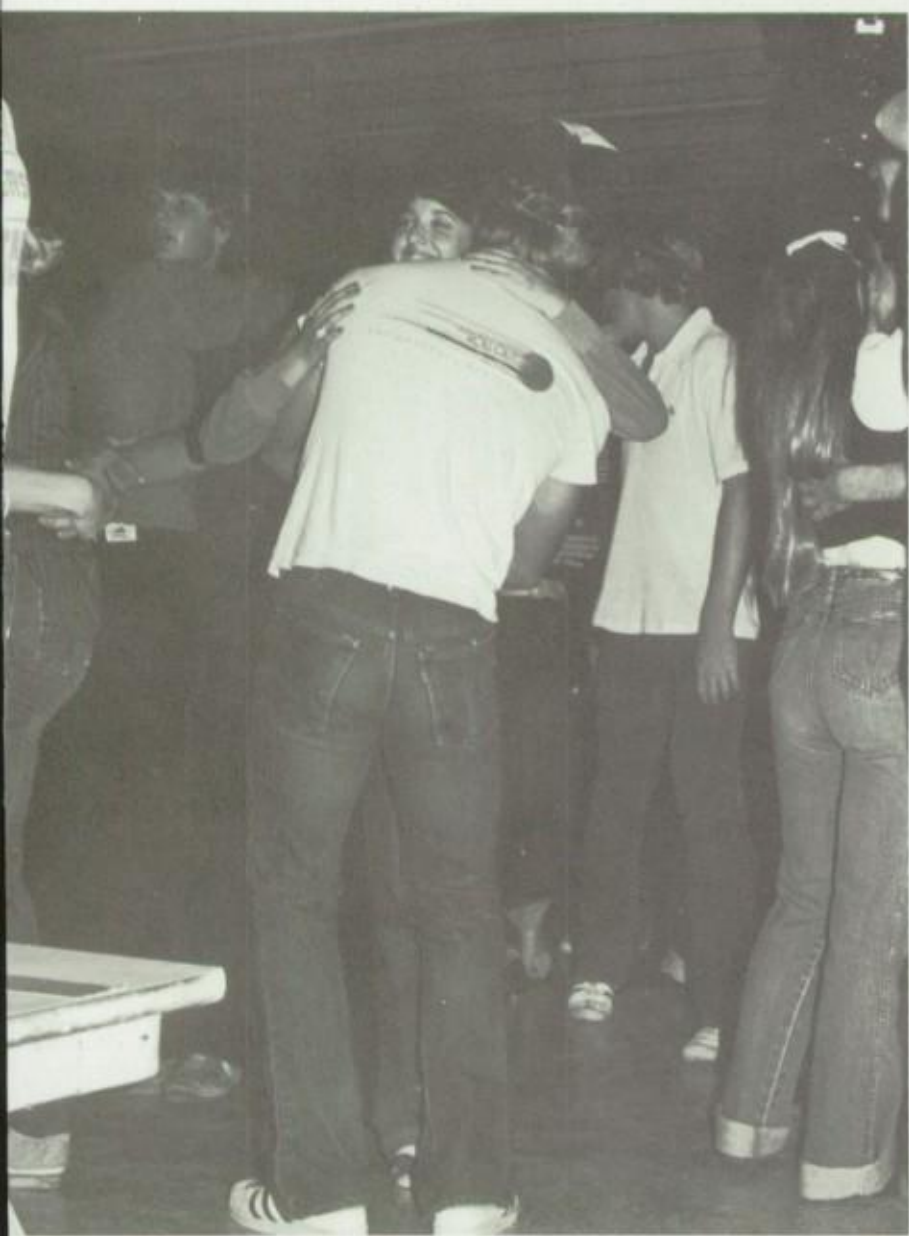

The dances this year were sponsored by various organizations and each had a different D.J. present to "spin the turntable" with everything from easy going country to hard hitting rock-n-roll. These events were big money-making projects as well as providing a chance for **everyone** to get together and show how they "do it."

Soccer Kicks Off

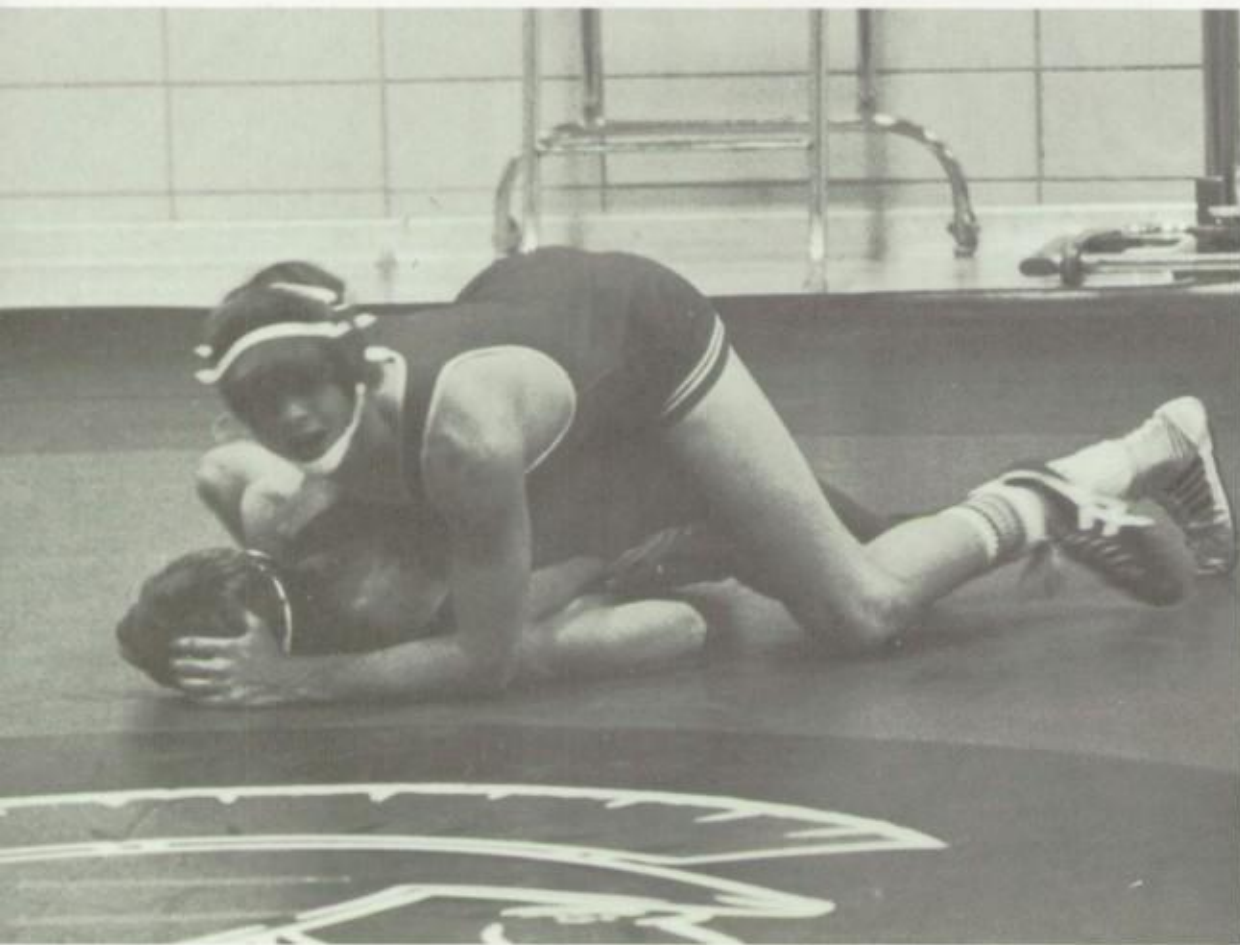

Soccer is a fast growing sport. Entering its third year at Trinity, the team showed great improvement and promise over the last year. They met many of their goals set early in the season. They increased participation and involvement as both students and players. They also experienced and developed new skills, which led them to a successful and victorious year.

Wrestlers Tackle Competition

Trinity's wrestlers pulled out another winning year. The team is only three years old, but they have come a long way. They started out with volunteer coaches who were the interested students' parents. They now have their own coach who lead them through a triumphant year. They started with a hope and have become state ranked to provide just one more winning tradition for Trinity.

Trinity Trojans Spell Out Spirit Against Bell

The week before the Bell vs. Trinity game, was one marked with gala events. These events helped raise the spirit at Trinity to an all time high.

The week started out backwards with everyone wearing their clothes backwards. Tuesday was Toga Day and everyone went Greek with the idea. Other days included Gross Out L.D. Bell, Blackout L.D. Bell, Paper Mum and Red-Black Day. All of these fun-filled days not only raised our spirit, but they also filled our team with the hope and ability to win the L.D. Bell game.

J.V. Starts Festivities

The Trojan B team started the season with the hope of having a 4A-9 District title to their name. They played ten hard fought games losing only to Highland Park early in the year.

As the season was narrowing down the Trojan B team looked upon the big game against their arch rival the Bell Blue Raiders. With the help from Scott Adams and Bruce Keffer who ran for the first two touchdowns and the great passing from Brian Michelson to Michael Patak and Steve Priddy for the last two touchdowns, Trinity's B team beat Bell 24 to 6. This gave Trinity a 7 win and 0 loss in District for the season.

With the great coaching from head coach Steve Lineweaver and his assistant coaches Dale Jackson and John Townley, the Trojan B football team had their hopes become reality ending the season with the glory of a 4A-9 District title for the second consecutive year in a row.

Right: Rod Parker breaks into the open for a long gain in the victory over Bell. Below: Trojan defensive attack proved effective against the L. D. Bell Blue Raiders.

Pep Rally Promotes Spirit

The most exciting and most outrageous pep rally this year occurred when the Bell Blue Raiders were next in line to play the mighty Trojans. Outstanding performances were made by the Troy-anns, the Flag Corps, and the Twirlers. The cheerleaders showed slides of the student body activities around Homecoming. The Juniors won the spirit stick and the football guys showed their spirit by tearing Bell up, a dummy that hung from the ceiling. Through all of this the student body displayed more unity than ever shown, in the singing of our Alma Mater that gave our guys the pride and spirit they needed to help beat Bell.

THS Snatches District Crown

A narrow 9-7 victory over rival L. D. Bell was the deciding factor in the 4A-9 district championship. The Trojans entered the game in a four-way tie with Irving, Grand Prairie, and Bell. The victory over Bell clinched a berth in the Bi-District playoffs for the second time in four years.

There were many outstanding plays, but the key to the victory was the sacking of Bell quarterback Robert Doucet by Scott Schrang, Brad Boring, and Lonnie Batchelor. Only minutes remained as the fans eagerly watched the Trojans fight for the District Crown.

Trojans Share Tears of Joy; Anticipate Playoffs

After the narrow victory over Bell, the 1979-80 District Champs met in the Pennington Stadium locker room to celebrate their victory and to plan for the upcoming playoff games. Strategy and sheer intent seemed to be the outline of the game plan as it had been all season.

Trojans Tree Tigers 14-13

On Saturday, November 24, Texas Stadium was lit up in honor of the Trinity Trojans and the Corsicana Tigers for the Texas 4A bi-district play-offs.

Trinity's first score came on two yard run by Larry Mayfield. The run also put Mayfield over 1000 yards for the season. The Trojans seemed to dominate the whole third quarter and at the beginning of the fourth quarter apparently put the game away with a two yard David Pogue touchdown run.

Halfway through the fourth quarter Corsicana was threatening and hit a "Hail Mary" pass to bring the score to 14-13. The Trojans then denied the Tigers the two point conversion. The defense played an important factor in the game with two interceptions by Jimmy Corder and a game-saving interception by Phil Waschka to preserve the Trojan victory.

Brand Longhorns 14-0

Trinity Who? That was the question asked by the W. T. White Longhorns and answered by the Trinity Trojans in 4A Regional play. The Trojans came out hitting right from the start as Matt Skinner took the opening kickoff from his own nine back to the White 30.

Larry Mayfield who rushed for 117 yards, scored on a four-yard run to put the Trojans ahead 7-0.

Late in the 2nd quarter David Pogue called for the halfback pass and Matt Skinner launched a perfect strike to Ricky Askew in the end-zone. In the 2nd half the Trojan offense was stymied but the defense was fresh. The Trojan defense put down the only White scoring threat stopping the Horns on the one yard line.

Cats Crush

One step away from the Texas State High School Football Championship, the Trinity Trojans ended a season envied by all lesser teams in the state. The defending Regional Champs attempted to defeat the Temple Wildcats, soon to be State Champions.

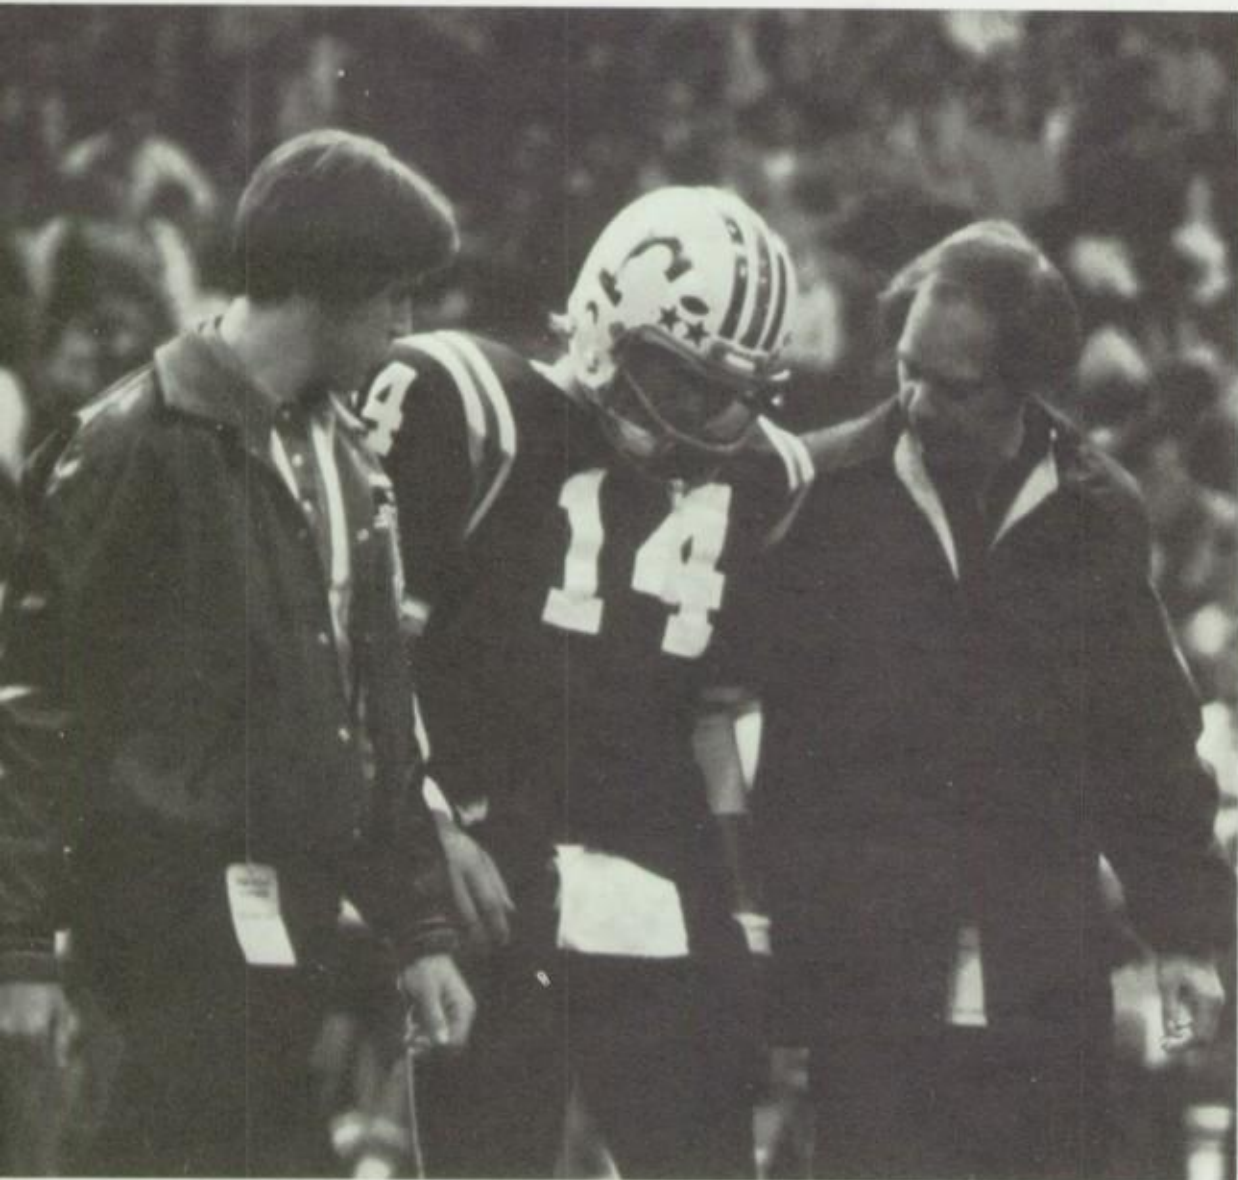

The Trojan offense penetrated deep many times but were only able to rack up three points against the Temple line. The field goal was kicked by Ricky Askew after Temple's 270 pounder Eugeng Williams stopped Larry Mayfield just short of the first down deep in Temple territory.

Overall, the Trojans exemplified their talent on the field, but not on the scoreboard thus ending a football season that will last in the minds of all the players and fans.

Cagers Off to Good Start

Good size and experience was the key to the successful 1979-80 Trojan Basketball Varsity. Experience ranged through the starting five as well as the good depth the team possessed. Returning Seniors Travis Thomas, Barry Wethington, Todd Hale, Jim Abee, Ricky Askew, Bret Henderson, Todd Glenn, Chris Johnston, Mitch Johnson, Steve Ragon, and Brett Hunter provided the experience for the Trojans while Juniors Mike Moore, Steve Cook, and Gary McCloud provided, the depth and strength for next year's team.

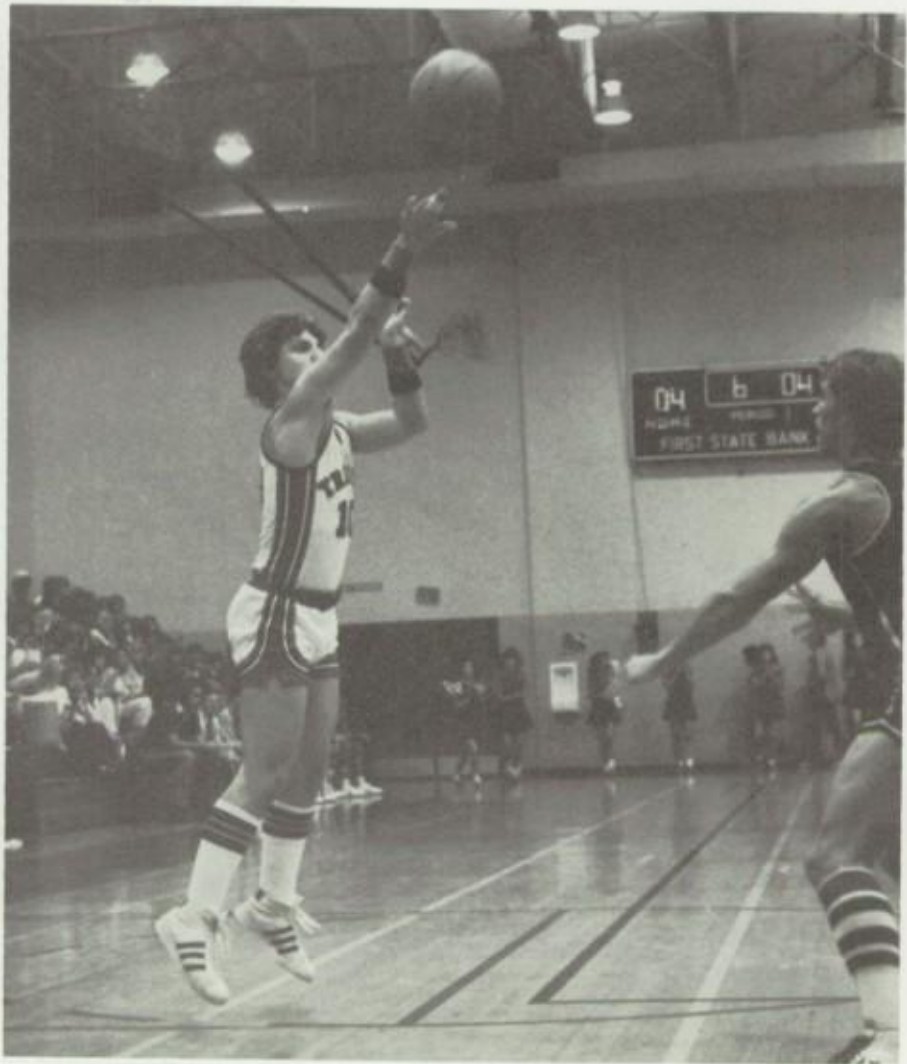

The Trojans' size was a big factor in their season play with four of the five starters having 6'3" height or better. Size, experience, and outstanding talent gave a good season for the team. The Trojans Basketball Team was under the direction of new coach Paul Ingle.

n Hope of Thanks

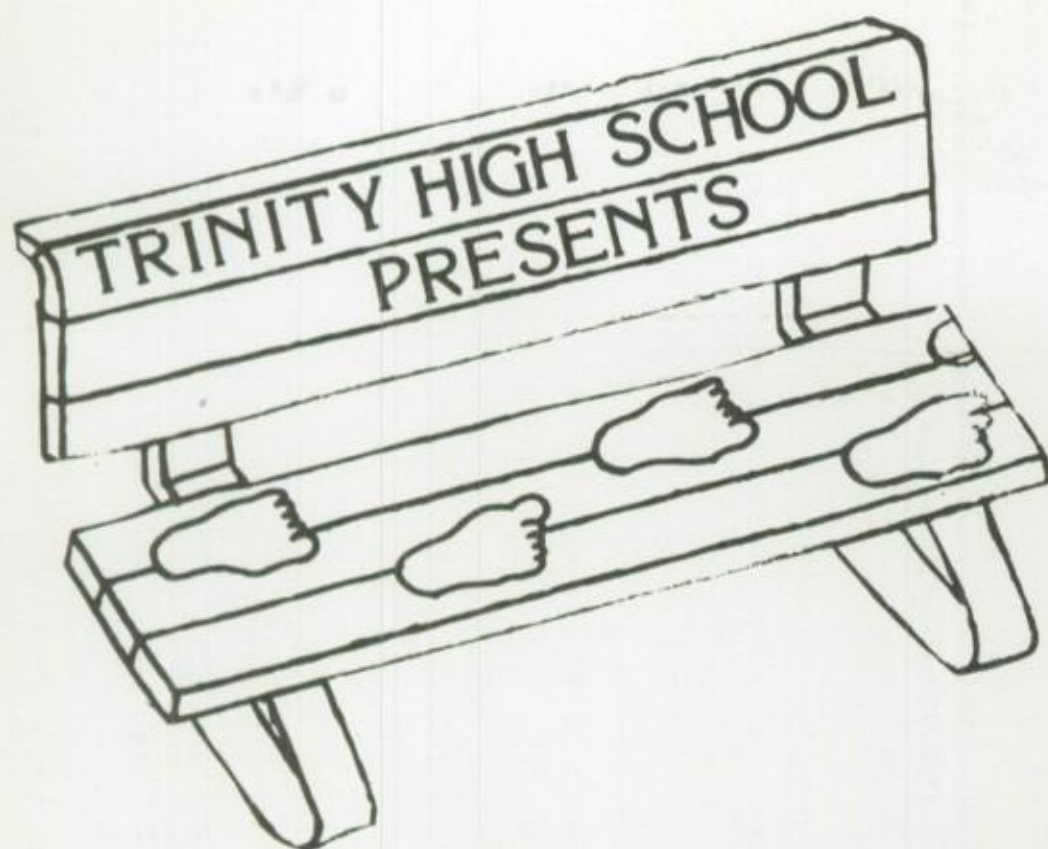

As the situation in Iran continued to become worse, the students at Trinity showed their concern for the American Hostages in Iran by displaying yellow ribbons, the color of hope, around trees on the Trinity campus.

The members of F.H.A. traveled the community tying yellow ribbons on trees in honor of the hostages. The ribbon was donated by Dee's florist. Numerous students gave money donations to help out the situation.

Pre-Season Prepares for District Action

The Trinity Trojan basketball team continued its winning season with defeats over Jim Bowie High School and Bishop Lynch. The continuation of the successful season was a result of excellent shooting ability from the starting five, but the support from the bench also was excellent when needed.

Until the quarterfinal football loss

to Temple, Trojan fans had not yet fully began to support the team. However, after the loss, the fans began to show up, and it appeared as if the Trojan fans would have something to cheer about. The win over Bishop Lynch was the Trojan's fourteenth of the season, while their losses were only two in number.

Band Members Take-In Air

As usual, the Trinity Band members took over placing 30 in the Region V All-Region Band and 16 in Area. Many hours of practicing were put in by devoted members of the Band. Members of the All-Region Band got the opportunity to try out for Area, which enabled one to try out for the All-State Symphony or Band.

Region Band try-outs were held at Brewer High School. Area candidates continued on to S.M.U. to try their luck at All-State Band. The All-Region concert on January 15th at Mansfield was free to the public.

The donation of 225 pints was deeply appreciated by Carter. The faculty and the student body were a tremendous help with the giving of this precious gift. As some say, giving blood is literally the gift of life.

Gymnasts "Layout" a "Full" Year

The Trojan Gymnastics Team got their season underway this past year with its annual red-black meet. This meet was an intersquad scrimmage, to prepare the team for the long, hard season ahead. The Trojan acrobats travelled as far as Austin to compete in many successful dual meets, and to the Texas State High School Gymnastic Championships on April 18 and 19 in Denton.

Rodeo: Year-Round Sport

While many of the sports at THS last for one short season, Rodeo continues the entire school year. Each high school in the district sponsors a rodeo with entrance available to all rival schools. Trinity held its annual rodeo in March this past year. During this three-day-event their Queen, Doreen Zaremba, was presented, and the team competed against other schools and brought back many winning scores.

Swimmers Stroke With Ease . . .

This year's swim team was lucky enough to be given a new coach along with several new and talented swimmers. Coach David Stroble and the new swimmers teamed up with our old swimmers to make the team that much better. New ideas and plans helped improve the already strong Trojan team.

The swimmers at Trinity had a rather hard day. They were up at five-thirty in the morning to go to workout that lasted until school began. Most of them, after workout, would go home and eat breakfast. After breakfast the swimmer could look forward to a long day at school, after which they had to work out again. The hard work, long hours and true devotion on the part of the swimmer would prove to pay off.

The swim team won district. Many of the swimmers showed potential for going off to the state meet in March. This combined with the addition of Coach Stroble made a good year for THS swimming.

As Girls Dribble to Please

Another year of winning prevailed over Trinity's girl's basketball team. This was their third year and another successful one at that. The team displayed discipline and determination. This was shown through their devotion for getting into top physical condition and learning new playing skills. The new skills were used to help make it another great year for Coach Dan Beckelman and his girls. The team has come a long way since its first year at Trinity.

Joy of Season

Music fills the heart with joy and warmth during the holiday season and the Christmas concerts presented by the Choral and Band departments accomplished that goal.

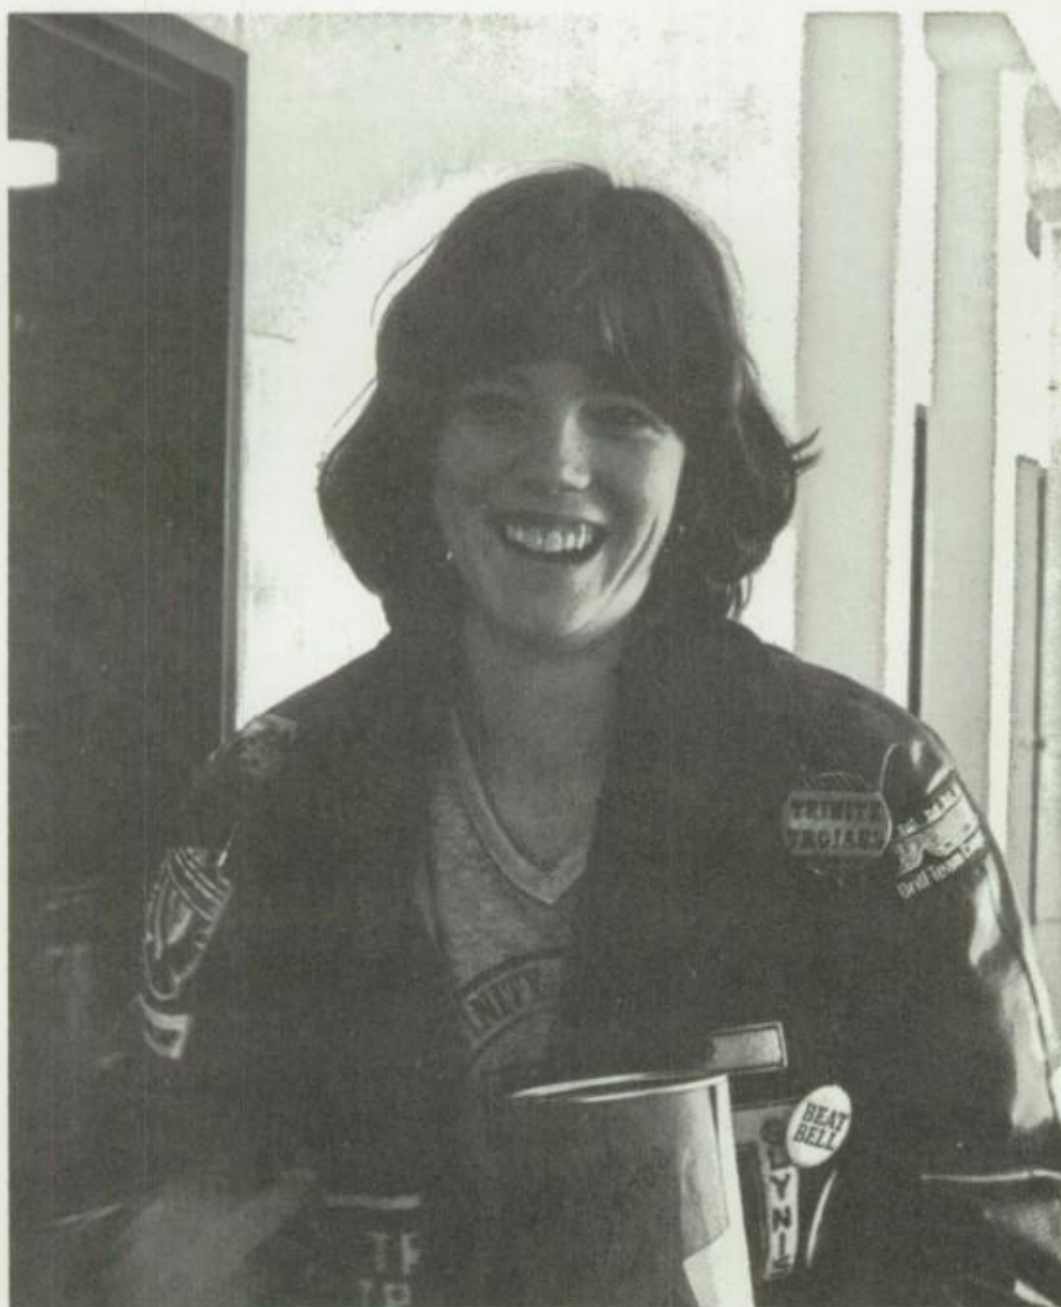

The Trinity and Bell Choral departments combined, presented the Christmas Oratorio by SAINT-SAENS at their Christmas Concert this year. The Fort Worth Symphony Orchestra provided the orchestration while professional soloist Joan Wall performed three selections for the audience's enjoyment. The A Capella I and II Choirs combined to sing the chorus for the selections.

The Band Christmas concert was performed by a joint effort of the Symphonic and Concert bands. The Symphonic band performed more difficult selections such as *Pat-A-Pan*, *Molly on the Shore*, and *Planets 1st movement Mars* while the Concert Band presented more traditional Christmas songs like *Another Christmas Coming Soon*, and *Christmas Music for Winds*. Mary Rollings was chosen as Sweetheart by the popular vote of the combined bands.

How To Be . . .

1 To be a teacher demands great desire to help others and in order to keep yours and your students' sanity, you must have a sense of humor as well as that of Mrs. Keller Johnson.

Four years of a college at a reputable institution is very essential. You must receive a degree of excellence in the subject field you plan to teach.

3 Student teaching will usually be the first encounter at teaching before a real class. If you make it through this, you're ready to look for the long-awaited job.

Writing a resume along with your picture, requesting an application form, filling it out, and asking for a personal interview, are among the things done in order to be a teacher.

Hard work, talent and determination make a good tennis player. This along with experience and a concerned coach like Coach Hopkins, developed the great tennis team this year. The THS tennis team had a good year and were very successful at the tournaments held in various cities. Almost every day fourth and

fifth period one could see tennis players from Trinity out on the courts practicing, and if you didn't see them outside, they were inside jumping rope and working out. The whole THS tennis team was dedicated, and it showed in their many accomplishments.

Honorable Clubs Show Life

If you like fun filled action, pies in the face, goldfish eating, games, and refreshments then you should have been part of Trinity's Young Life, for these activities took place each Monday night throughout the year.

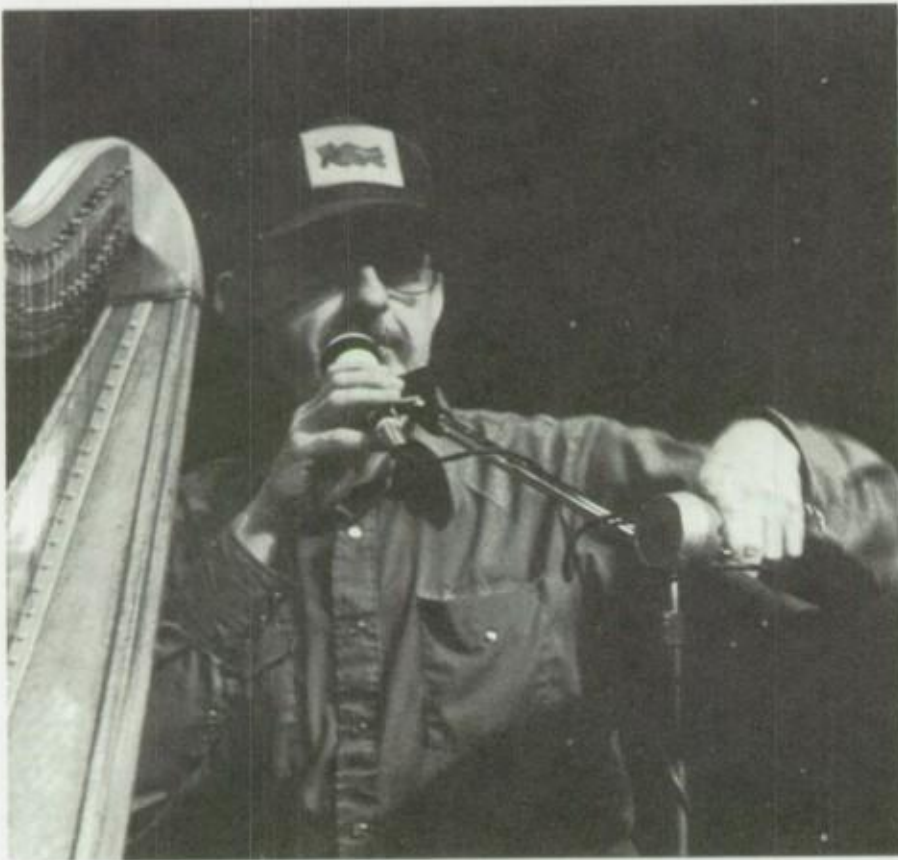

Yet besides the great time each student had, Young Life brought out the best in friends through good Christian skits and fellowship.

To be a member of **National Honor Society** one must obtain certain qualities: a sense of leadership, a grade point average of 2.50 or above, and responsibility. These are the qualities that are displayed in each of Trinity's N.H.S. students. They work hard each year on the Trinity Trojan Student Directory and the Tea that they give to honor the Exes that return at Homecoming. National Honor Society is an excellent example of the pride and spirit that the students have for their school.

o Walk-In or Walk Out

There were many different assemblies held throughout the year. Students and faculty frequently enjoyed the privilege of getting out of a particular class to attend a variety of music oriented entertainment. Sammy Vaughn and the Air Force Band were a few of the delightful performances on the Trinity stage.

There were presentations of various types. One in particular was not well received. Many students did not appreciate a rock group, Jamm. They expressed their lack of enthusiasm by walking out. The Student Council, which sponsored the band, repaid the students by lowering the price of the tickets at the Homecoming dance.

The majority of productions were very well organized and had a good outcome. In general, the assemblies were enjoyed by everyone.

Golf Swings to District

The Trinity Varsity Golf team was the 1979 District Champs. Coached by Doyle Reynolds, they also went to Regionals taking third place. The District team consisted of Greg Henning, Darryl Henning, Jimmy Matusewski, Butch Henning, and Gary McMillon. Greg Henning, the captain of the team, captured all-district and all-region, as Darryl Henning did the same.

Track Runs On

The Trojan Girls track team did well this past year for a very young team. With only two seniors Jeri Napier and Linda Rogers, the team made a close run at district with many talented sophomores and juniors. The team, although talented this year, shows great potential with good expectations for years to come.

VICA: Practical Training

VICA the Vocational Industrial Clubs of America consists of five classes: Auto Paint and Body, Auto Mechanics, Building Trades, Cosmetology, and Radio and T.V. The students enrolled in this program attended classes on the THS campus for two periods a day and received on the job training at the Career Center for the remaining periods. Members of VICA competed on district and state levels using the many skills they had learned. VICA served an important role in the school curriculum as it taught students a skill they could develop into a career.

he Trojan Way

February 14th, the day everybody sends presents to the one they love, was an eventful day at Trinity High School. Students, during first and second periods, received gifts sent to them by their beloved. Participants in the deliverance of these gifts were the Senior class and the Student Council.

Members and officers of the Senior class sold carnations during all lunches. The carnations sold for a dollar for one or six for five dollars. They came in colors of red, white, pink, or tipped. Many people purchased them and the fragrant aroma filled the air.

The Student Council had a lot more to handle. They did such things as "Kiss-o-grams," "Heart-o-grams," and "Sing-o-grams." The "Heart-o-grams" were free and were delivered through the post office along with other valentine gifts. The "Kiss-o-grams" and "Sing-o-grams" were delivered but with a little more pizzazz. The "Kiss-o-grams" were delivered by guys and girls accordingly and were a sweet interruption of class. The "Sing-o-grams" were delivered by members that could carry a tune and there were an assortment of songs to choose from. They were enjoyed by all who were around.

This Valentine's day was one of the more important events on the Trojan calendar. Many participated in the festivities, and most will remember for a long time.

District Opens Victoriously

The Trinity Trojans Basketball team opened their 4A-9 district season with an exciting win over the Irving Tigers. Exciting because before the Trojans could claim victory, they had to play in four overtime periods. Both teams had opportunities to win in each overtime period, however, the Trojans finally prevailed, 68-64, after some crucial defensive plays and free throws were made in the

fourth overtime period.

The Trojans' next game resulted in another victory, this time over the Nimitz Vikings. The 48-45 win put the Trojans in the number one spot for the first half of district play. Victories over Grand Prairie, 56-51, and MacArthur, 47-36, kept the Trojans' winning streak going and also gave them state recognition as AP ranked them 14th in Texas.

New Coach Brings New Ideas

David Stroble, the new Swim Team coach, brought much enthusiasm with him along with many new coaching techniques and motivational ideas. Coach Stroble is an old fashioned type of coach that feels that leadership should be placed in the older members. Coach Stroble along with the team captains, Laurie Owings, Debbie Cunningham, Mike Hamlin, and David Crandall, led the team in an up hill climb. The team only had a few returning swimmers from last year and those swimmers formed the nucleus of the team. The team progressed into one of the best all-around teams in the region. Congratulations to the swimmers and welcome to their new coach, David Stroble.

Wrestlers Pin Opposition

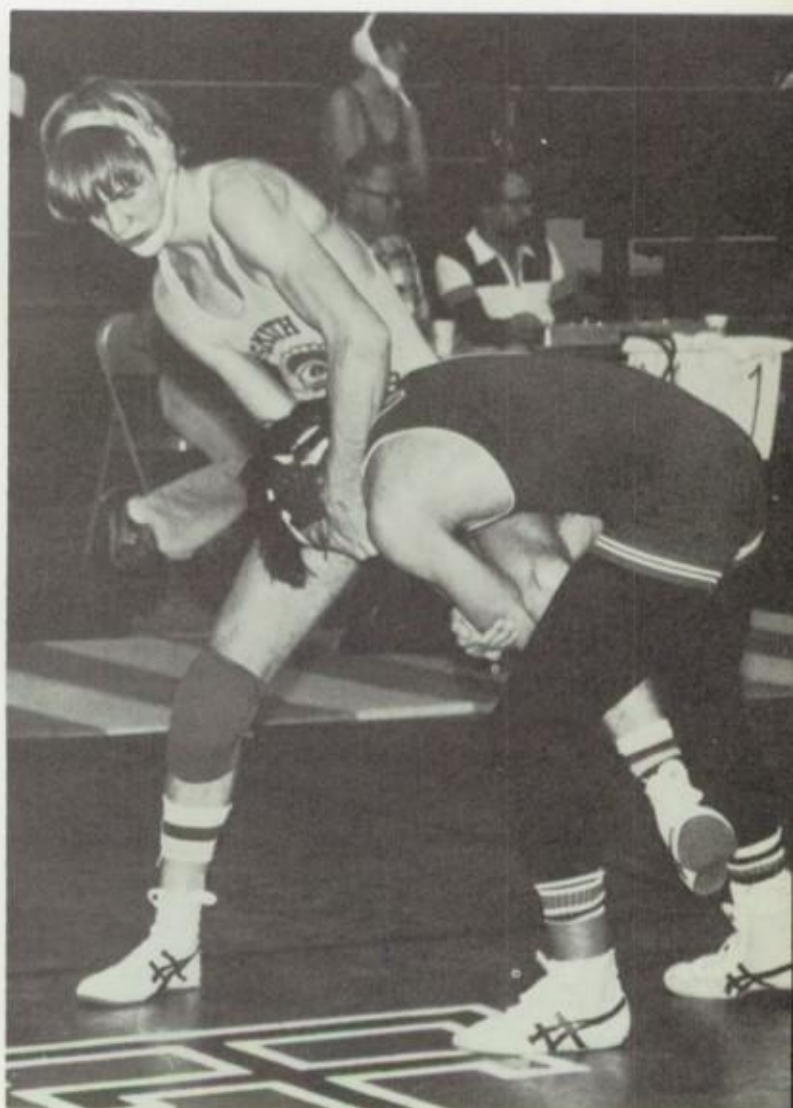

Wrestling under the supervision of Sid Ruffu had another successful season. Many hours went into the practice and perfection of the wrestlers' moves.

A wrestler must not only perfect his moves, but he must also learn the referee's calls and motions. He must learn when to start and stop a match. He must also work out on weights and watch his weight.

Along with the subdivisions of the weight classes of the wrestling team comes the rigid self-discipline of a close weight watch, for a few pounds could make the difference in the winning or losing of a match. Skill and experience are the main objectives of a good and expert wrestler.

Teachers New to Trinity — *Front Row:* Emmett Elkins, Barbara Ross, Michelle Caton, Lynette Mull, Betty Gresham. *Back Row:* Betty Vowell, David Stroble, Dianne Innis, Spike Buie, Helen Jones.

Mr. John Reddell was chosen Tarrant County Coach of the Year by other coaches in the area. This was a well-deserved title for Coach Reddell who led the Trojans all the way to the Semi-Finals of the State Championships.

Mrs. Dee Yeats was chosen as Speech Teacher of the Year. Mrs. Yeats coordinated all of the speech tournaments at Trinity High School and was sponsor of the National Forensic League.

Right: Chosen as Speech Teacher of the Year, Mrs. Dee Yates also devoted her time to being an English teacher. *Opposite Page, Above:* Coach John Reddell talked to the varsity football team after one of their many victorious games while becoming district champs. *Opposite Page, Below:* Pam Martin, registrar, devoted much of her time and effort toward working with the Southern Association.

Fares Well at THS

Trinity High School is re-evaluated every ten years to meet Southern Association standards; this happened during this past school year on March 11, 12, and 13, but months of planning were made before. Students got out of school at 1:30 for three days for teachers to make their own evaluations.

Southern Association is an Accreditation agency, setting standards for high schools. Schools that are evaluated by Southern Association have a better chance of students going to the college of their choice. Mrs. Pam Martin, the school registrar, coordinated the Southern Association.

Championship Playoff Loss

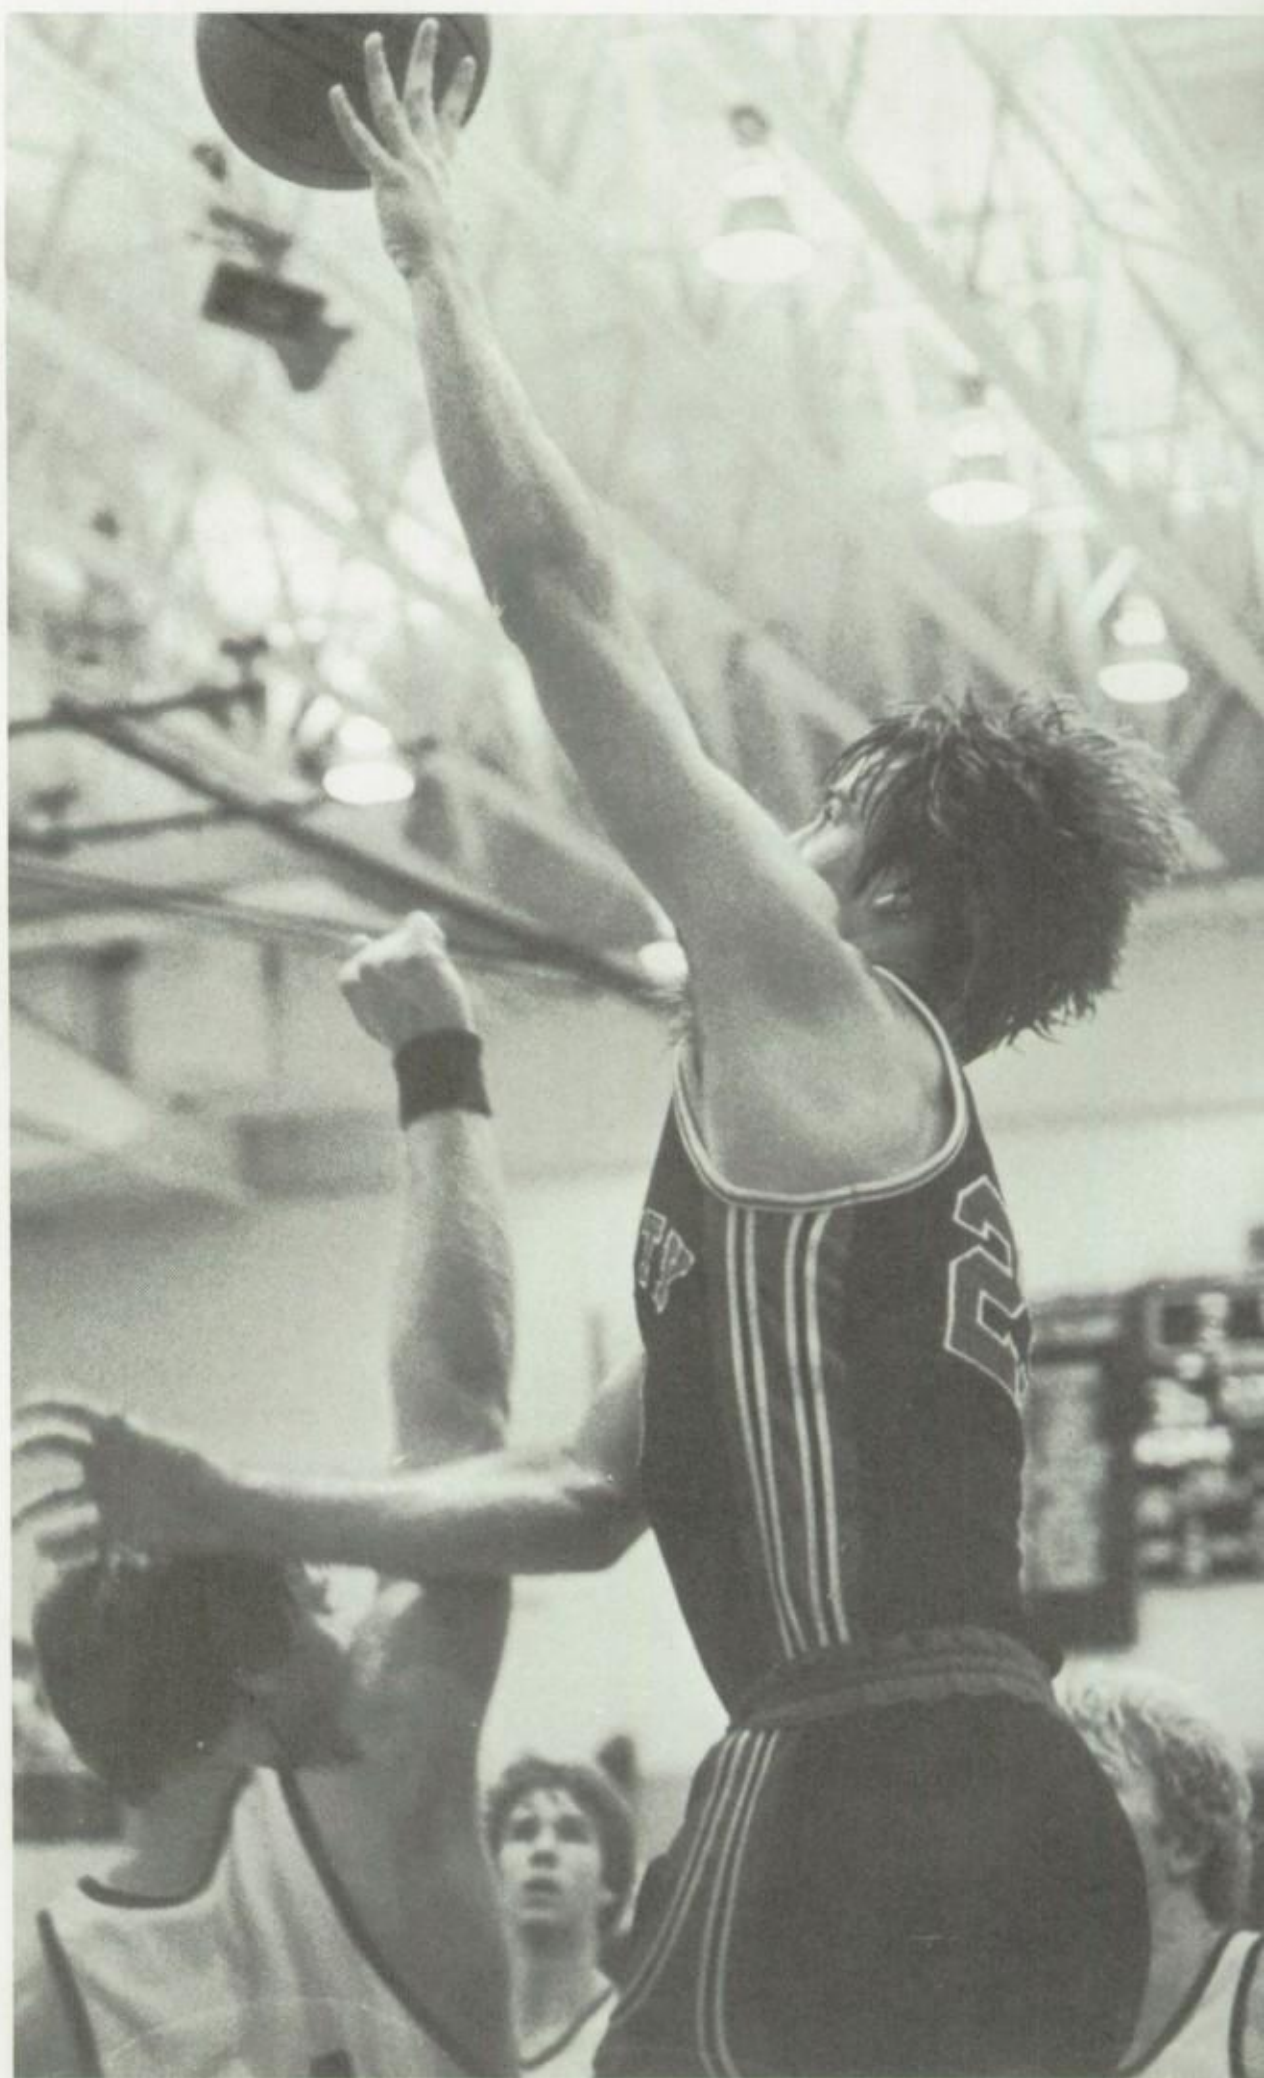

Victories Over Bell Highlight Season

The Trinity men's basketball team finished the first half of district play with victories over South Grand Prairie and rival L.D. Bell. The victories gave the Trojans a perfect 7-0 first half record and the honor of being first half champs.

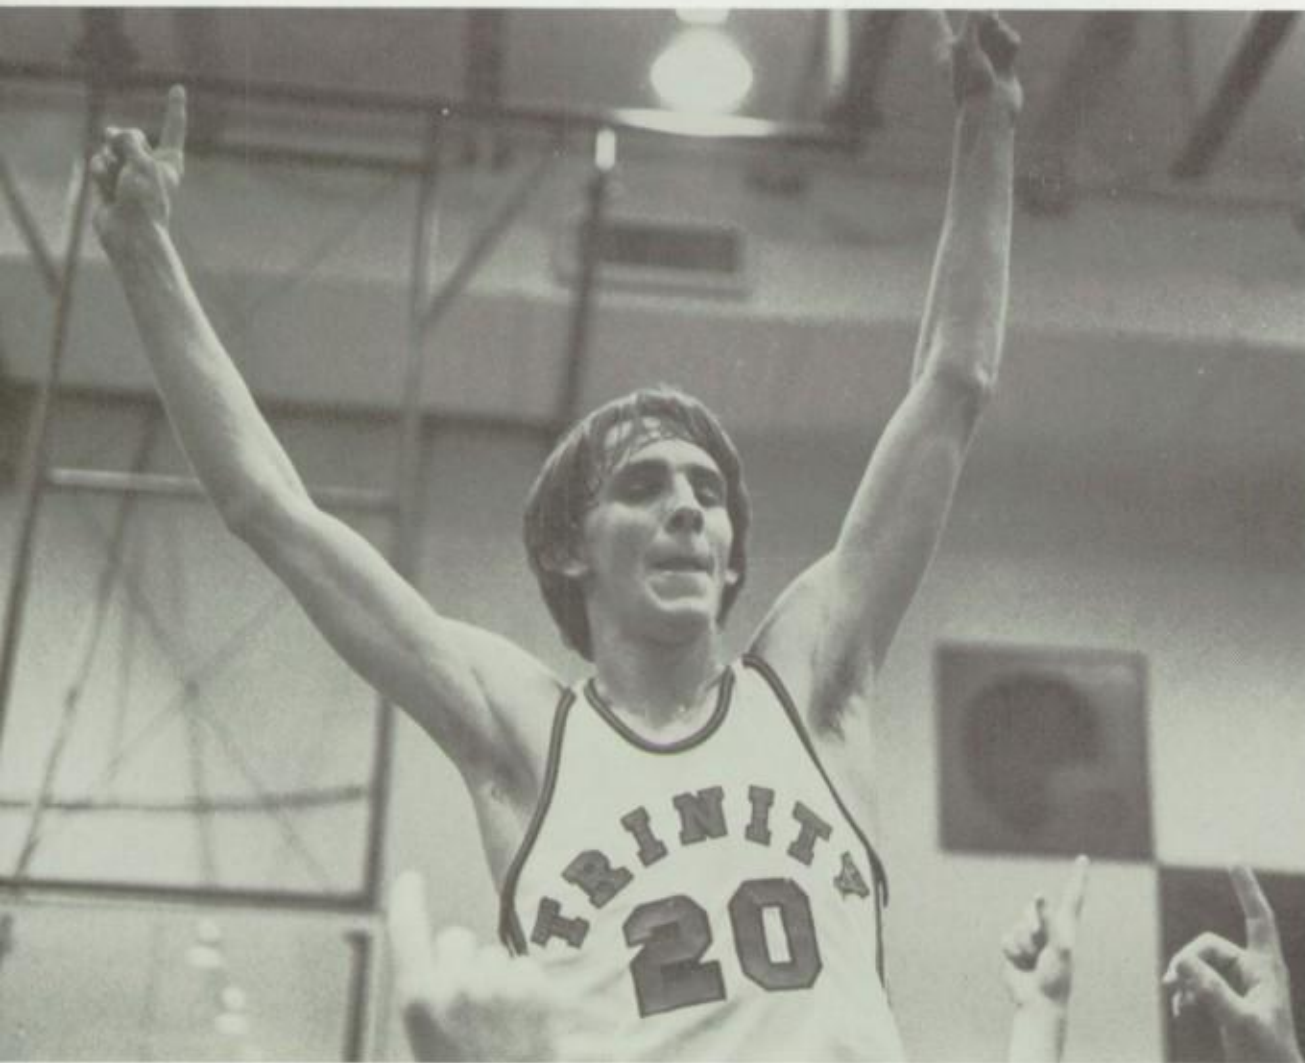

The district's second-half race did not go as well for the Trojans as the first half. Losses to Irving, Grand Prairie, and Duncanville, kept the Trojans out of the second half race. However, highlights of the second half included victories over Irving Nimitz, MacArthur, South Grand Prairie, and a 58-57 victory over L.D. Bell. The victories gave the Trojans momentum for the district play off game against the second half champion, Grand Prairie.

The district playoff game against the Gophers ended the season and the hope of being district champs. The 41-44 defeat was a heart breaker for the players and the fans who thought Trinity might finally claim its first basketball championship. Looking back at the '79-'80 season Trojan basketball fans can be proud of the Bell victories and the title of first half district champs.

Trinity Gymnastic Team Assists in XXth World Games

Last December, the Trinity gymnastic team experienced a golden opportunity to watch and be actively involved in the XXth World Gymnastic Championships. The championships were conducted at the Tarrant County Convention Center, the first time in history that they were held out of Europe.

Thirty-five different nations attended the games with an average of six gymnasts per team competing in ten different events. Witnessed were outstanding performances by Kurt Thomas of the U.S. team, as well as Nelli Kim and Alexander Ditiatin, both from the Soviet Union.

The Trinity gymnasts worked in the meet carrying countries' flags, running scores, and assisting in administrative offices. The team put in long, hard hours from as early as 6 a.m. to as late at night as midnight. The hard work was rewarded in many ways, such as having the chance to see and meet world renowned gymnasts from different countries.

Baseball Hits Home

Along with the hit of Spring, Trinity baseballers started the season off early. Back up to bat this year were James Purvis, Todd Hale, Kyle Hunt, David Pouge, Charlie Torres, Scott Finch, and Steve Fazende. These players provided the experience while the underclassmen added depth to the team. This with the discipline and coaching of Steve Lineweaver gave the 1980 Trinity Baseball Team a successful season.

Right: Junior Mike Wilkinson catches teammate in a "run down." Below: Senior Steve Fazende concentrates on his catching while David Ryder gets in batting practice. Below Right: Jeff Killion makes the throw to first.

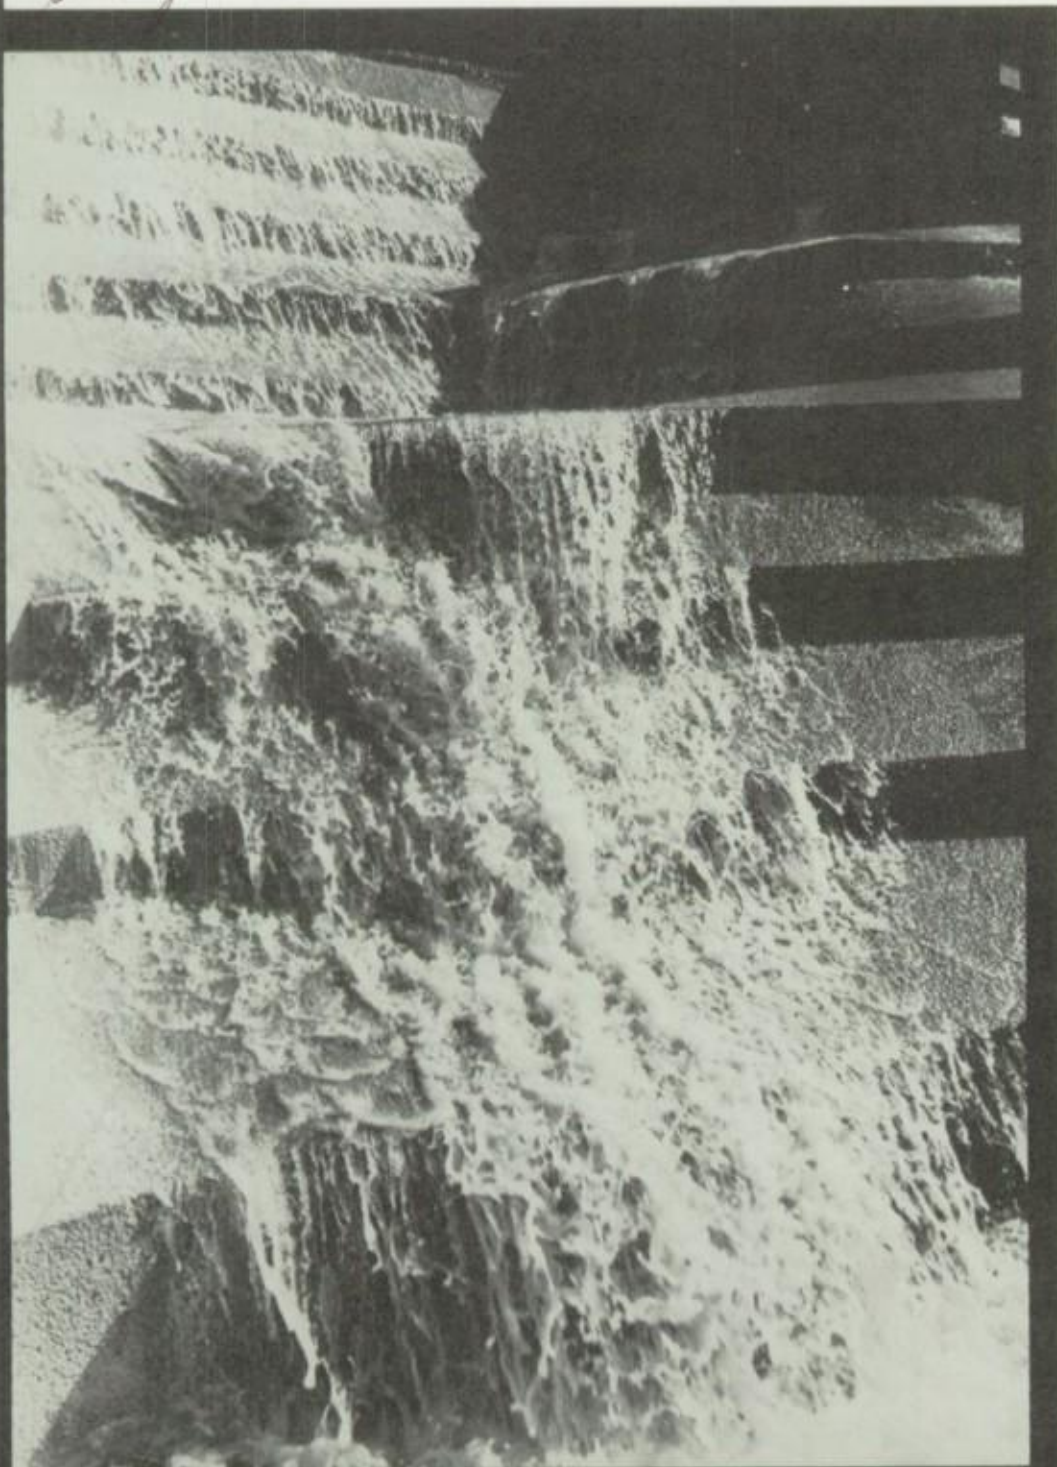

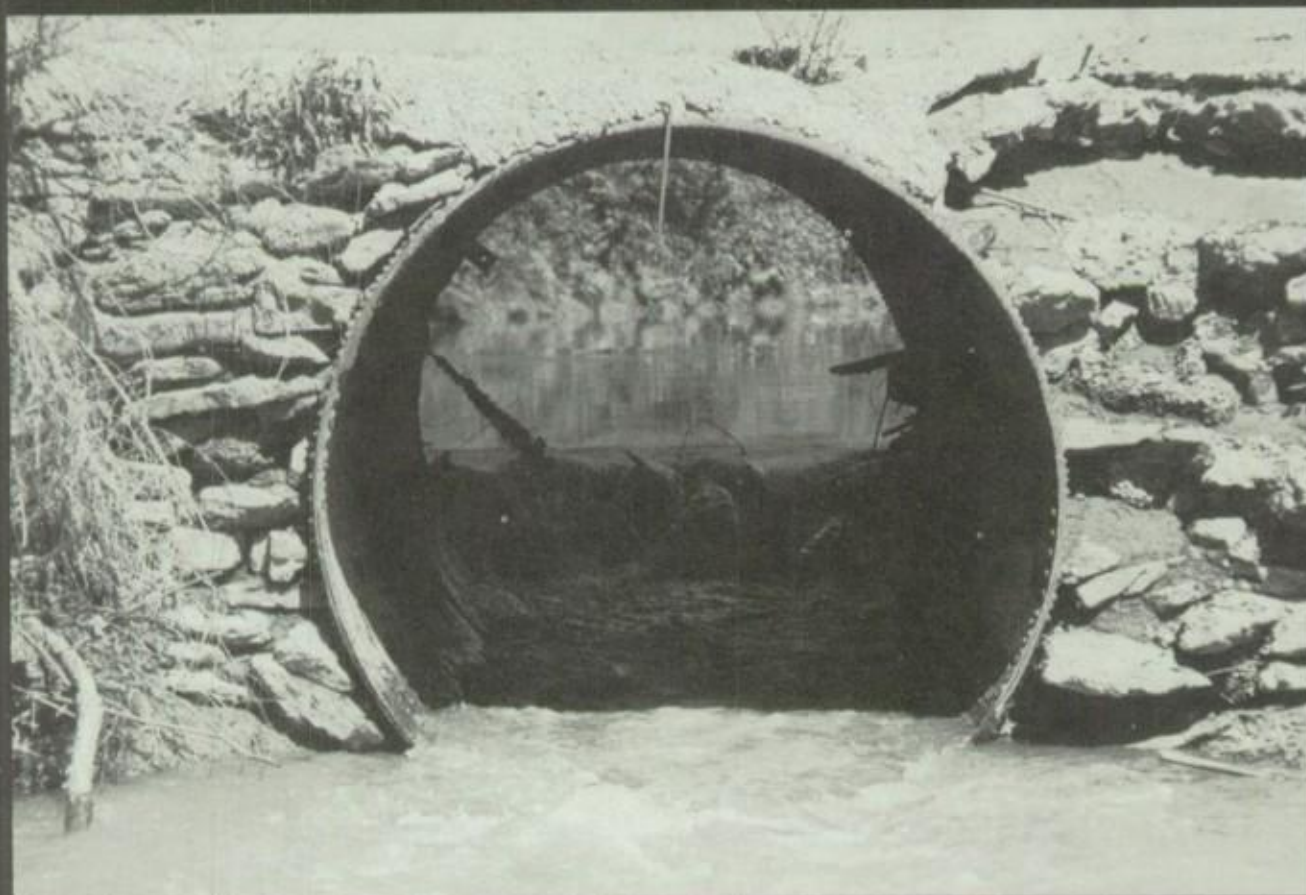

Mike is coming to school as I hope you have had as much fun this year as I have. I'm glad we had at least this one class together, but you never explained to me how you could have a baby with out having a wife. You're a nice guy I hope I see you all summer and if I don't I hope I see you some other time. Good Luck and God Bless you.

Trinity High School Shows How It's Done

When "how it's done" is referred to, what comes to mind? "How it's done" relates to all the activities associated with Trinity, its student body, faculty, and administration. Events like Student Council working with the older Americans, the French Club traveling to the Tyler Language Festival or even just a group of students having a good time on a Saturday night; these are all a part of how Trinity "does it."

All events in a school year cannot be reproduced in a yearbook, but an abundance of material compiled in this annual easily demonstrates "How It's Done At Trinity."

It's done with Trojan spirit that never quits. It's done with the glorious victories and enthused participants. It never quits. The death of a friend, a lost game, or an unsatisfactory grade can possibly hamper it at times, but it still never quits.

Having the knowledge of "How it's Done," still another question arises . . .

This book was designed and manipulated in a way as to let any person enjoy it. Like school, everyone has a personal decision to do the things they want. Each student can decide which cover of the '80 *Triune* is the front by making a personal decision. You can decide "how to" make your own yearbook because of the arrangement of the pages. If you like the book one way, you can "double your pleasure" because of the *Triune* being "two books in one."

Like Trinity High School, the '80 *Triune* has more than one place to begin. With more than one beginning, this yearbook has no real ending — only another, different place to start.

The Sophomores now have high school experience under their wing and can now move on to higher challenges . . . The Juniors can now become Seniors and have their reign in ruling the school . . . The Seniors may physically have to close their life at Trinity, but the memories will always linger on.

HOW TO ENJOY THE

REMAINDER OF '80 TRIUNE

- 2 Close the book, (but first read steps 3 and 4).
- 4 Be delighted to see another new '80 Triune.

Trinity High School Shows Who Does It

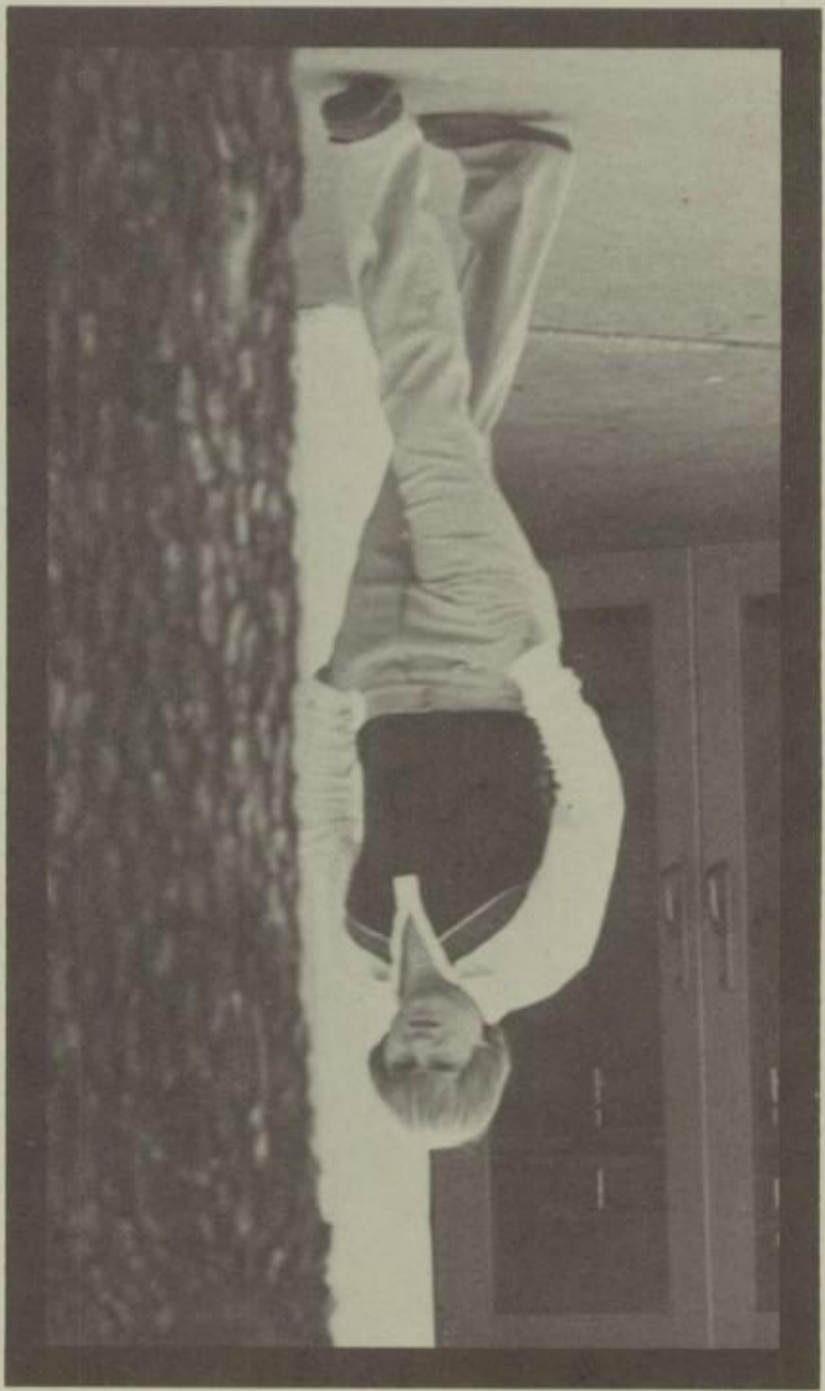

Trinity is filled with all types of people, each an individual. Each person has a unique personality and is important in some way. Both physically and mentally, each person has contributed to Trinity. A cheerleader, a wrestler, a custodian; all these people have helped make Trinity a better school by adding their own contributions. They all have pride in Trinity and believe in their school.

All students and faculty members are depicted in this book doing what they enjoy and feel comfortable doing. One person or a small group of people can not control Trinity and show the community how it works on campus. Trinity would not be complete without everyone working together. The combination of all forces working together shows "Who Does It At Trinity."

All entities together make Trinity the total learning experience through academics, vocational, physical, and extracurricular activities. In general, it takes everyone to do it. Outstanding individuals may excel in certain areas, but it takes a joint effort to make a successful year. In the next section you will not only see "who does it," but also . . .

To Mike a very nice + sweet guy,
I've known for a very long time and
~~hope~~ to know longer. I wish you all
the luck in the world to make all your
dreams come true, in everything you
~~hope~~ and wish to do. Mike, I really
do hope things work out right for
you. I think you're one of the nicest
sweetest guys I know. I thank you
for all the good times we've had,
even though there were some bad.
If you ever have time and can get
a hold of me call me or something
O.K.? May God bless you. and be
sure to tell my Padiño and your

brothers and
sisters. hi for
me.

Love

Hi! So how's my favorite senior? How finally made it! You're one of the big men on campus. (With you Bains that's an accomplishment!) just kidding! Seriously you are a very very special person to me. I am very glad you are my friend. I feel like we've known each other all our lives! Good luck in the near and far futures and please keep in touch. And } I'm going to

remember. When you want a good laugh after a hard day's work just remember good ol' buffalo butt (y're) that ought to keep you smiling! (just joking) Love Always,
Dr '81 Brenda
(the best!)

miss you!!

Language Departments Select Who's Who

Many students at Trinity excel in certain subjects or sports and seem to stand out as superlatives in particular areas. Because of this, each year "Who's Who" is chosen. The criteria for choosing these superior students is scholarship and participation in class. The following pages are designed to honor those chosen "Who's Who."

Left: Who's Who in English is Patrick Miles — (Patrick Miles'), n. [fr. F and E, orig.,] 1. Scholar; perfectionist 2. Wit. adj. 1. Accurate; meticulous. 2. Creative. 3. Enthusiastic; conscientious. — SYN. See "Who's Who in English."

Left: Who's Who in German is Kim Bunch — "She has been a leader in the classroom as well as in the German activities for the past three years."

Above: Who's Who in Spanish is Margarita Franco — "Whether as an officer in Spanish Club or in translating a Spanish novel, Margarita commands the respect of everyone by her thorough preparation and dedication to the task."

Teacher of the Year

Ray Castellow was chosen by the THS faculty as Teacher of the Year. Mr. Castellow was chosen for this honor not only because he teaches, but also because he takes a personal interest in his students. He teaches them beyond a normal education. He teaches them things like morals, manners and their obligations to society.

Mr. Castellow attended many colleges and ultimately obtained his Masters of Education at Texas State Univer-

sity. He is involved in many civic and youth activities and enjoys working with all students. He is the sponsor of VOCT and the junior class and engages in many activities with them.

Mr. Castellow feels that humanness is a quality that all teachers should possess and that this quality makes him a favorite of his colleagues and students alike.

Musical Talents Soar to State

The Trinity Band and Choral Departments worked very hard this year in order to obtain seats in their respective All-State organizations.

The choir and band departments began practicing early in September and went to All-Region. Winners in the All-Region category went a step further to the All-Area competition. Those successfully obtaining All-Area honors, then went to state competition. The victorious groups of All-State then attended and participated in a concert with other All-State recipients and concert order was obtained.

Bottom: All State Choir: Sue Cappa and Kevin Kyrish. **Right:** All State Band: Sherry Rawls, Jimmy Mitchell, Tracy Stierwalt, Jeff Cottrell, Jeff Hickerson, and Johnny Seiverling. **Upper Right:** All State Orchestra: Geoff Simons, Kennon White, Jan Svochak, and Kathy Frank.

Mr. and Miss T.H.S. Nominees

Each year the Trinity High School faculty nominates various seniors for the honor of Mr. and Miss T.H.S. These students are chosen on the basis of character, leadership, involvement, scholastic ability, and other

qualities of importance. The nominees are then put on a ballot where the teachers vote on one young man and one young woman who they feel are most worthy of the honor.

Mr. and Mrs. T.H.S. nominees were: Brad Boring, Dawn Monroe, Sylvia Capello, Chuck Lowry, Sondra Green, Johnny Sieverling, Darryl Briggs, Paula Pace, Chris Williamson, and Robin Moore.

D.A.R. Recipient

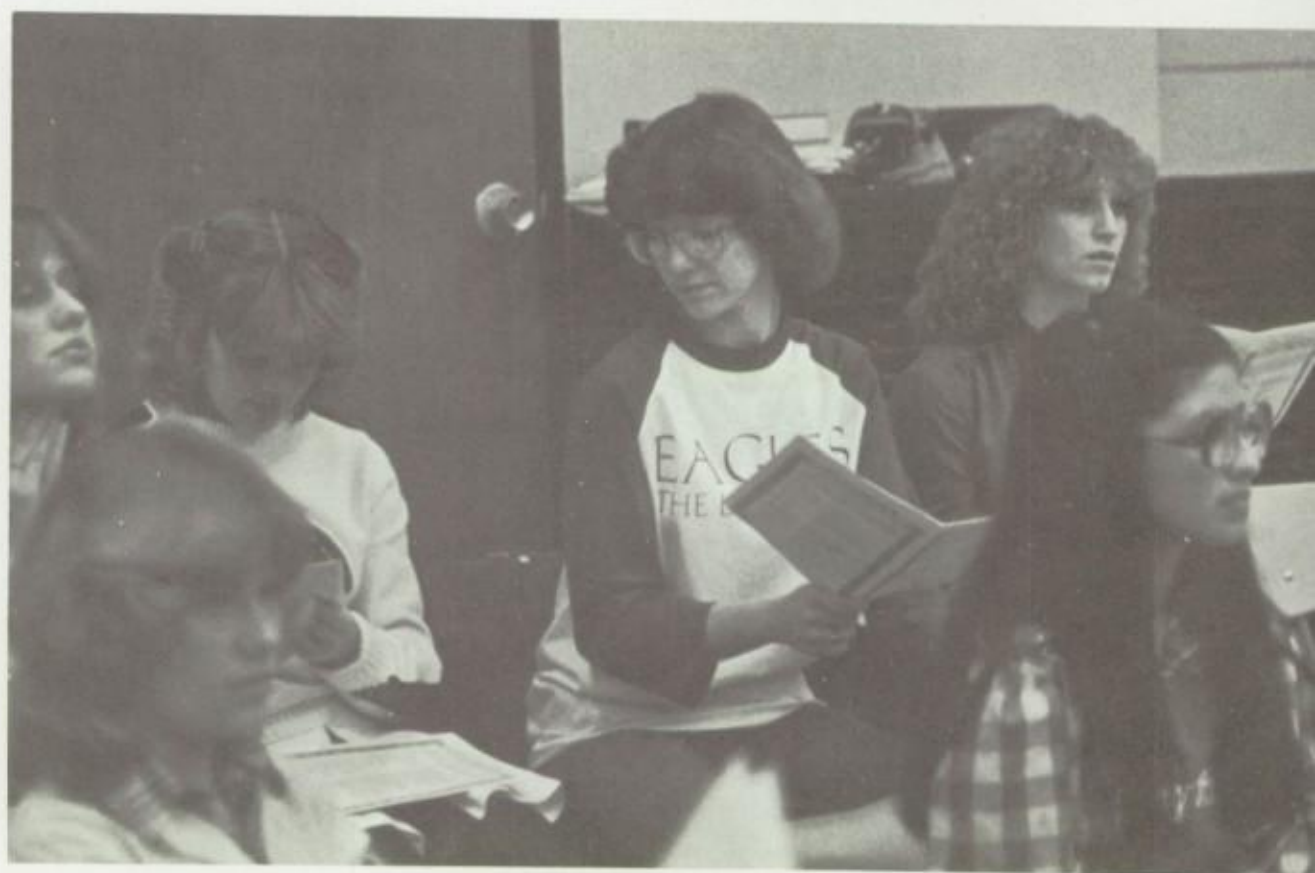

Michelle Lauridson

Michelle Lauridson received the D.A.R. award at Trinity High School. Each year the local D.A.R. chapter chooses one person to be given this award.

Service, leadership, dependability, and patriotism are some of the qualities which a student must have to be honored as the recipient of the Daughters of the American Revolution Citizenship Award.

Michelle exhibited these qualities by being an active three-year member of the choir, a two-year member of National Honor Society, and by participating in various other honor programs. For this reason the teachers nominated several students including Michelle, their ultimate choice.

Right: Michelle Lauridson, the recipient of the D.A.R. Citizenship Award. Below: Michelle, a three-year choir member, takes a break between songs.

Mr. T.H.S.

Chris Williamson was chosen by the T.H.S. faculty as Mr. T.H.S. for 1979-80. Chris served as Sophomore Class president and a member of the executive council his junior year.

He has been a member of the A Capella I choir since his sophomore year. Chris also sang with the vocal ensemble his sophomore and senior year, serving as secretary his sophomore year. In addition, with his singing talent, Chris was also an active member of NFL and Thespians.

Chris was elected Student Council treasurer and president his junior and senior years. He was chosen October Senior of the Month. Chris also had the honored title of Optimist Young Texan for the month of November.

Chris Williamson

Miss T.H.S.

The T.H.S. faculty chose Dawn Monroe as Miss T.H.S. for 1979-80. Dawn participated in choir all three years at Trinity, serving as president her sophomore year and social chairman her senior year. Dawn has also been active in the vocal ensemble "Harmony."

She has taken part in Student Council, as well as, National Honor Society. Dawn served as Spirit Club president her sophomore year. She kept her spirit up by being a cheerleader her junior and senior years.

As a sophomore and junior Dawn had the honor of being a nominee on the Homecoming Court, before winning the top honor, Homecoming Queen, as a senior. Dawn was awarded Senior of the Month along with the Optimist Young Tex-Anne award for the month of December.

Trinity had people that were here all the time, but not many people saw them. These people were the backbone of the school. Our custodians and lunchroom ladies were very important at Trinity.

The custodians, seldom seen while kids were roaming the halls during classes, came out when no one else was around. Most of them had to clean the trash found commonly in the halls, thrown there by students. After school, the custodians cleaned rooms, cleaned bathrooms, emptied trash, and cleaned the school grounds. Without our custodians, Trinity would not have been as proud looking as it was.

The lunchroom ladies, the people behind the variety of hot meals found in the cafeteria, had to arrive early to prepare them. The ordinary hot plate lunches sold for a dollar apiece, while the snack line had items from tea at fifteen cents up to a hamburger for sixty-five cents. Trinity also had a salad bar, at 12¢ an ounce, for people who had little money or wanted a quick, light lunch, without having to wait in line. These ladies put out a lot to satisfy T.H.S. students' appetites.

These people did a lot for Trinity that not many people knew about. Recognition should be given to the support of these people for their success.

For Graduation

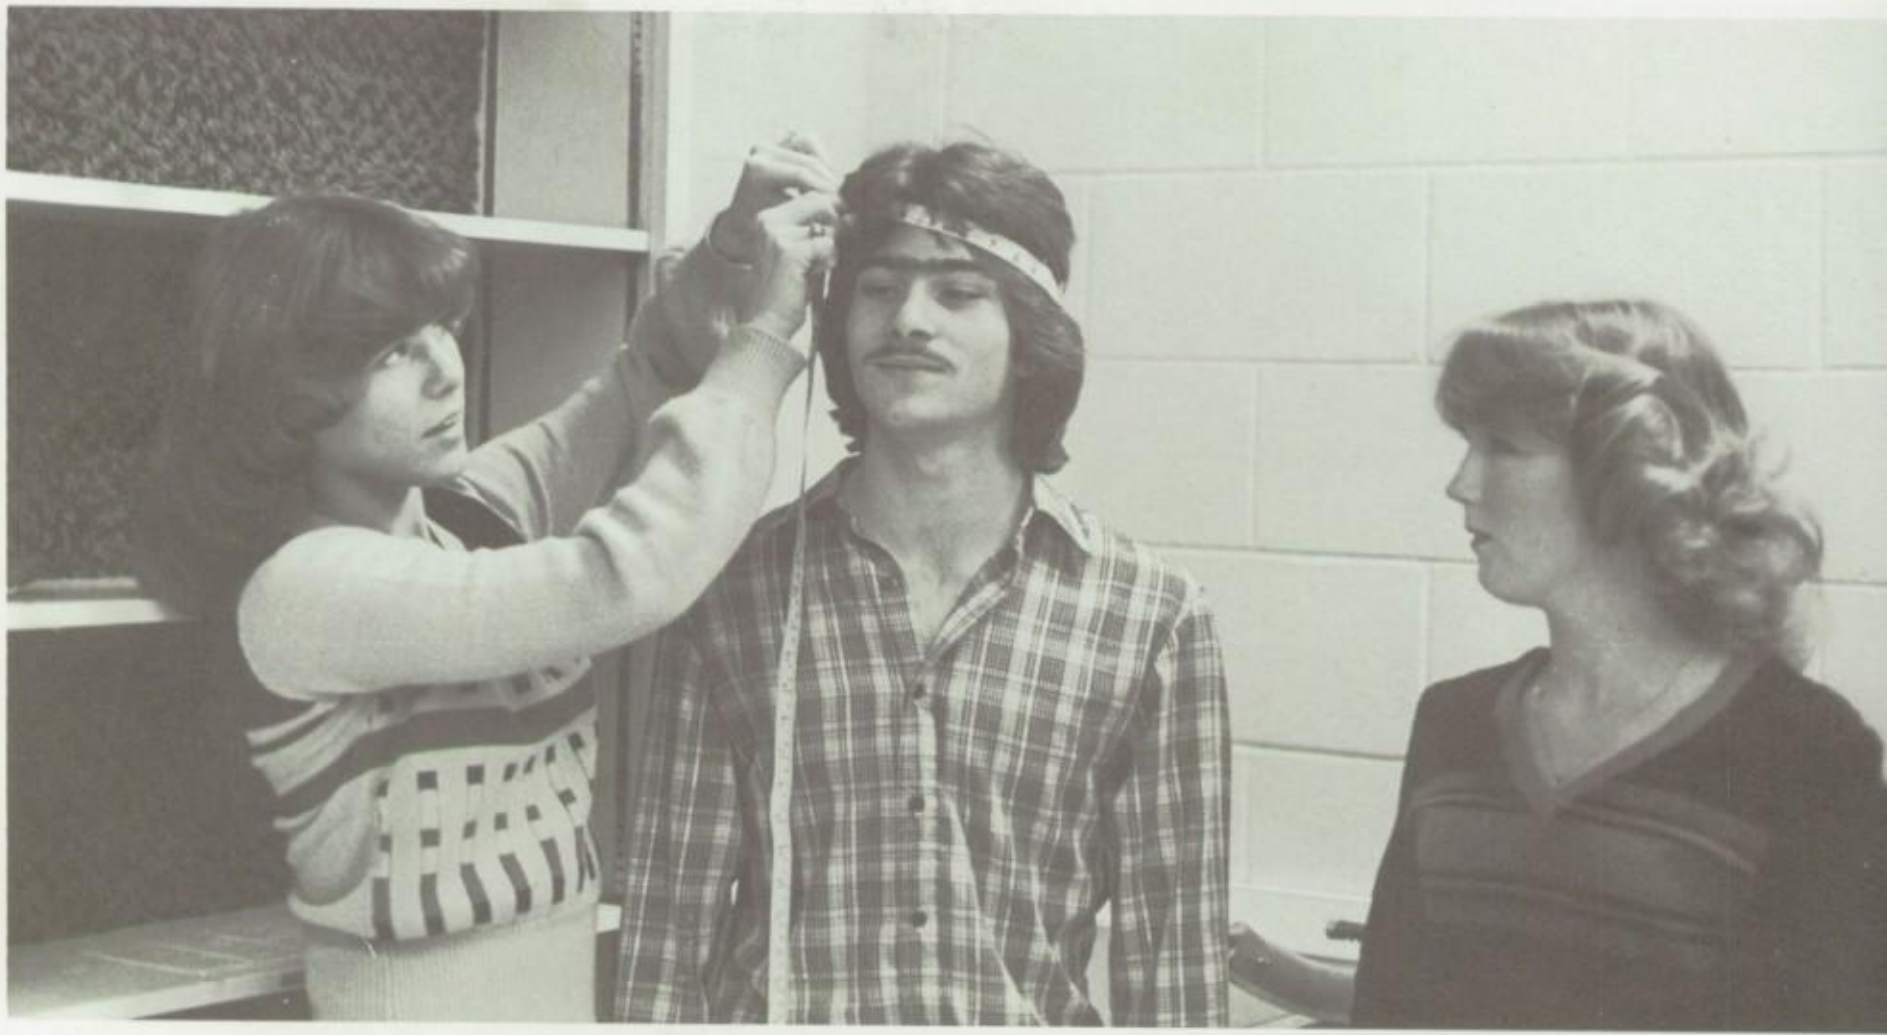

As the year slowly passed Trinity Seniors eagerly awaited the final step in their many years of public schooling, their graduation.

In preparation for the ceremonies, the Seniors were measured for their annual caps and gowns to be worn on graduation night. The caps and gowns will forever be a memento in the lives of each and every senior reminding them of the hard, but exciting and fun-filled years at Trinity.

An End and a Beginning

Left: Robby Morris was among the many that supported our football team on their way to victory. *Below:* Some seniors choose to stay at school for lunch as Kathy Frank decided to do.

The Senior Year

An end and a beginning is one of the many things the senior year has to offer. It's the end of the learning years in high school, but a beginning in the learning years to follow. The end of high school cliques, pep rallies, games, and school dances and the beginning of the responsibilities as an adult and, for some, the thought of going to college. There

are many endings when you graduate from high school, but the many, treasured memories are never forgotten.

Executive Council Activates Seniors

The Senior Executive Council planned and sponsored many activities throughout the year. They started before school began by working at Six Flags over Texas to raise money for the senior class. Other fund raising activities included a dance after the Grand Prairie football game, selling T-shirts, and selling carnations.

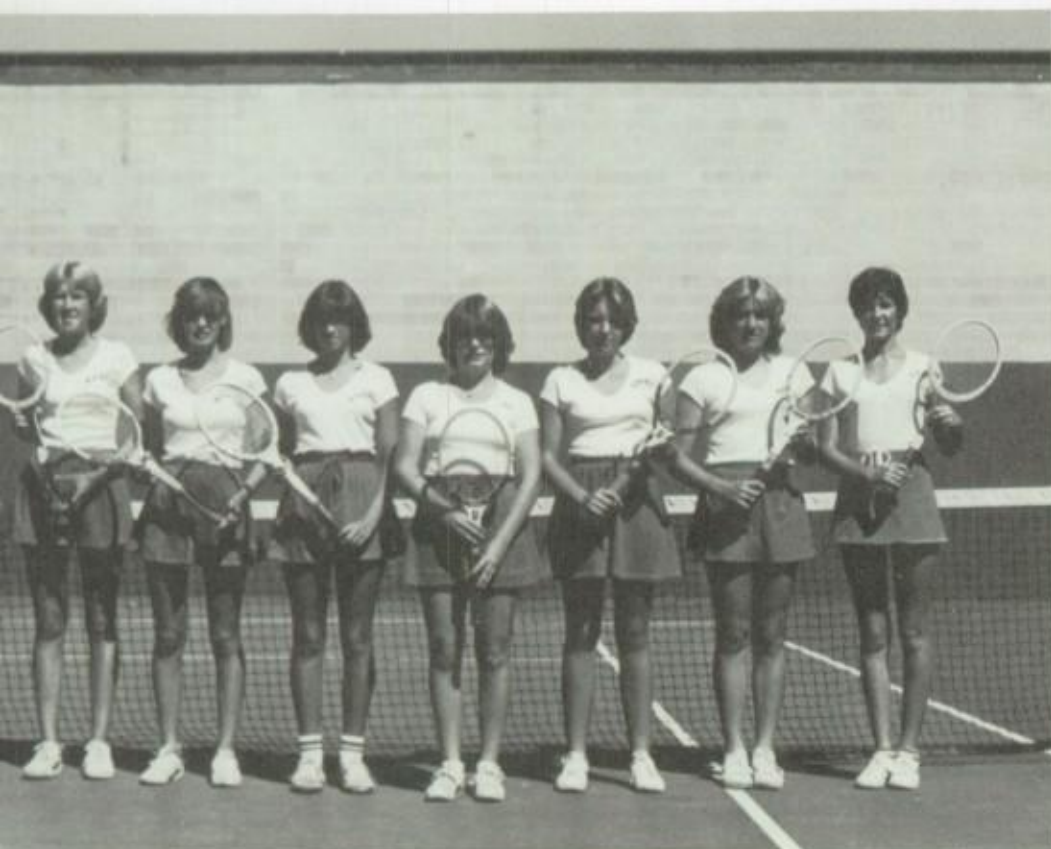

The Senior Executive Council planned this year's Prom and helped in the building of the senior float. To help promote school and class spirit, the Executive Council made Pom Poms, towels, and clickers for pep-rallies. A Trinity High School flag was also bought by the Executive Council to be flown whenever any sport, academic subject, or club has won a contest.

... A Senior

How To Be . . .

1

To be a senior one must first think like a senior; they must realize they are the almighty being, untouchable by underclassmen.

2

A senior must know how to drive and eat fast since they get to eat off campus.

3

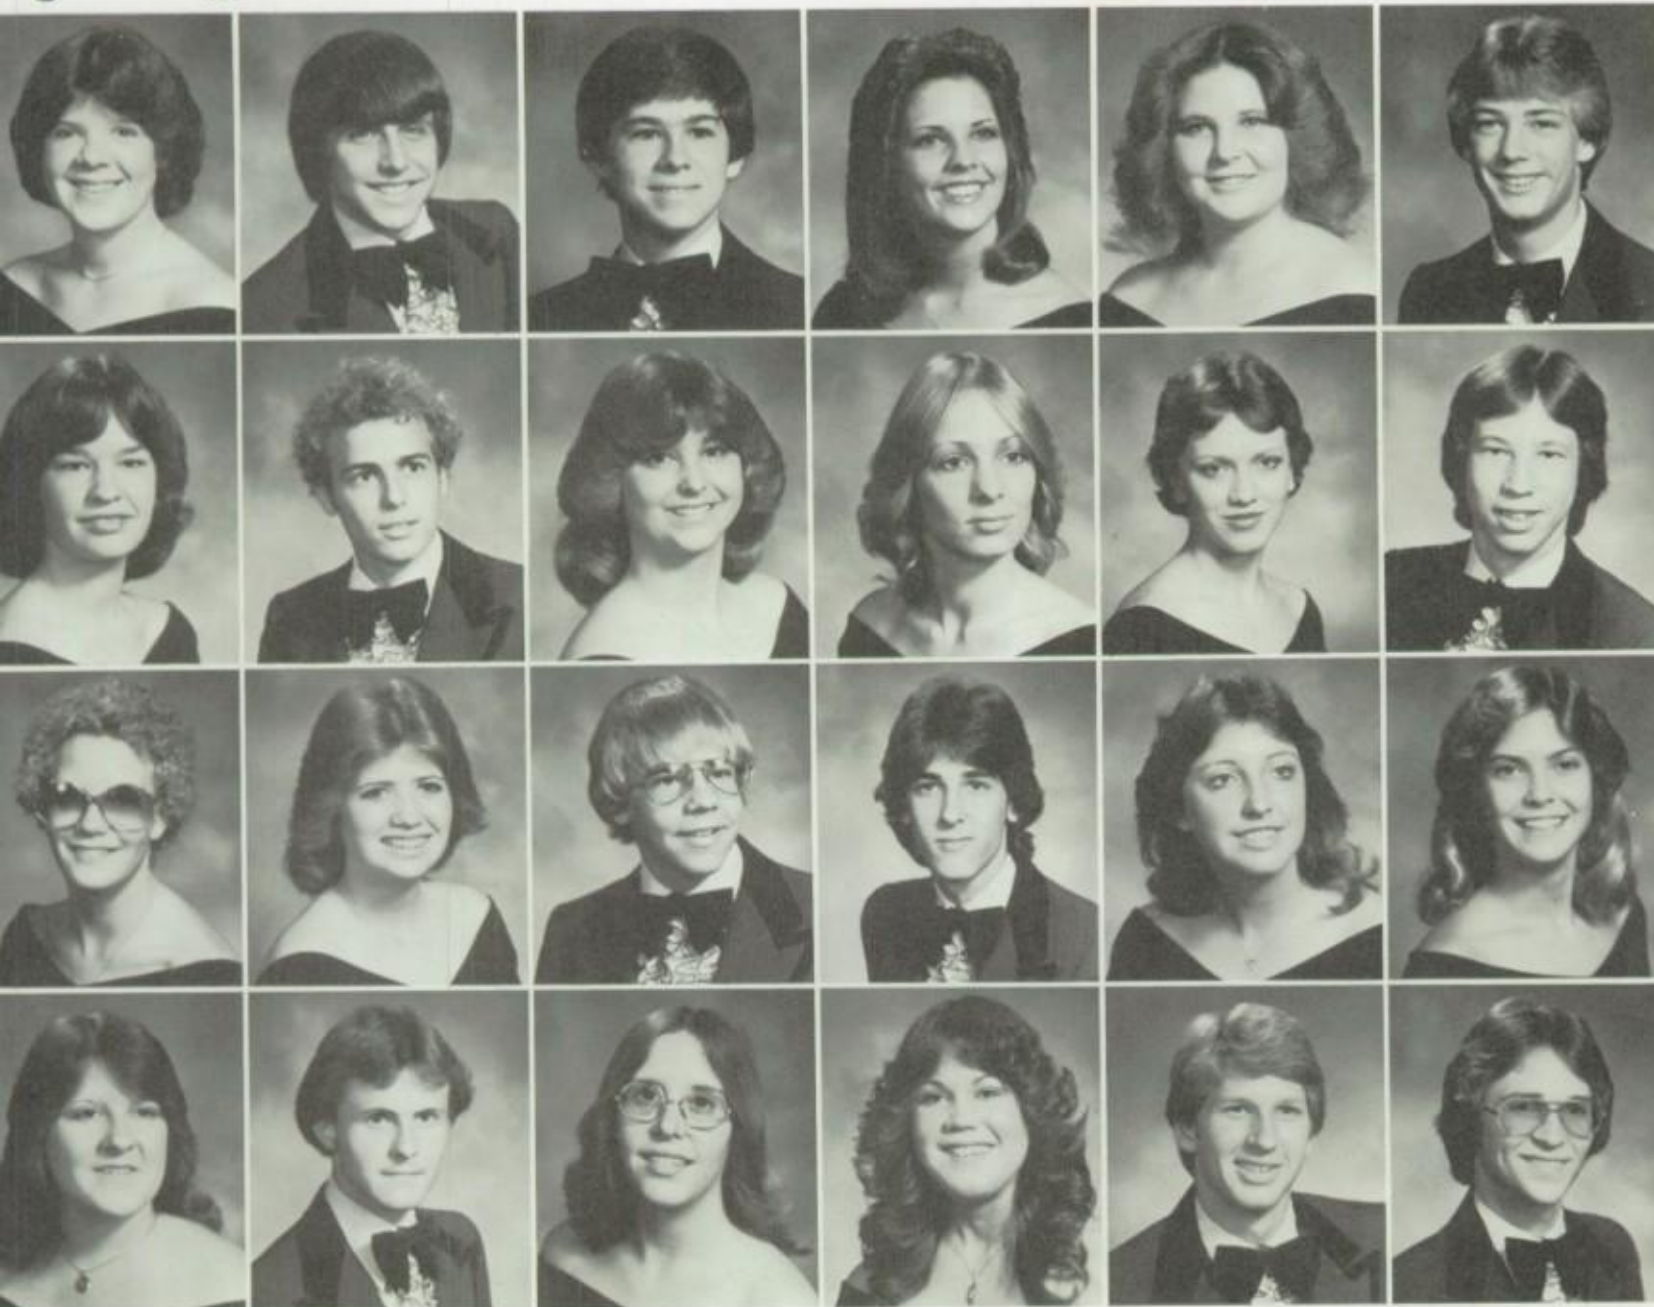

The good seniors have pride in themselves, their fellow classmates, and their school.

4

A senior sets precedents for all the student body to follow.

Junior Year Proves Fulfilling

At the beginning of the 1979-1980 school year the Class of '81 seemed as if it had just begun. Yet at the close of the same year, they were almost finished. The trials experienced by every "middleman" helped to conform his character and contributed to the growth of his maturity. However, most Juniors had other motives for coming to THS. Some came to have fun, some to get involved, and yes, some even came to get an education. But whatever the reason, it was fulfilling as well as rewarding.

Right: Junior Sue Cappa smiles with approval at the close of a good junior year in anticipation of her upcoming senior year. *Below Right:* Audrey Woodard fulfilled much of her junior year as the THS mascot, in which she aided the cheerleaders with cheers and promoting school spirit. *Bottom:* While being the "middleman" can sometimes be difficult, it also has its advantages; such as a wider variety of classes or just feeling more at ease and being able to "let go." Here Robbie Hudson "lets go" by joining THR to help promote school spirit.

Leaders of the Pack

Among the excitement of the coming Senior year, there was a unity of friends, the Junior class. The Juniors have given great help in keeping Trinity a school of pride and spirit. Other plans for the year included the dance they sponsored after the Richland-Trinity football game, the poster sale and the candy sale. Working together on various projects, sharing eighty-minute classes, and making the best of a Junior year — many friendships were established and continued. Now Juniors are looking forward to that long awaited Senior year — and they'll be back to prove — "We are great, second to none. Seniors, Seniors, '81."

Right: After one year of registering, Junior Shelley Davis now realizes the procedures of registration. *Below:* Juniors Gail Kitchens, Jackie Weeks, Melinda Littlepage, and Lisa Crichlow get a chance to talk between classes. *Opposite Page, Above:* Junior Lori Loerwald and Mrs. Robinson discuss the posters during the poster sale sponsored by the Junior class. *Below Left:* The unity of the Junior class promoted a lot of spirit at every pep rally. *Below Right:* Junior executive council members were: Sponsors Kay Moore and Nancy Pitts, Kelly Keith, Glynis Griggs, Barbara Mack, Cheryl Blocker, David Shepherd, Kelley Hobart, Dinah Helm, Deirdre Earls, Terri Sanders, Cheryl Clement, Lori Loerwald, Mike Wilkinson, Carol Rasor, Elisa Seger, Tommy Wilder, Sheila Goff, Franz Ates, and Sponsor Ray Castello.

Trojan Atmosphere

Juniors Enjoy

Many juniors enjoyed a relaxed year at Trinity. They were involved in many organizations and activities. Through participation the juniors found themselves excited about being at Trinity. As upperclassmen, they enjoyed the Trojan atmosphere. Perhaps the most important feature for the juniors was the beginning of finding a place in the total scene of high school life.

Needed for College

There are many courses available at Trinity. When you become classified as a Junior you have certain electives that you can begin to choose from. English III B, otherwise known as the dreaded Junior theme, is an example. You can take Algebra II or Trigonometry, and if you are into Science you can take Chemistry. As a Junior you may begin pursuing different fields which may be helpful to you to get in college or help your career later in life.

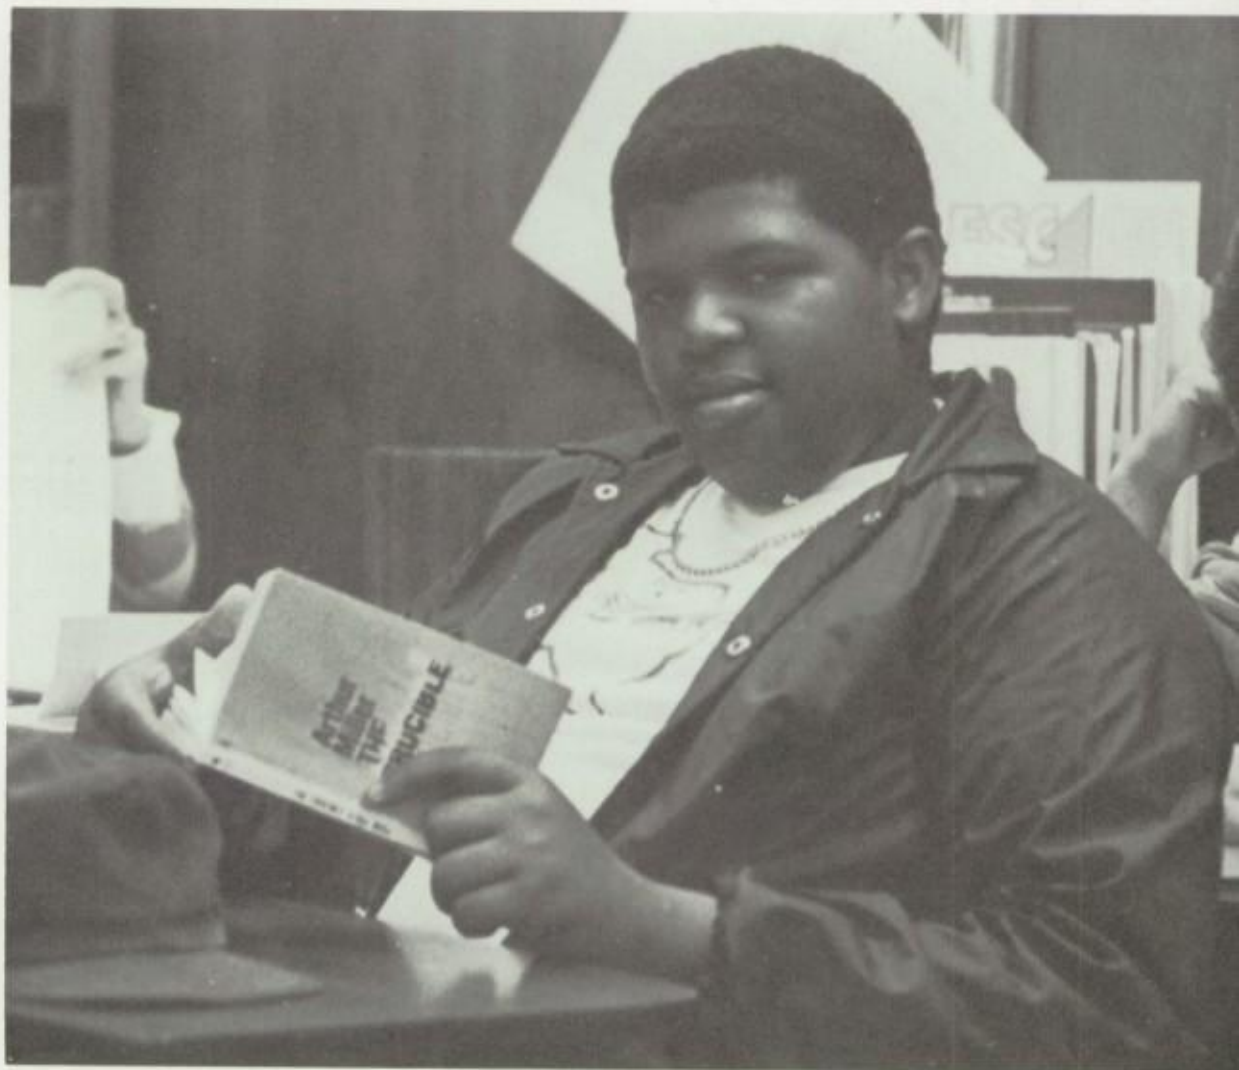

Left: Randy Price diligently studies for his test in English. *Below:* Aundra Diaz concentrates on her assignment for the day.

... A Junior

How To Be . . .

1 Even though your sophomore year is over; the teasing, being lost, and the overall smallness feeling is over, and being a junior has a bit more downhill feel, that does not mean responsibilities are not met. This is your first year as an upperclassman.

Probably the most memorable time in a junior's year is ordering and receiving his senior ring.

2

3 It's difficult to be a successful junior without doing your theme. After the long hours of studying, it pays off when the teacher puts a passing grade on your paper.

The year of authority awaits the eager juniors. Dreams of domination can be a year of learning more about yourself than any other year in high school.

Sophomore the Essential Year

Sophomores — Discovery is one of the most important events of your high school year. These events happen during your sophomore year. The events that happen in your high school years reflect and can make a major change in your life. Did you ever stop to think of what might have happened if you never registered for the first time. Most people really never stop to think about all of the people you could have met at your first year at school. The most important thing of all, though, is your Driver's Education. If you did not take that you would never be able to get around on your own. You would be stationed in one place. The next time you stop and remember your sophomore year, remember the important things that happened.

Right: Sophomore Phil Witfield sings the school song with the aid of the upperclassmen. *Below:* Sandi Sampson registers with fellow sophomores. *Below Right:* Drivers Ed. is an essential experience for all sophomores.

Sophomores Find a New Lifestyle

The sophomore class consisted of many new faces to add to the excitement of Trinity. Over 700 sophomores opened the school year unexperienced to the Trojan lifestyle. Through the help of orientation and a mini-pep-rally the sophomores were soon initiated into the unified spirit of Trinity. Participation

in the many different activities helped each sophomore develop their own interests. As the school year progressed, they settled down into a more relaxed atmosphere. When their sophomore year came to a close, they found themselves experienced and ready to meet new challenges.

Above Right: Sophomore, Janet Turner follows her sister, Erin's, footsteps as a cheerleader. Janet is one of the new sophomore cheerleaders chosen to yell at Junior Varsity events. *Right:* Elizabeth Brown concentrates on a geometry assignment.

The sophomores were shown the ropes as the Student Council sponsored a mini pep rally and orientation. The mini pep rally was an effort to demonstrate a typical pep rally, so the sophomores would know what to do at the first big pep rally. The cheerleaders taught them cheers and they learned the Alma Mater and Fight Song. The sophomores responded well and the mini pep rally was very successful.

The purpose of orientation was to discuss the rules, privileges, and options available to them as new members of Trinity High School. Mr. Murray, Mrs. Nixon, Chris Booth, Chris Williamson, and Tommy Wilder were speakers at the orientation.

Opposite Page, Top: Chris Booth and Chris Williamson waited their turn to speak to the sophomore class during orientation. *Opposite Page, Far Left:* Vicki Stewart enjoyed herself at the mini pep rally for the sophomores. *Opposite Page, Left:* Trinity's new sophomore class raised their hands in tradition's way to sing the Alma Mater.

Mrs. Michelle Caton, Mrs. Barbara Ross, and the Sophomore Class Officers started early in the year trying to pick an actively involved, and intelligent group of Sophomores to become the Executive Council. They were picked, then they had to start immediately working on money-making projects to pay for future "Class of 82" activities.

Executive Council sold T-shirts to the Sophomore class, with the "Class of 82" yell on them, sponsored a get-well card committee to send cards to sick students, and they also sponsored a dance after the basketball game against Bell.

... A Sophomore

How To Be . . .

1

To be a sophomore you must first realize you are no longer in junior high, you are now in high school.

2

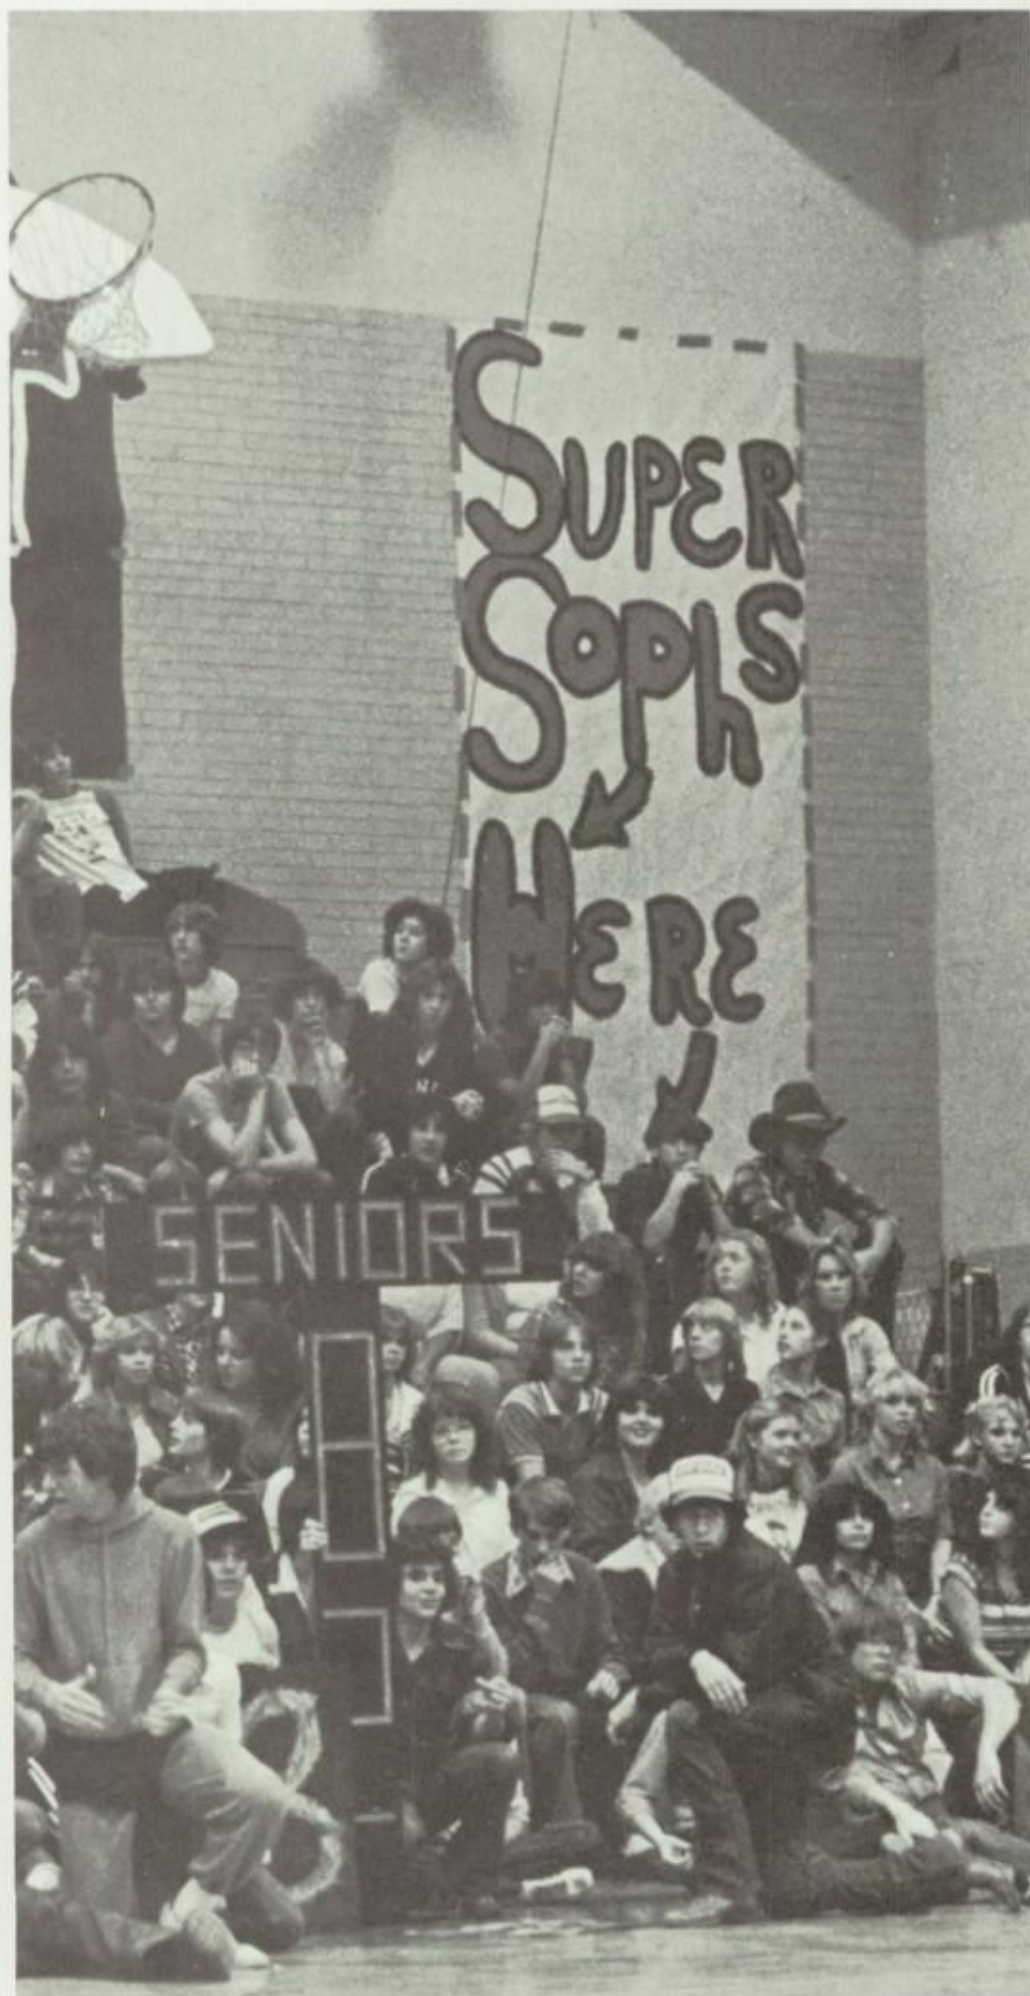

Second, you must know that you are the lowerclassman and must learn to be known by a new name . . . Sophomore.

3

A Sophomore has to learn his way around a newer and bigger campus; which includes getting lost at least once!

4

A Sophomore has two years to look forward to, to learn, to get involved, and to make many new friends.

“How to Associate”

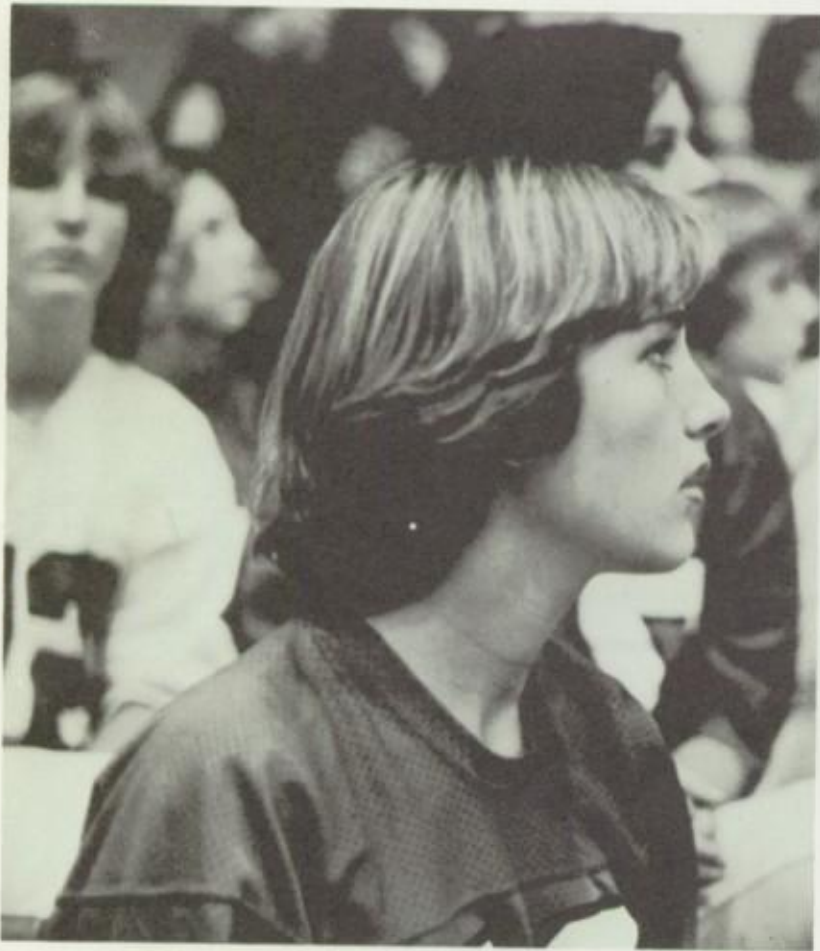

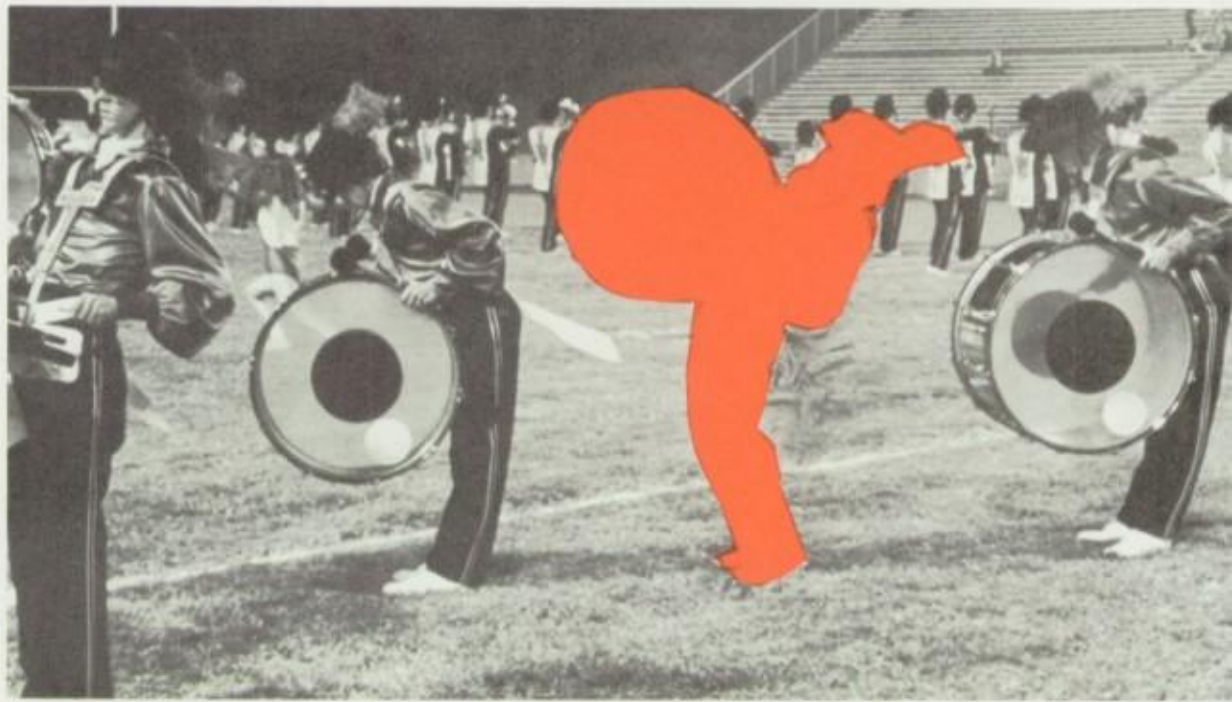

Everyone is capable;
the knowledge is
present.
All that is needed is the
desire to participate.

Who Can Do It?
Anyone Can!
